

APPENDIX 17

Contaminant Concentrations in the Water Column Model and Measurement Comparisons Results Diagrams, Validation, Various Measurement Programs, Sixty-One Locations throughout NY/NJ Harbor, 1998-2016 Water Years

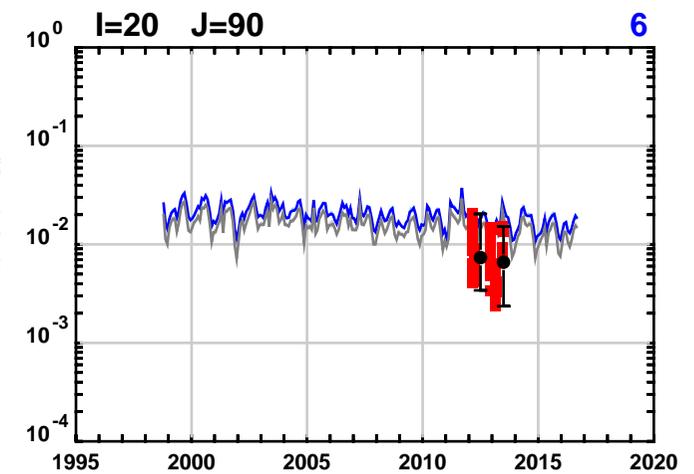

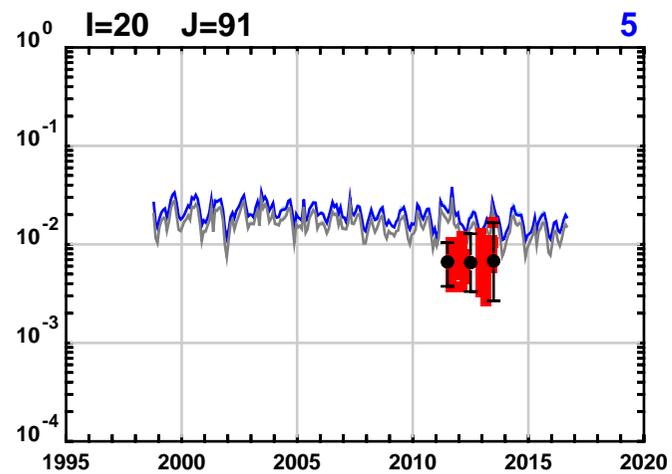

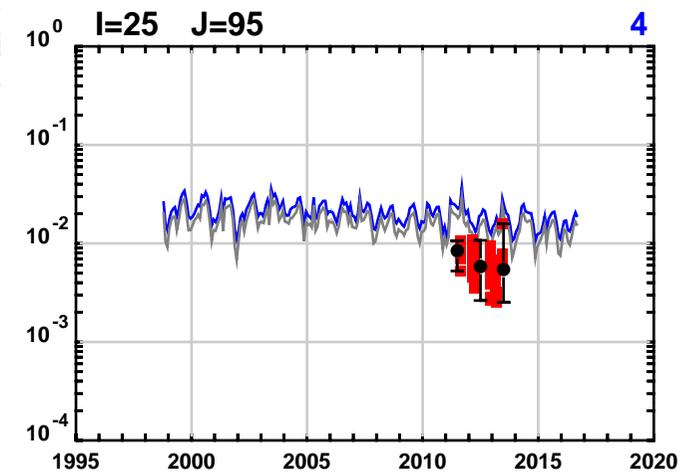

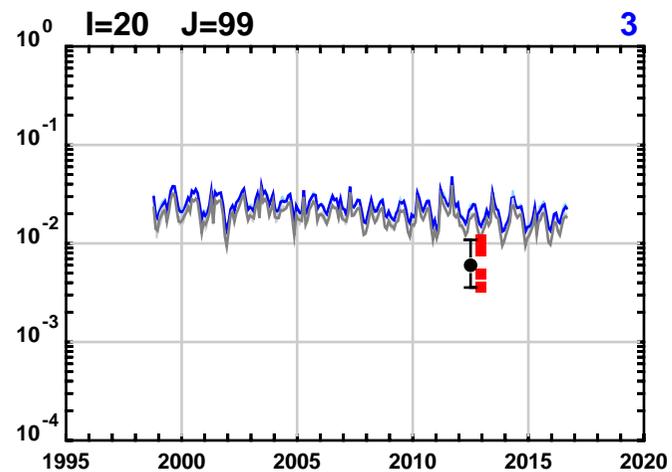

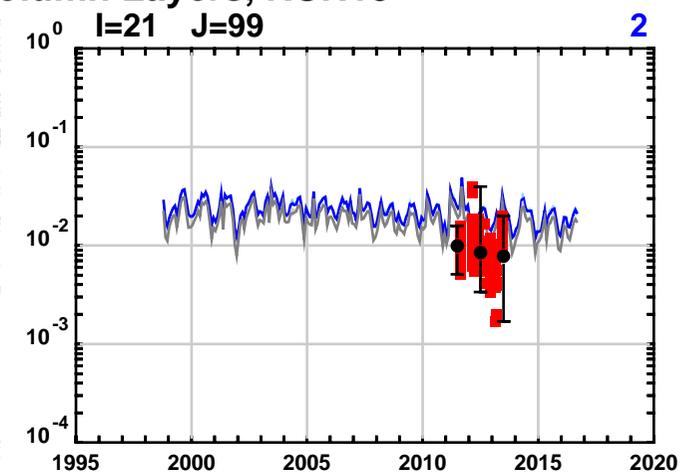

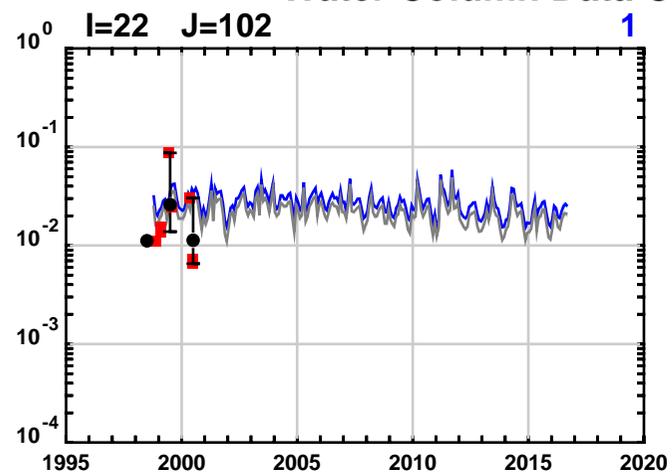

- **PCB summation (ten homologs)**
- **six PCB homologs**
- **six dioxin congeners**
- **nine furan congeners**

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models
Upper Newark Bay

PCB, Total Congeners, ug/L

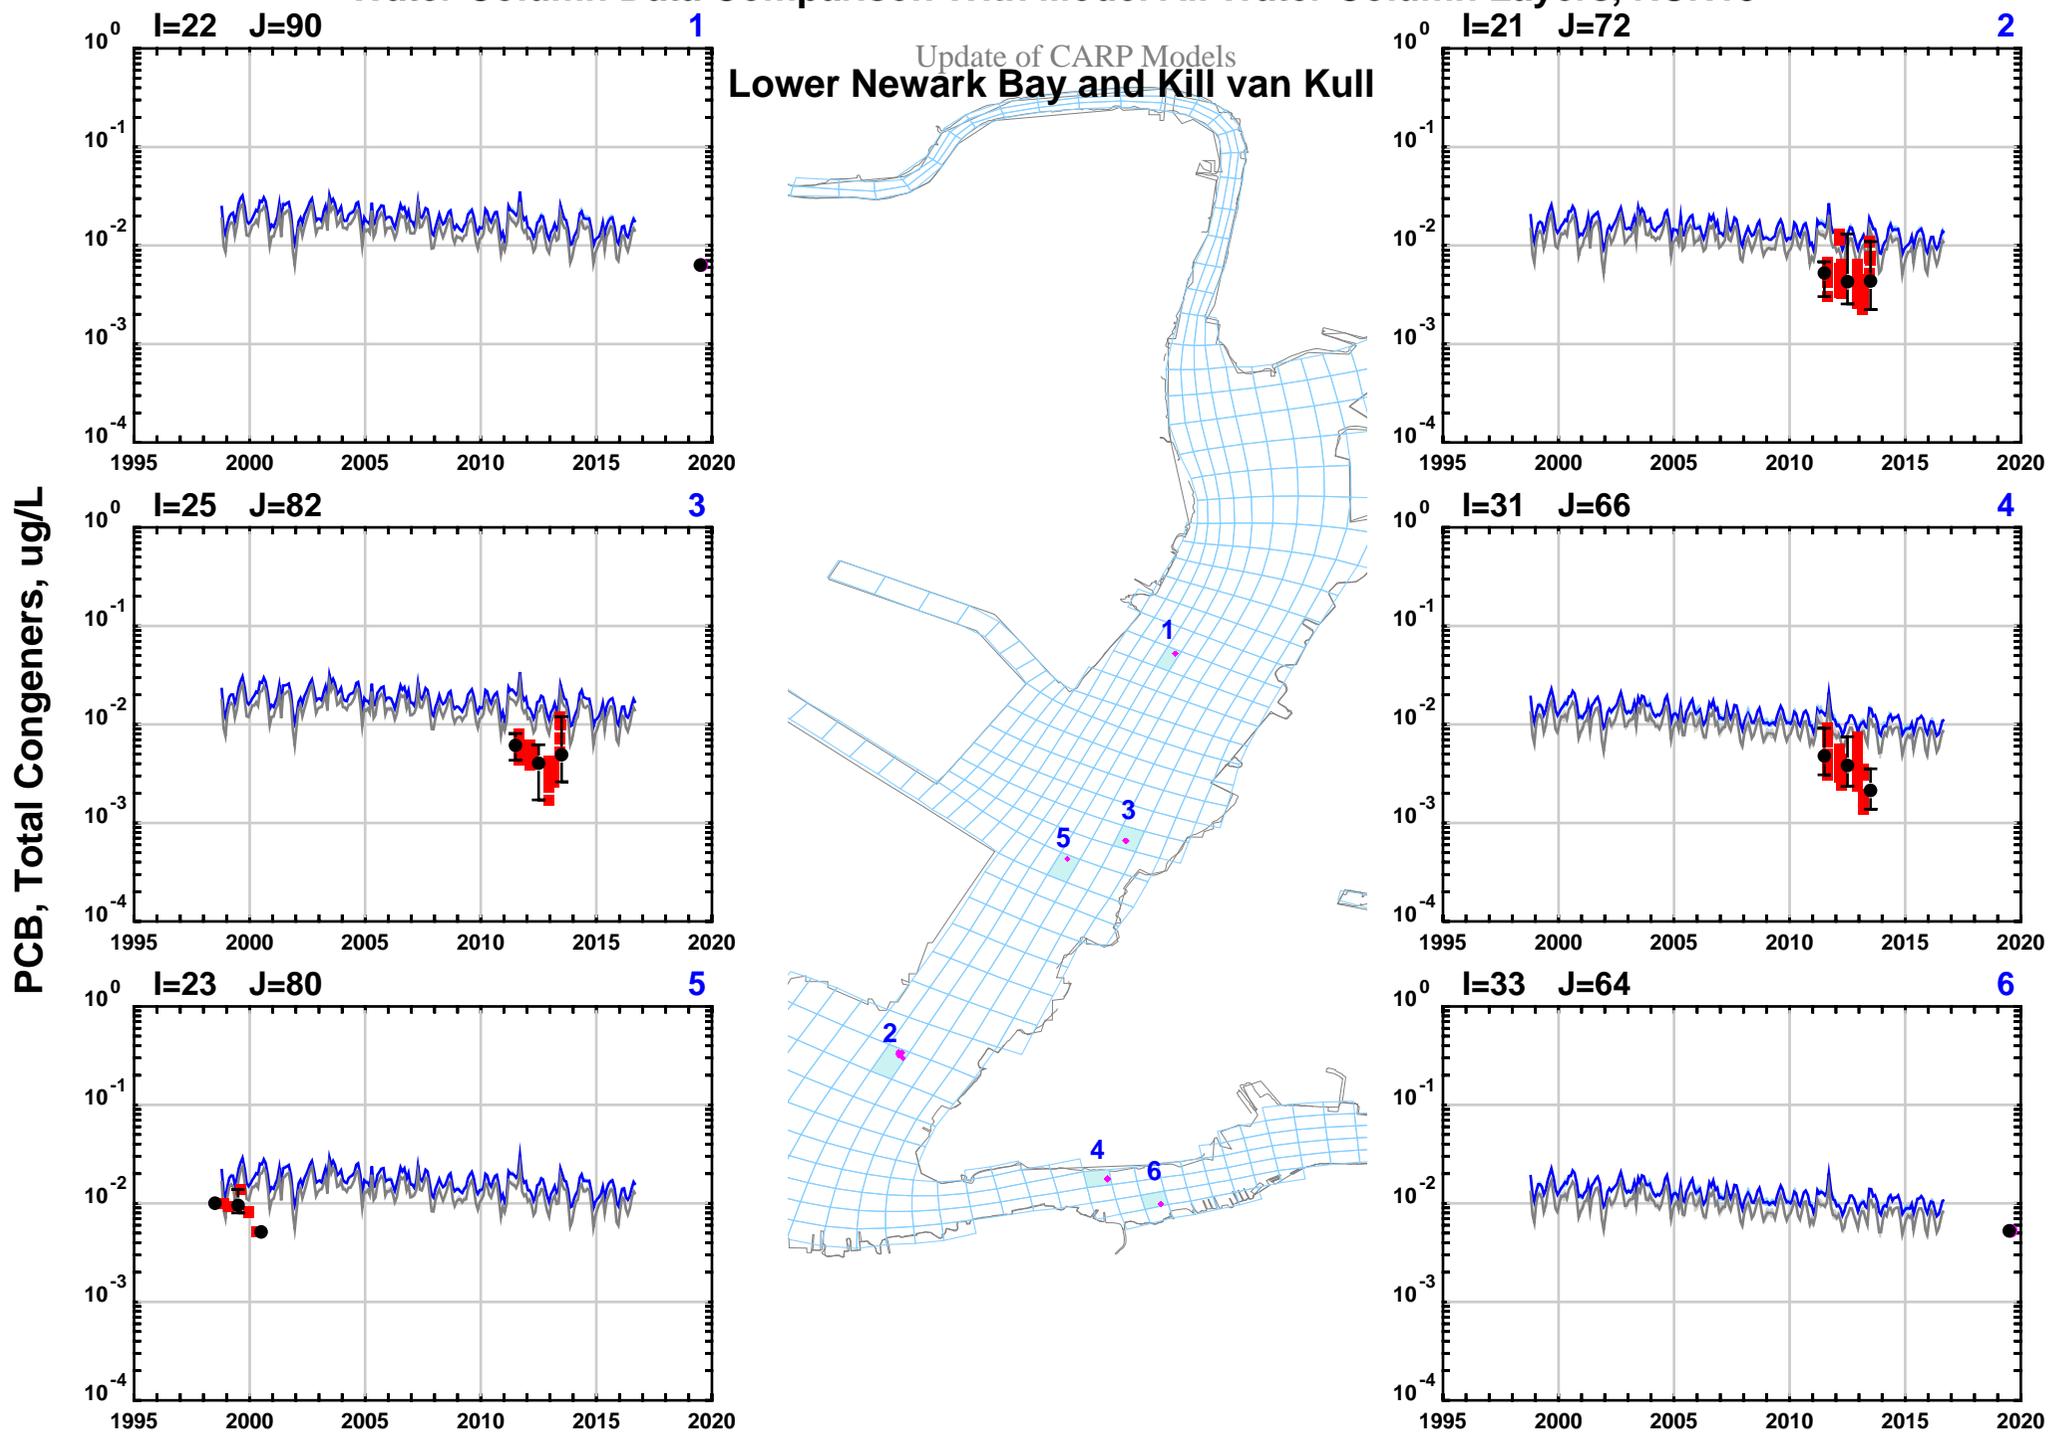

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models Lower Newark Bay and Kill van Kull

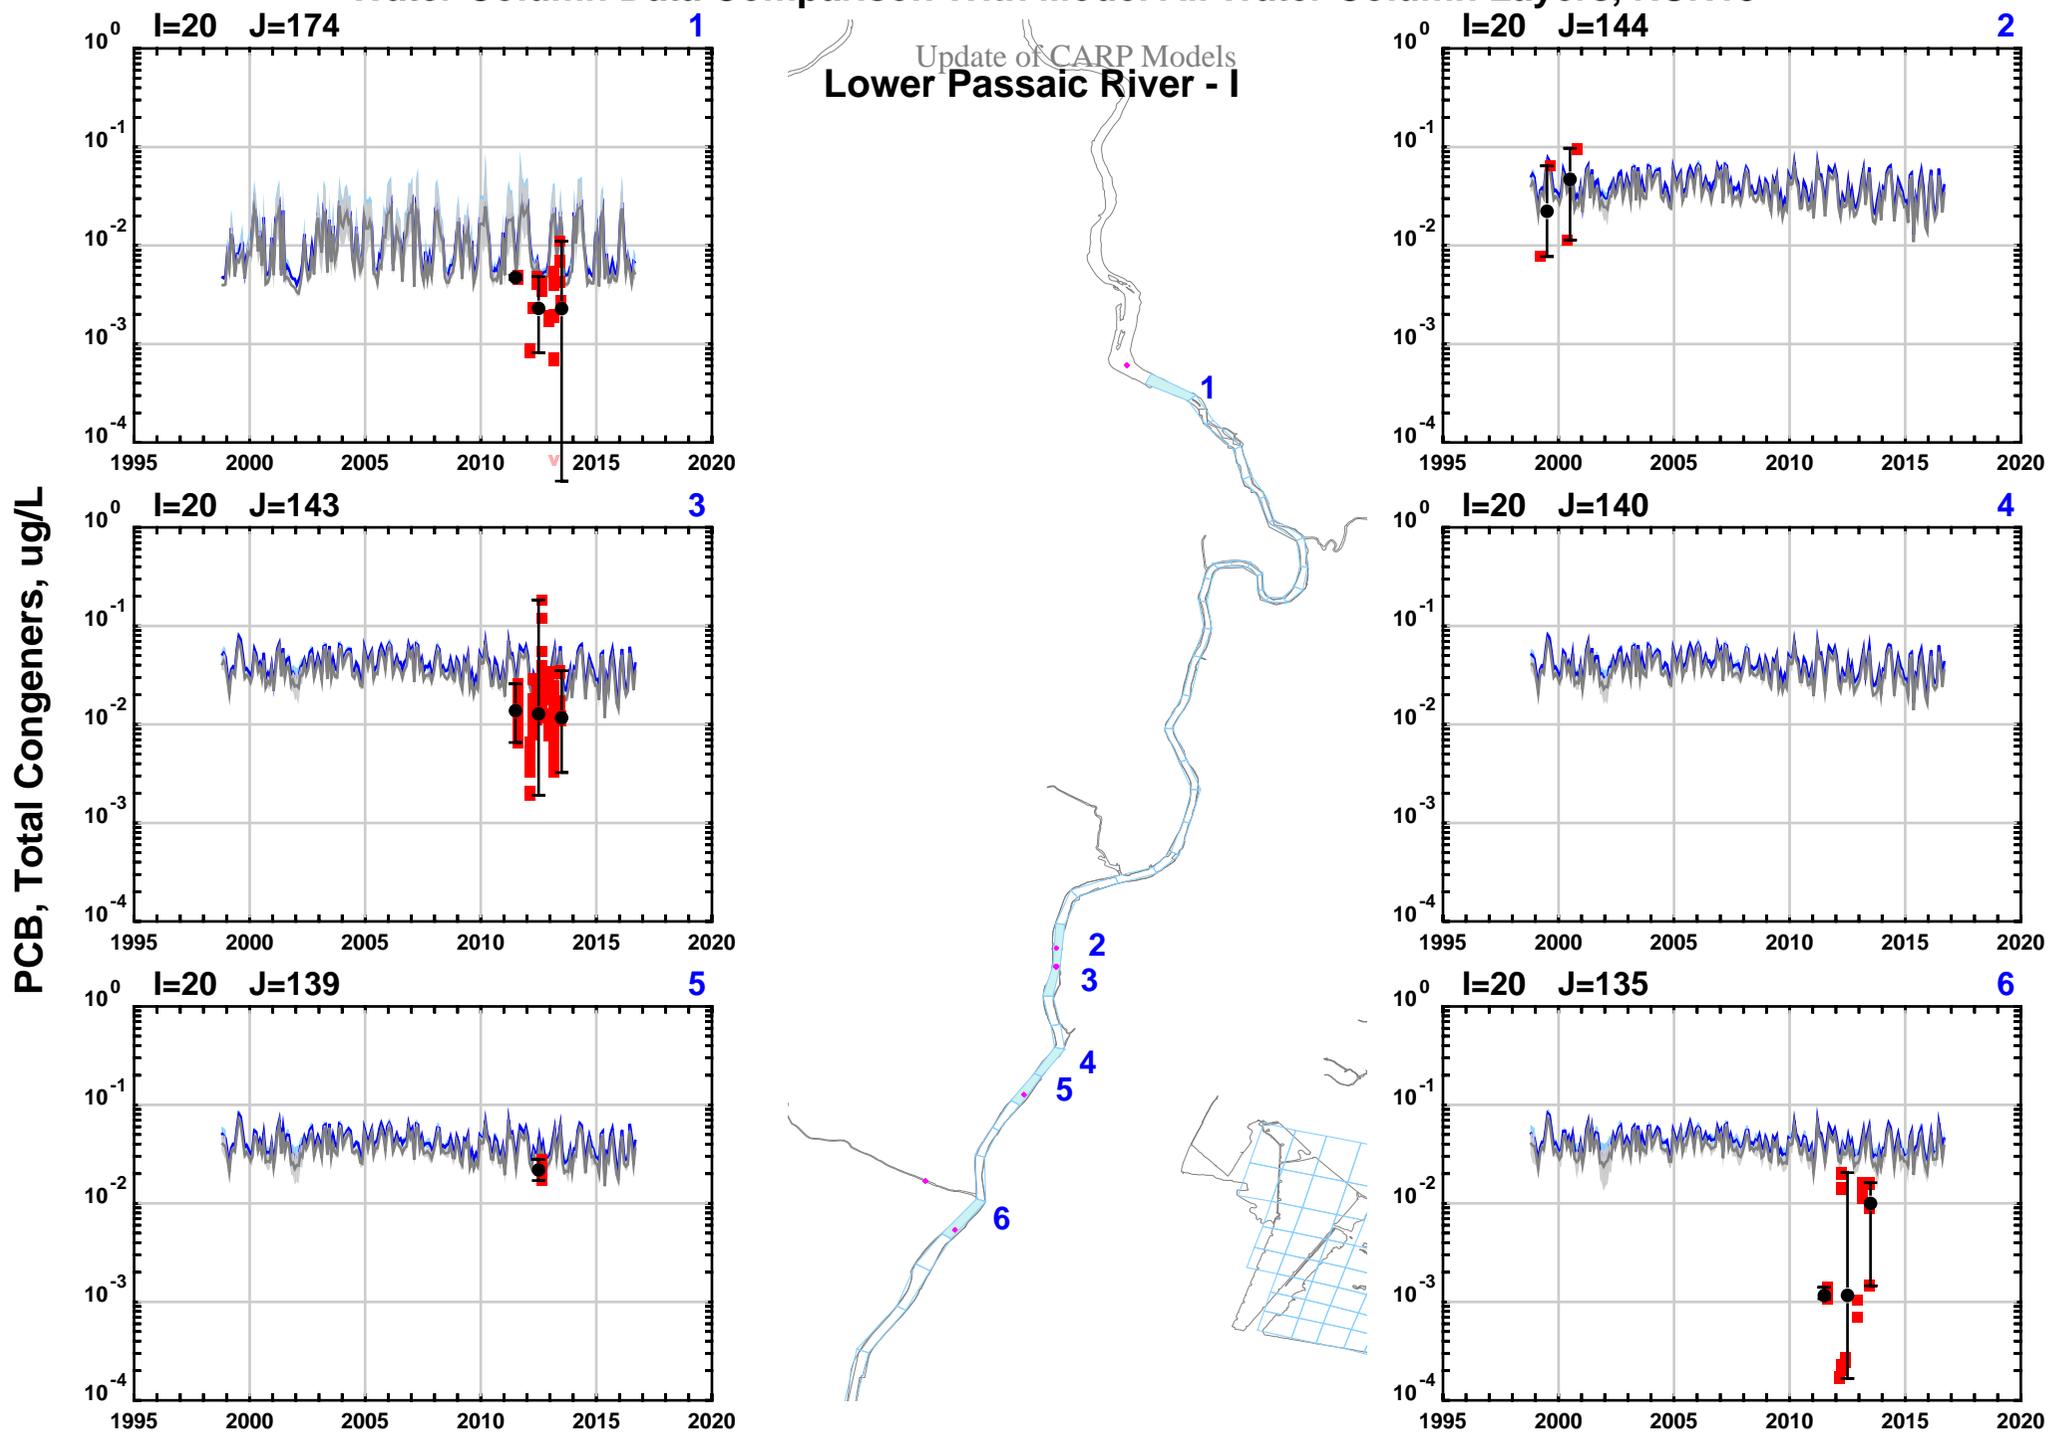

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

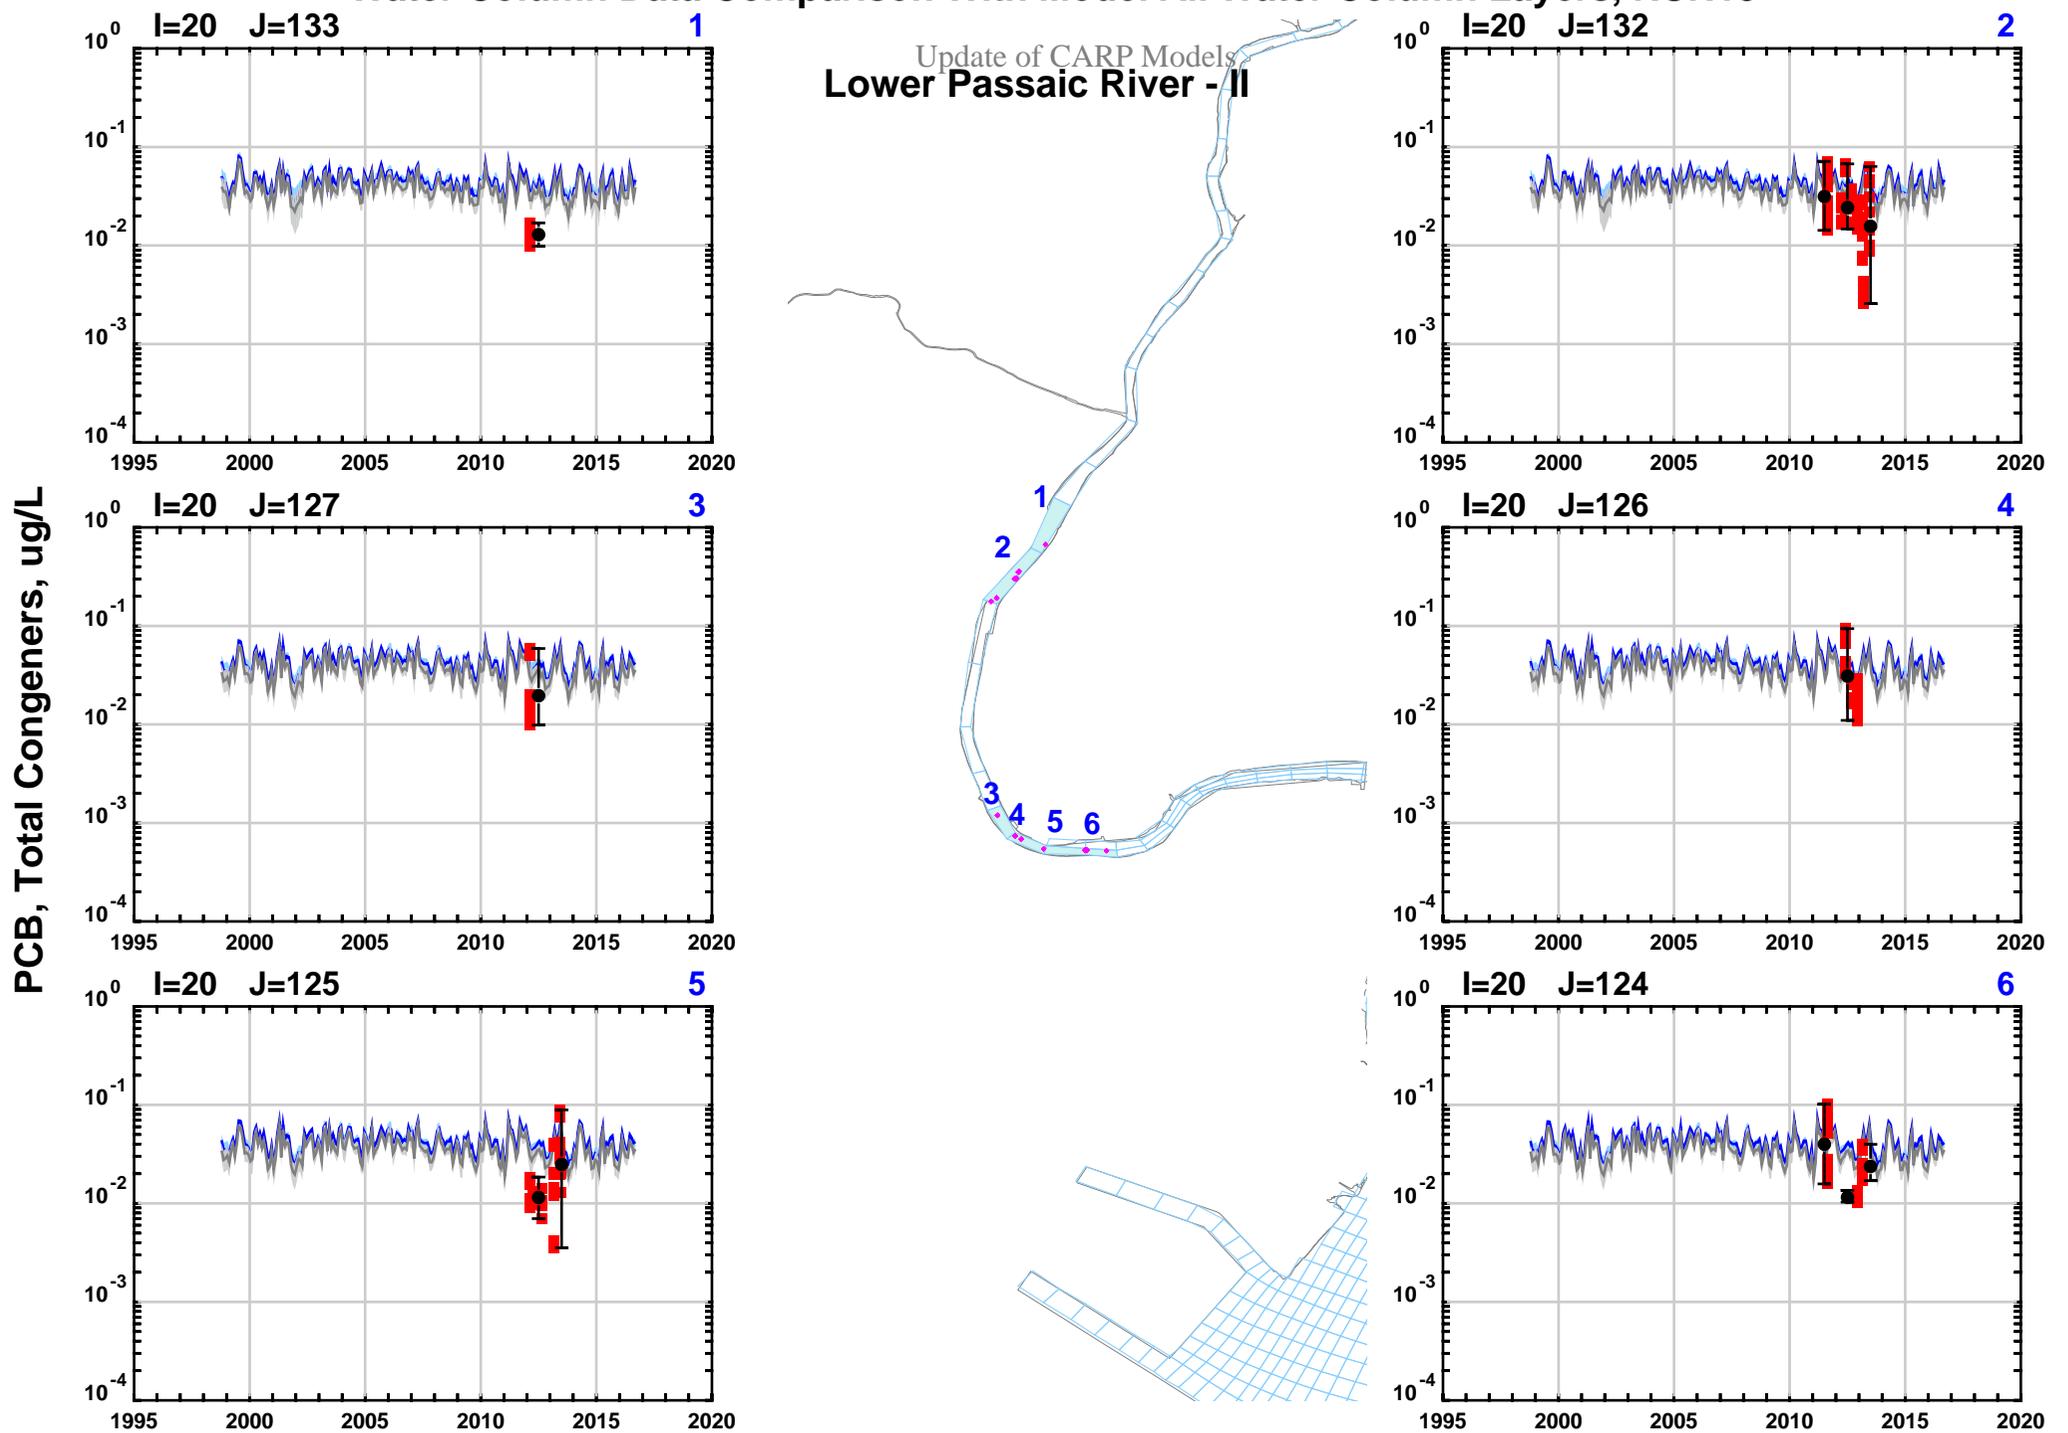

Update of CARP Models Lower Passaic River - I

● Detect Data ○ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

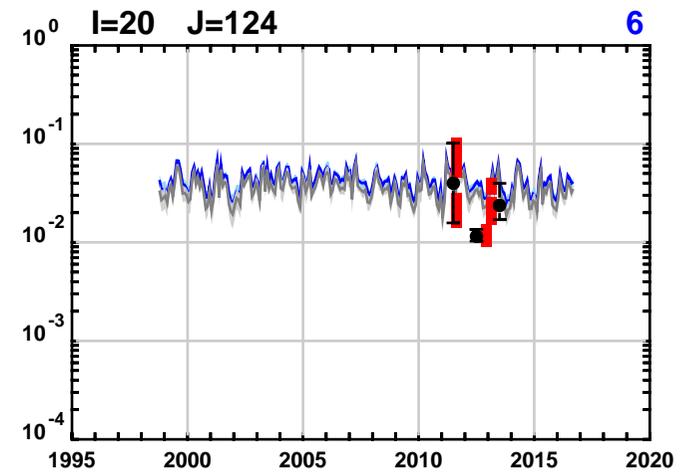

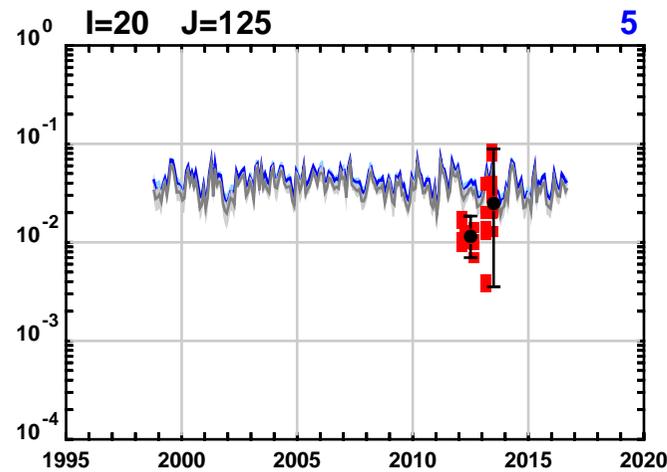

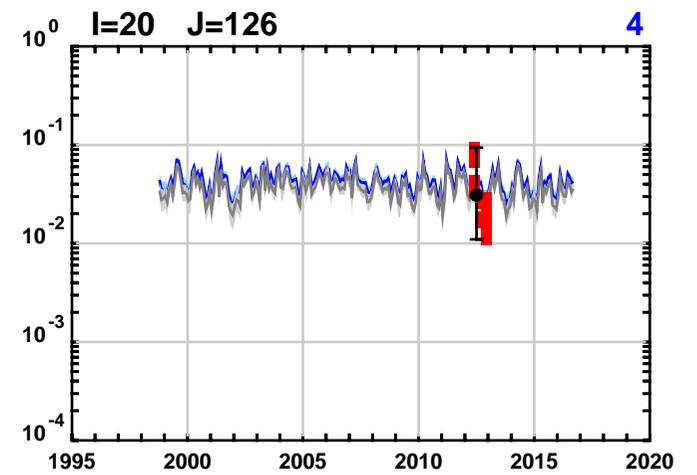

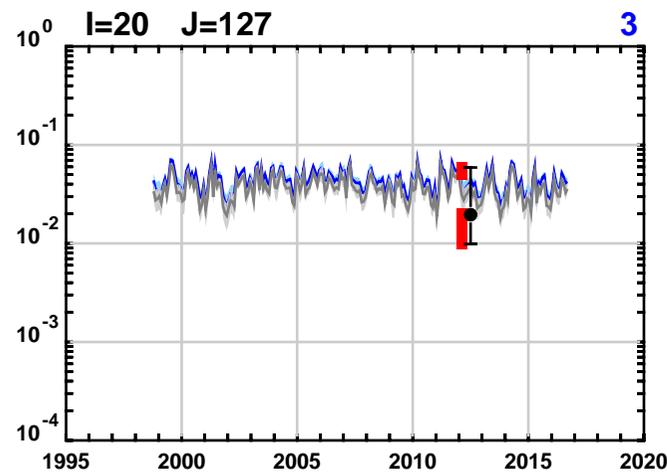

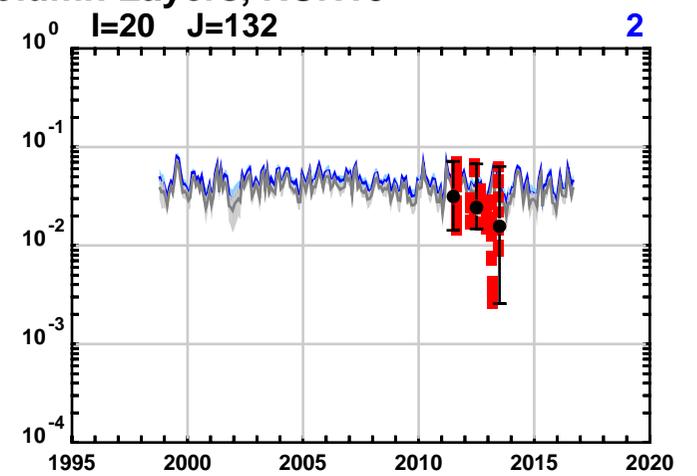

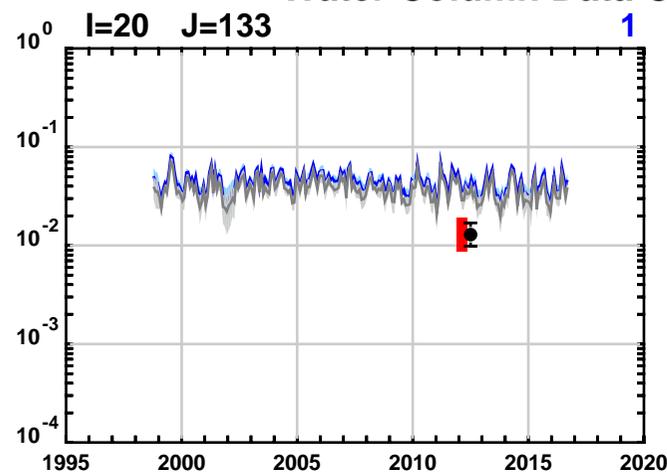

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models
Lower Passaic River - II

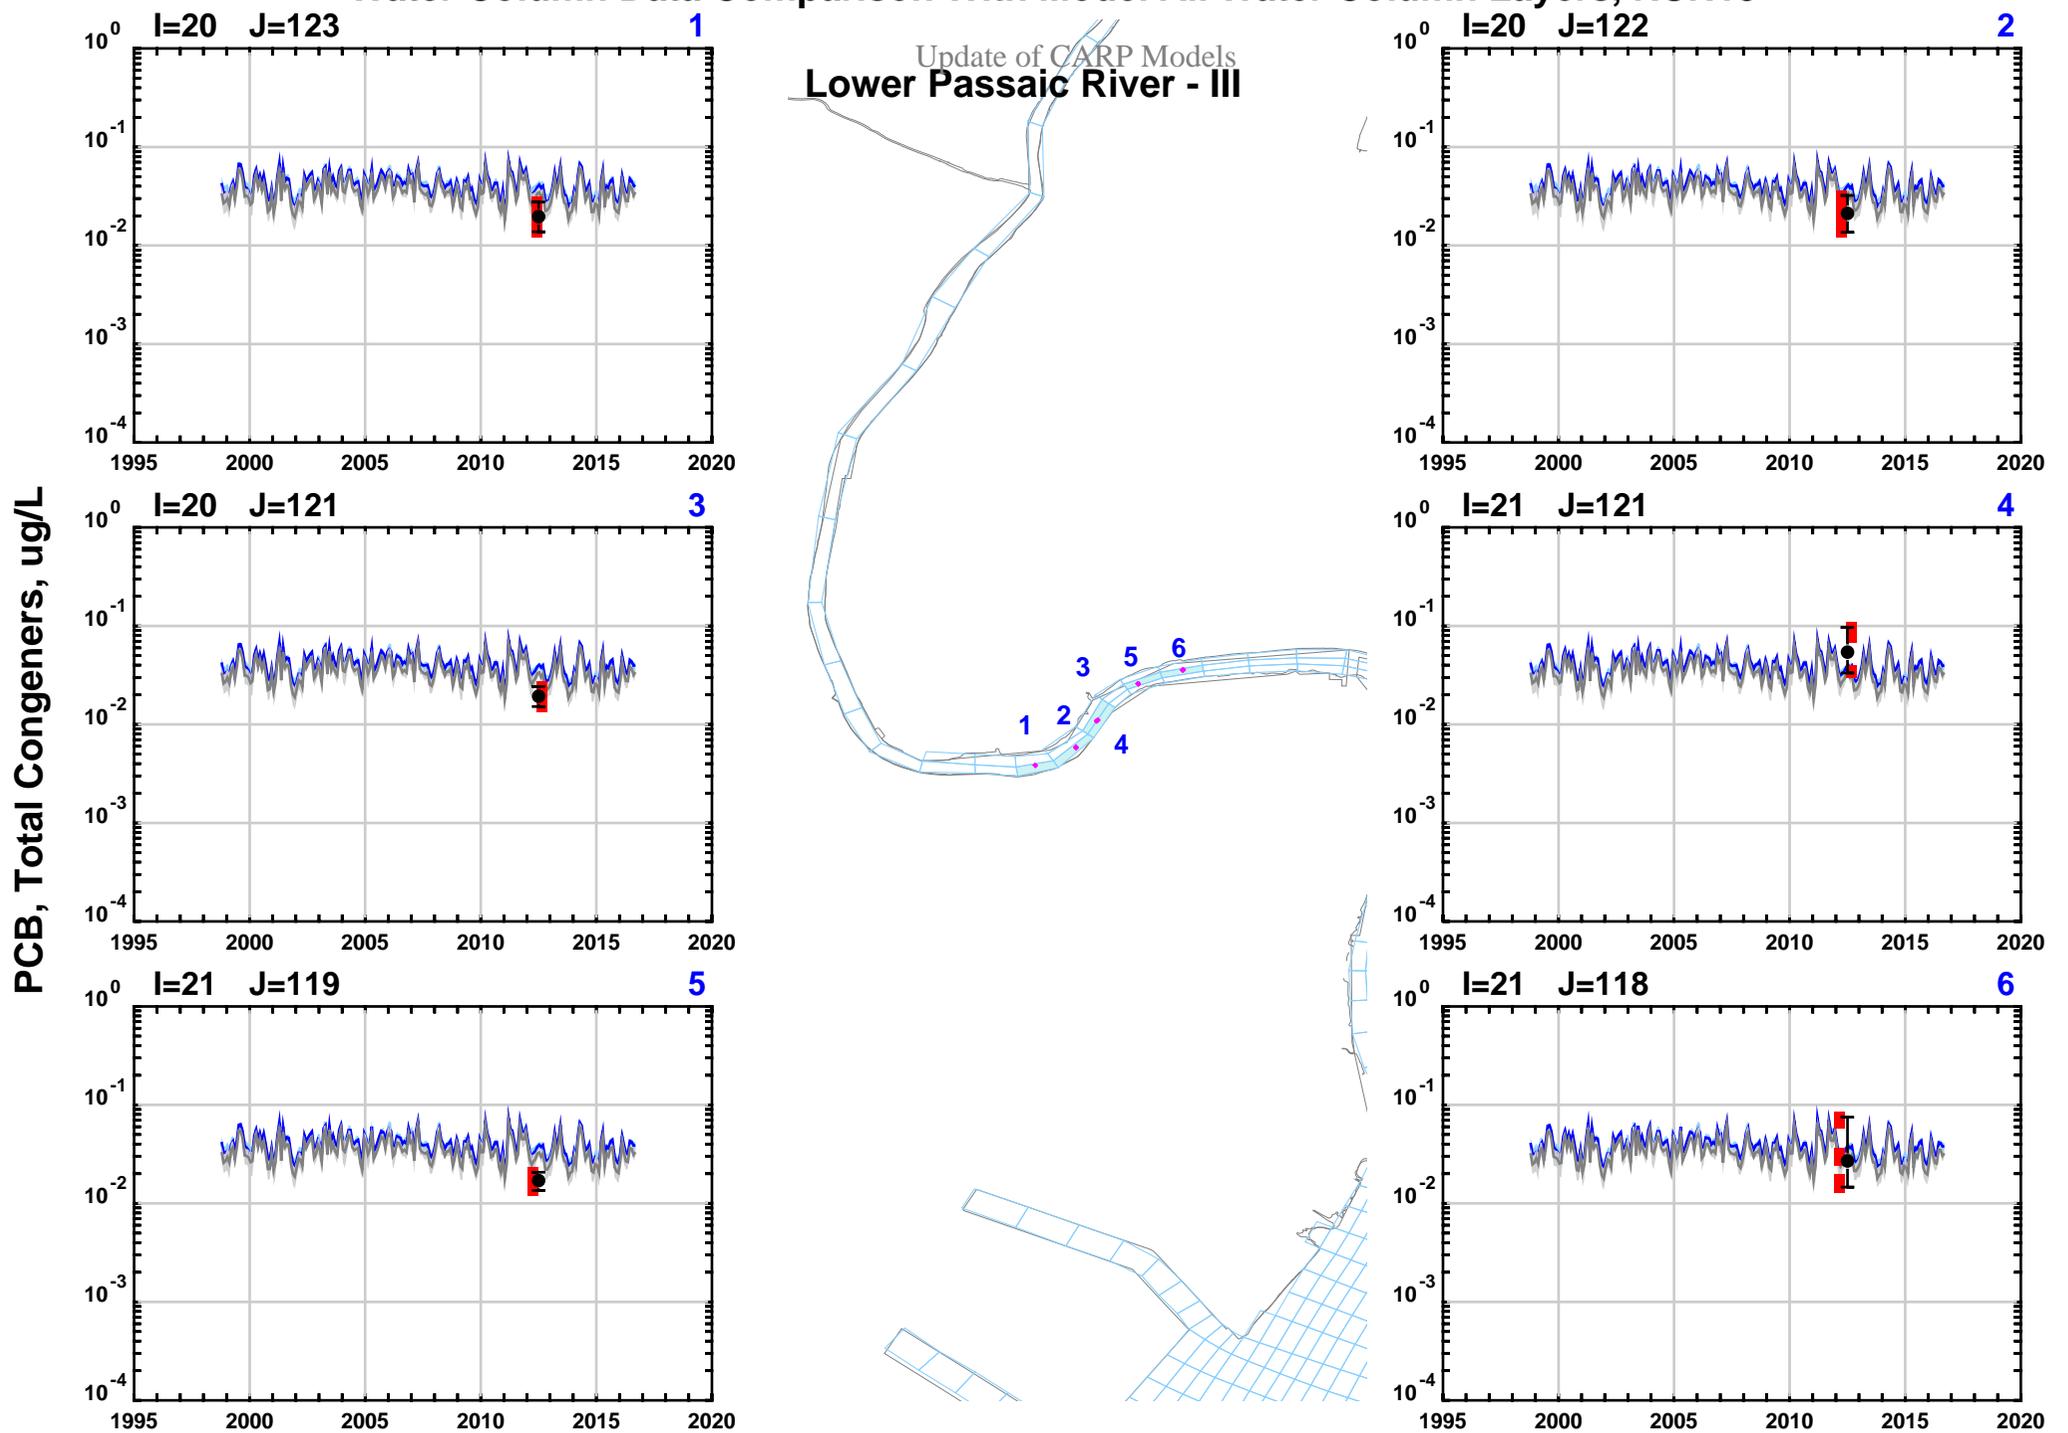

PCB, Total Congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

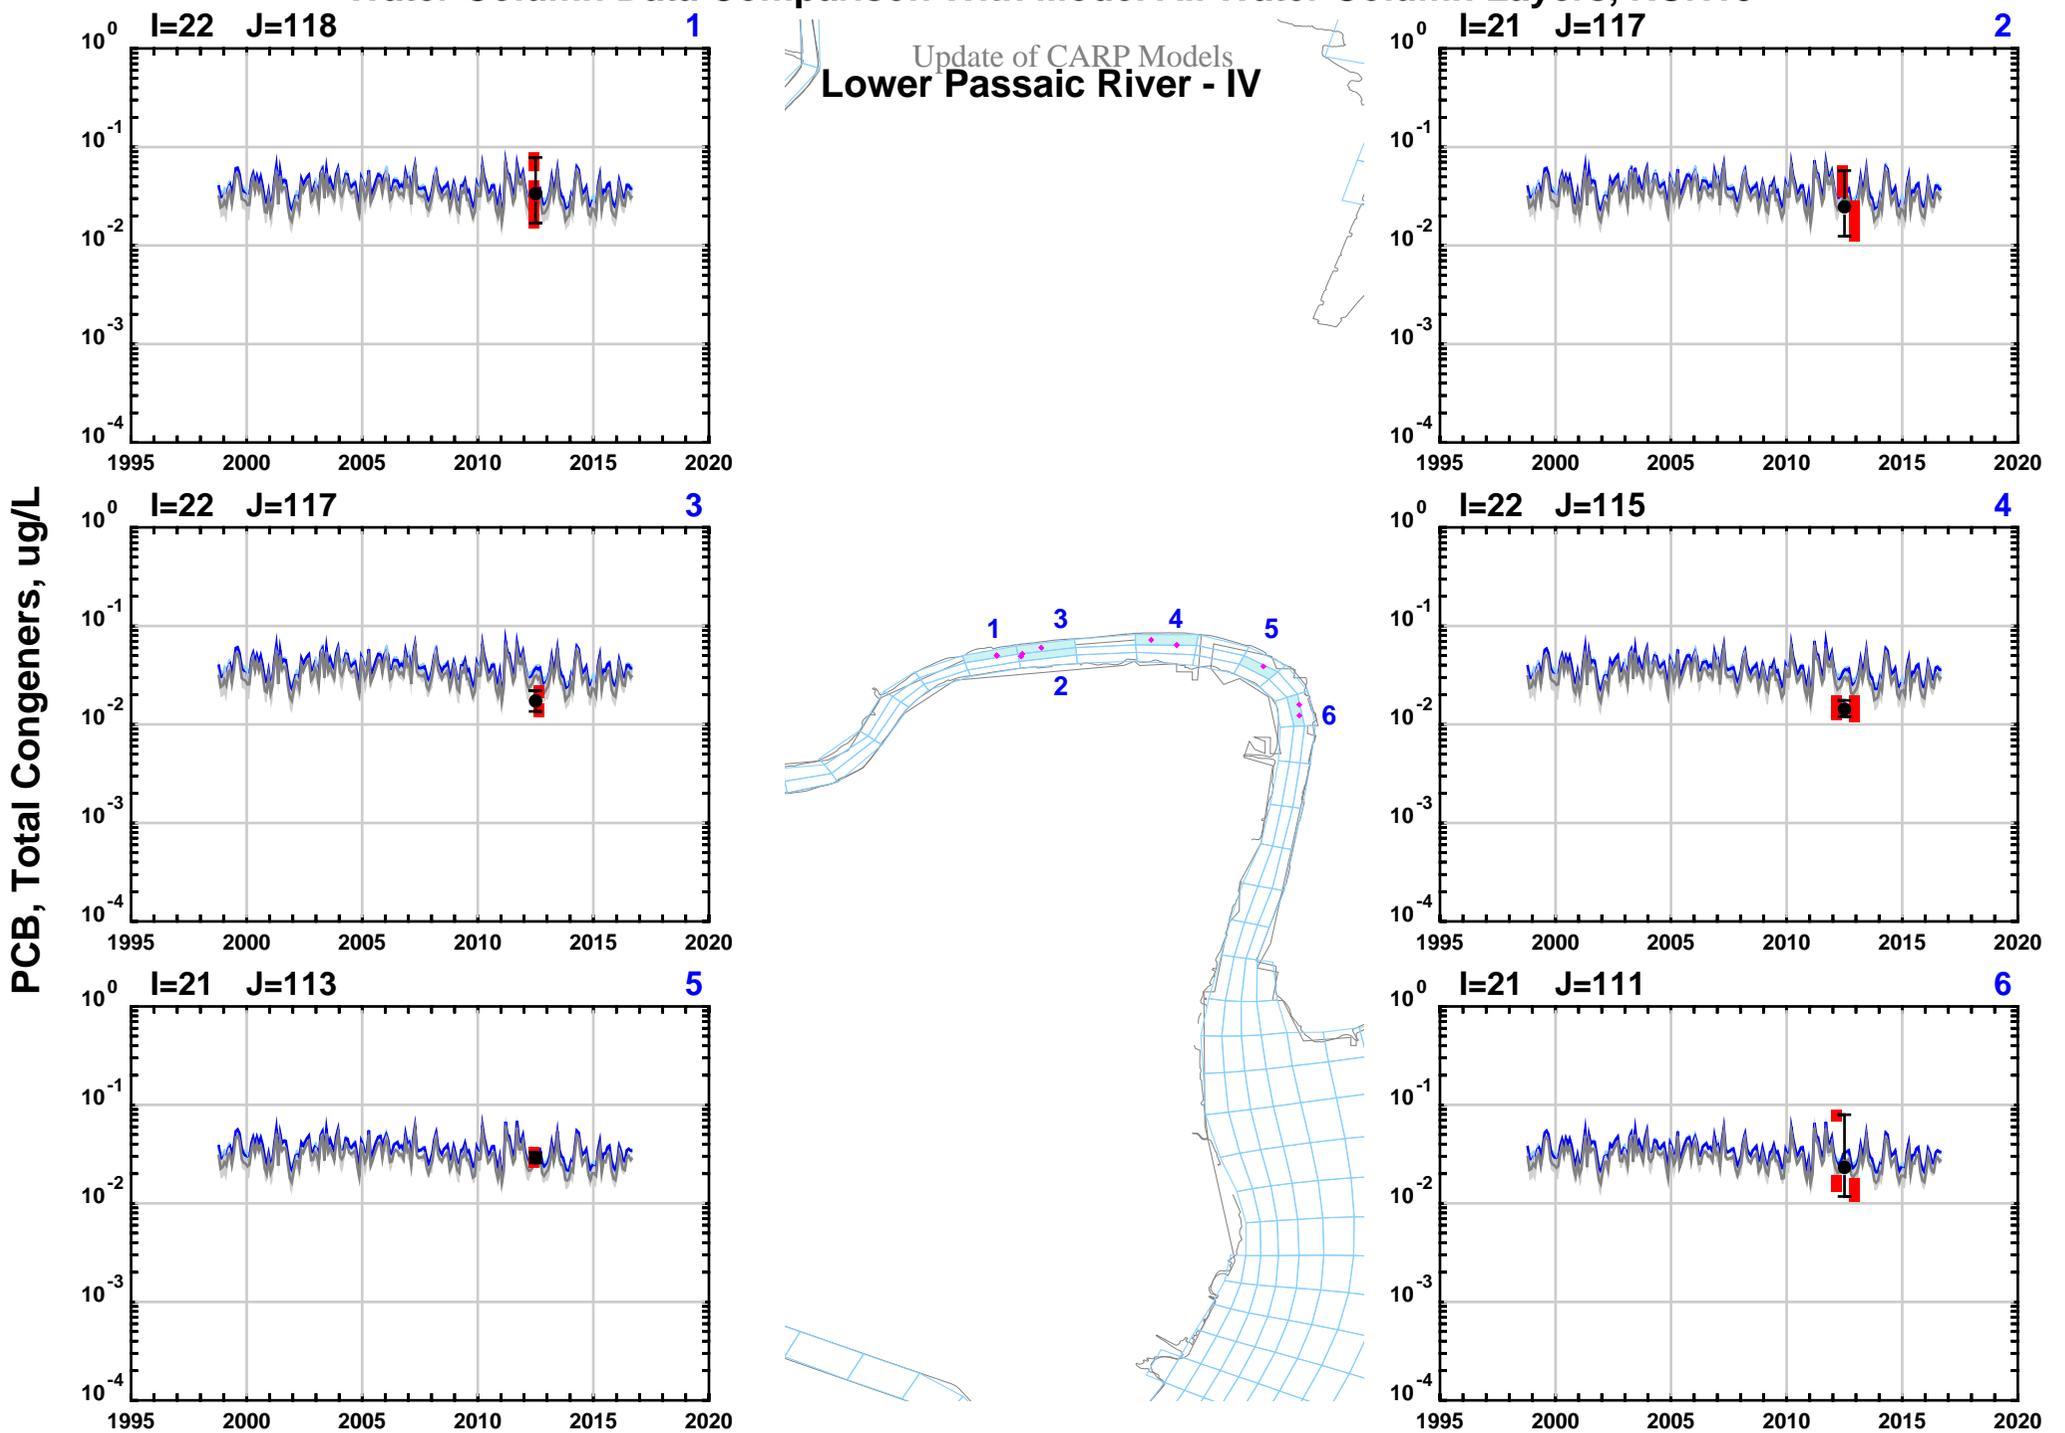

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models
Lower Passaic River - IV

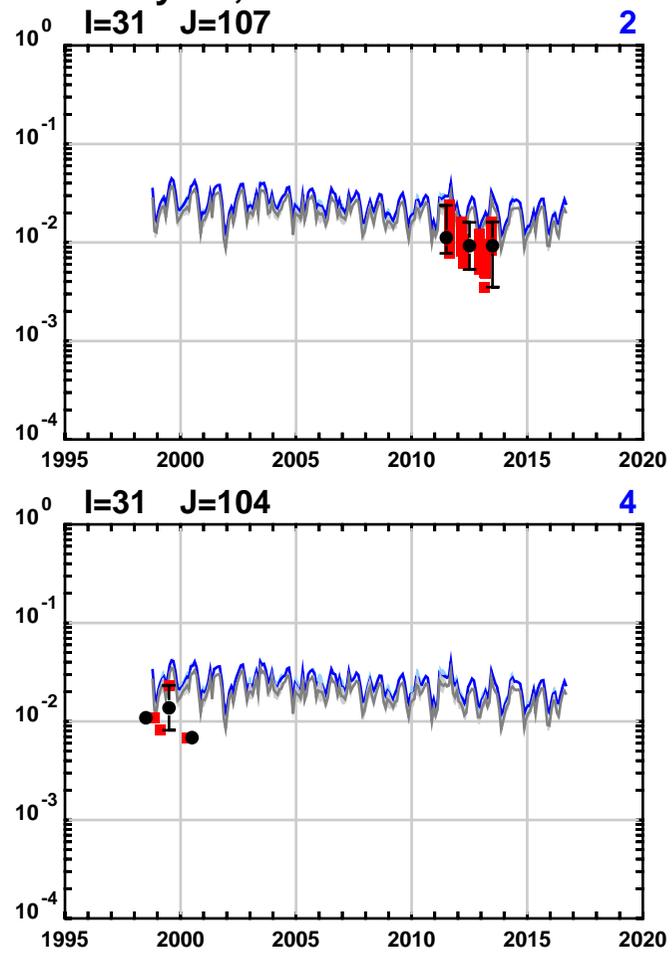

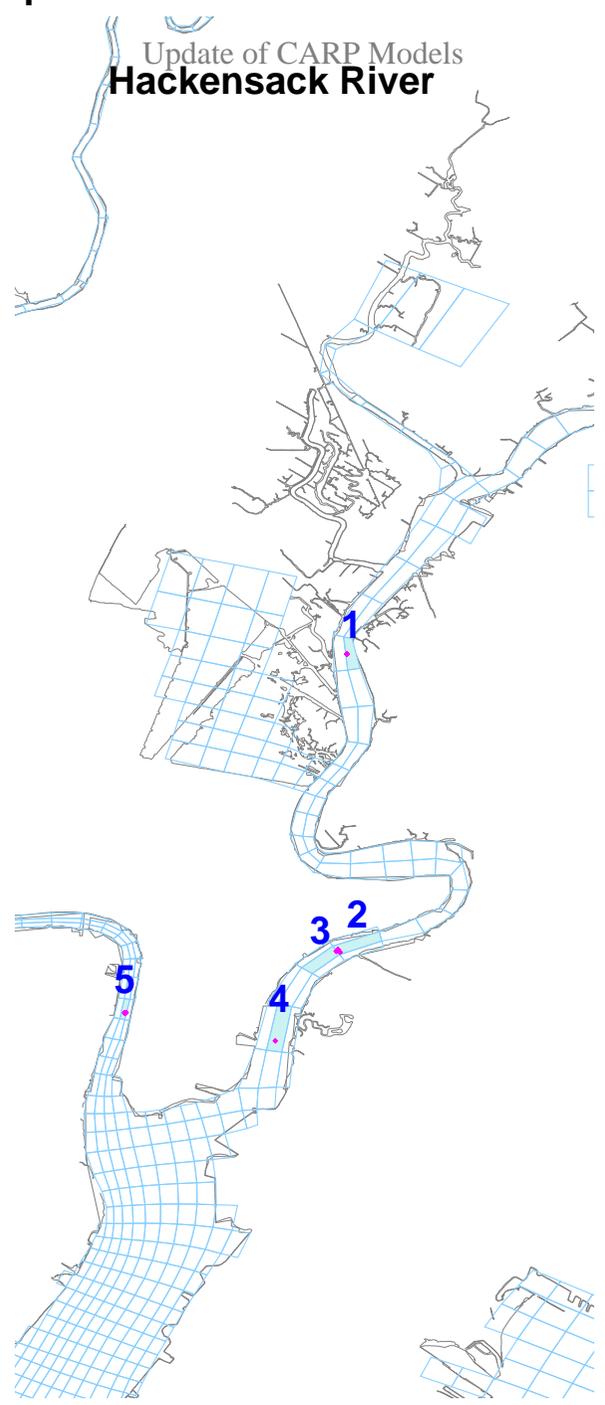

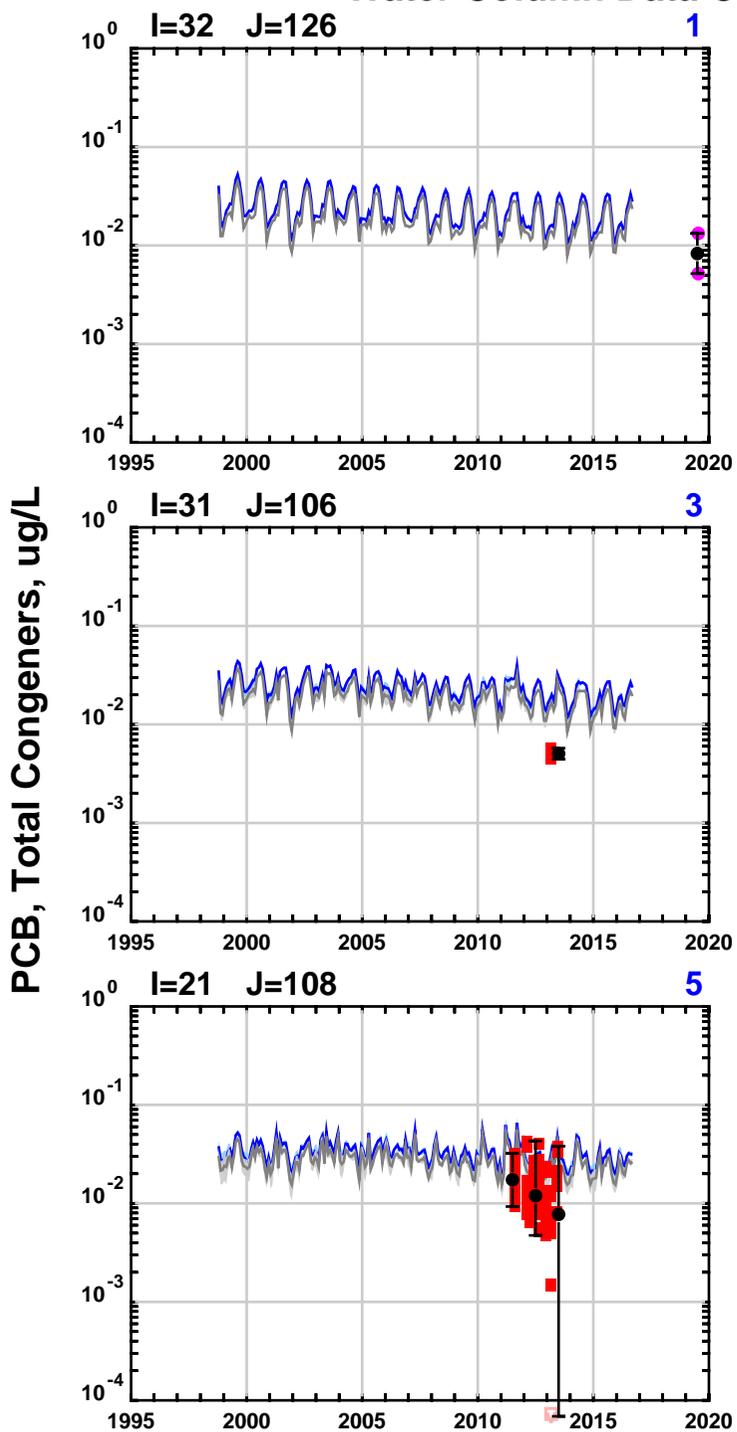

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models
Hackensack River

Detect Data **Non-Detect Data**

Model: mean and range of values in Water Column

Model: Particulate Phase mean and range of values in Water Column

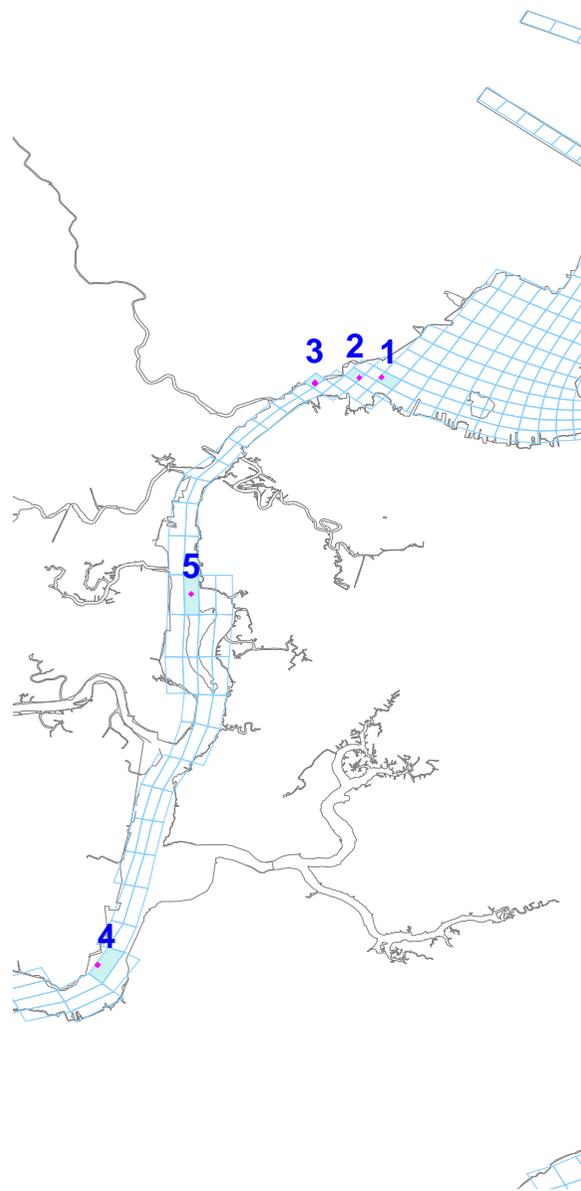

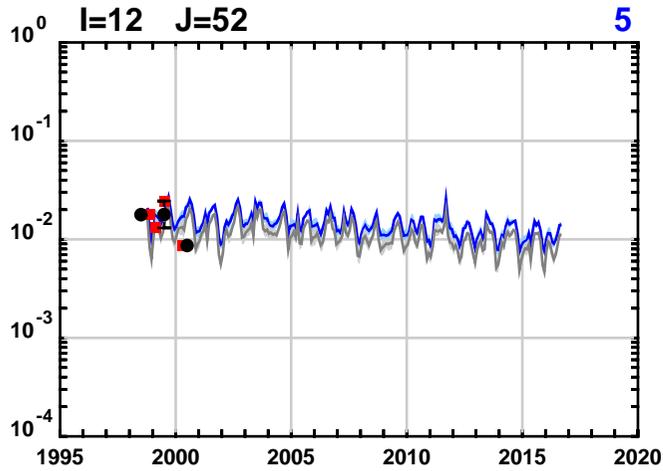

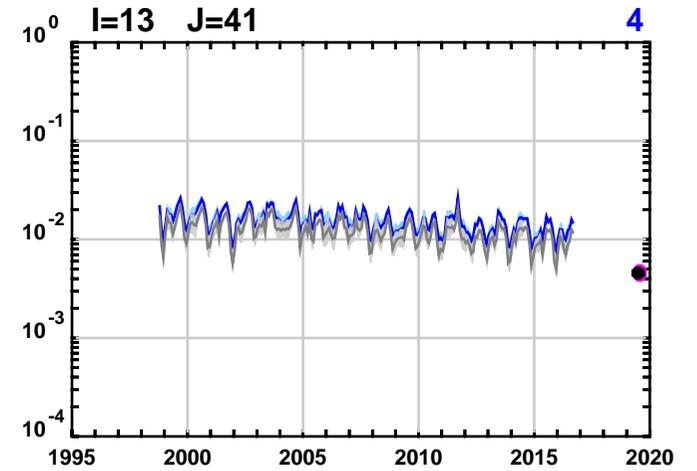

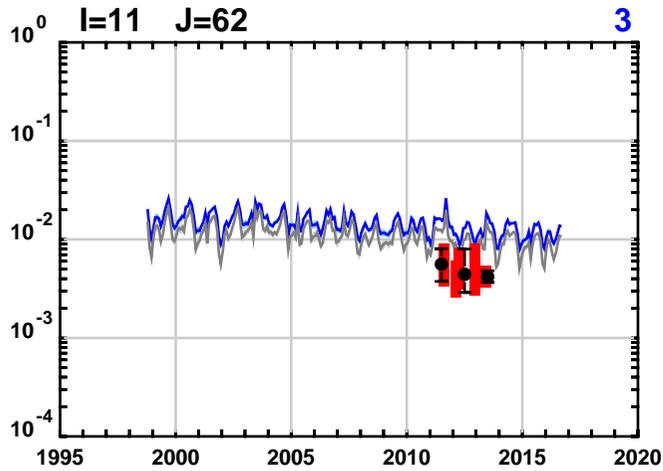

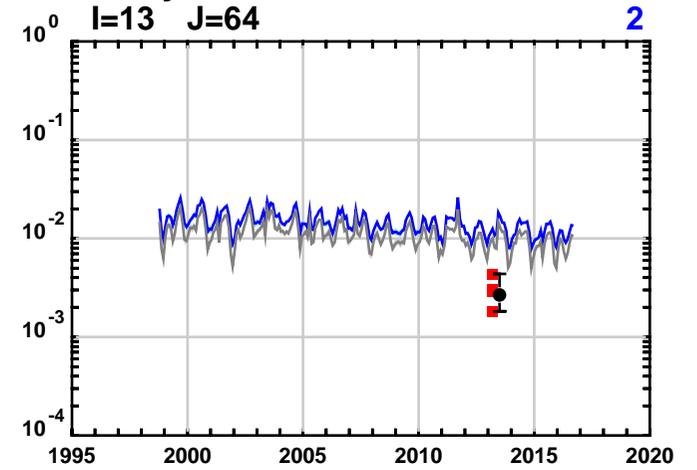

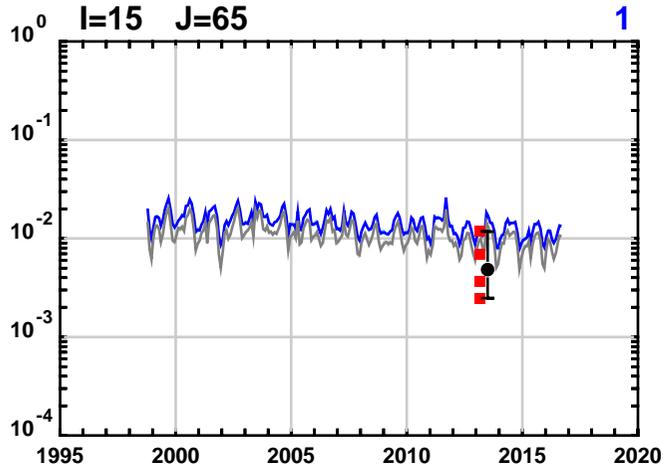

● Water Column Data: yearly mean and range

● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models
Arthur Kill

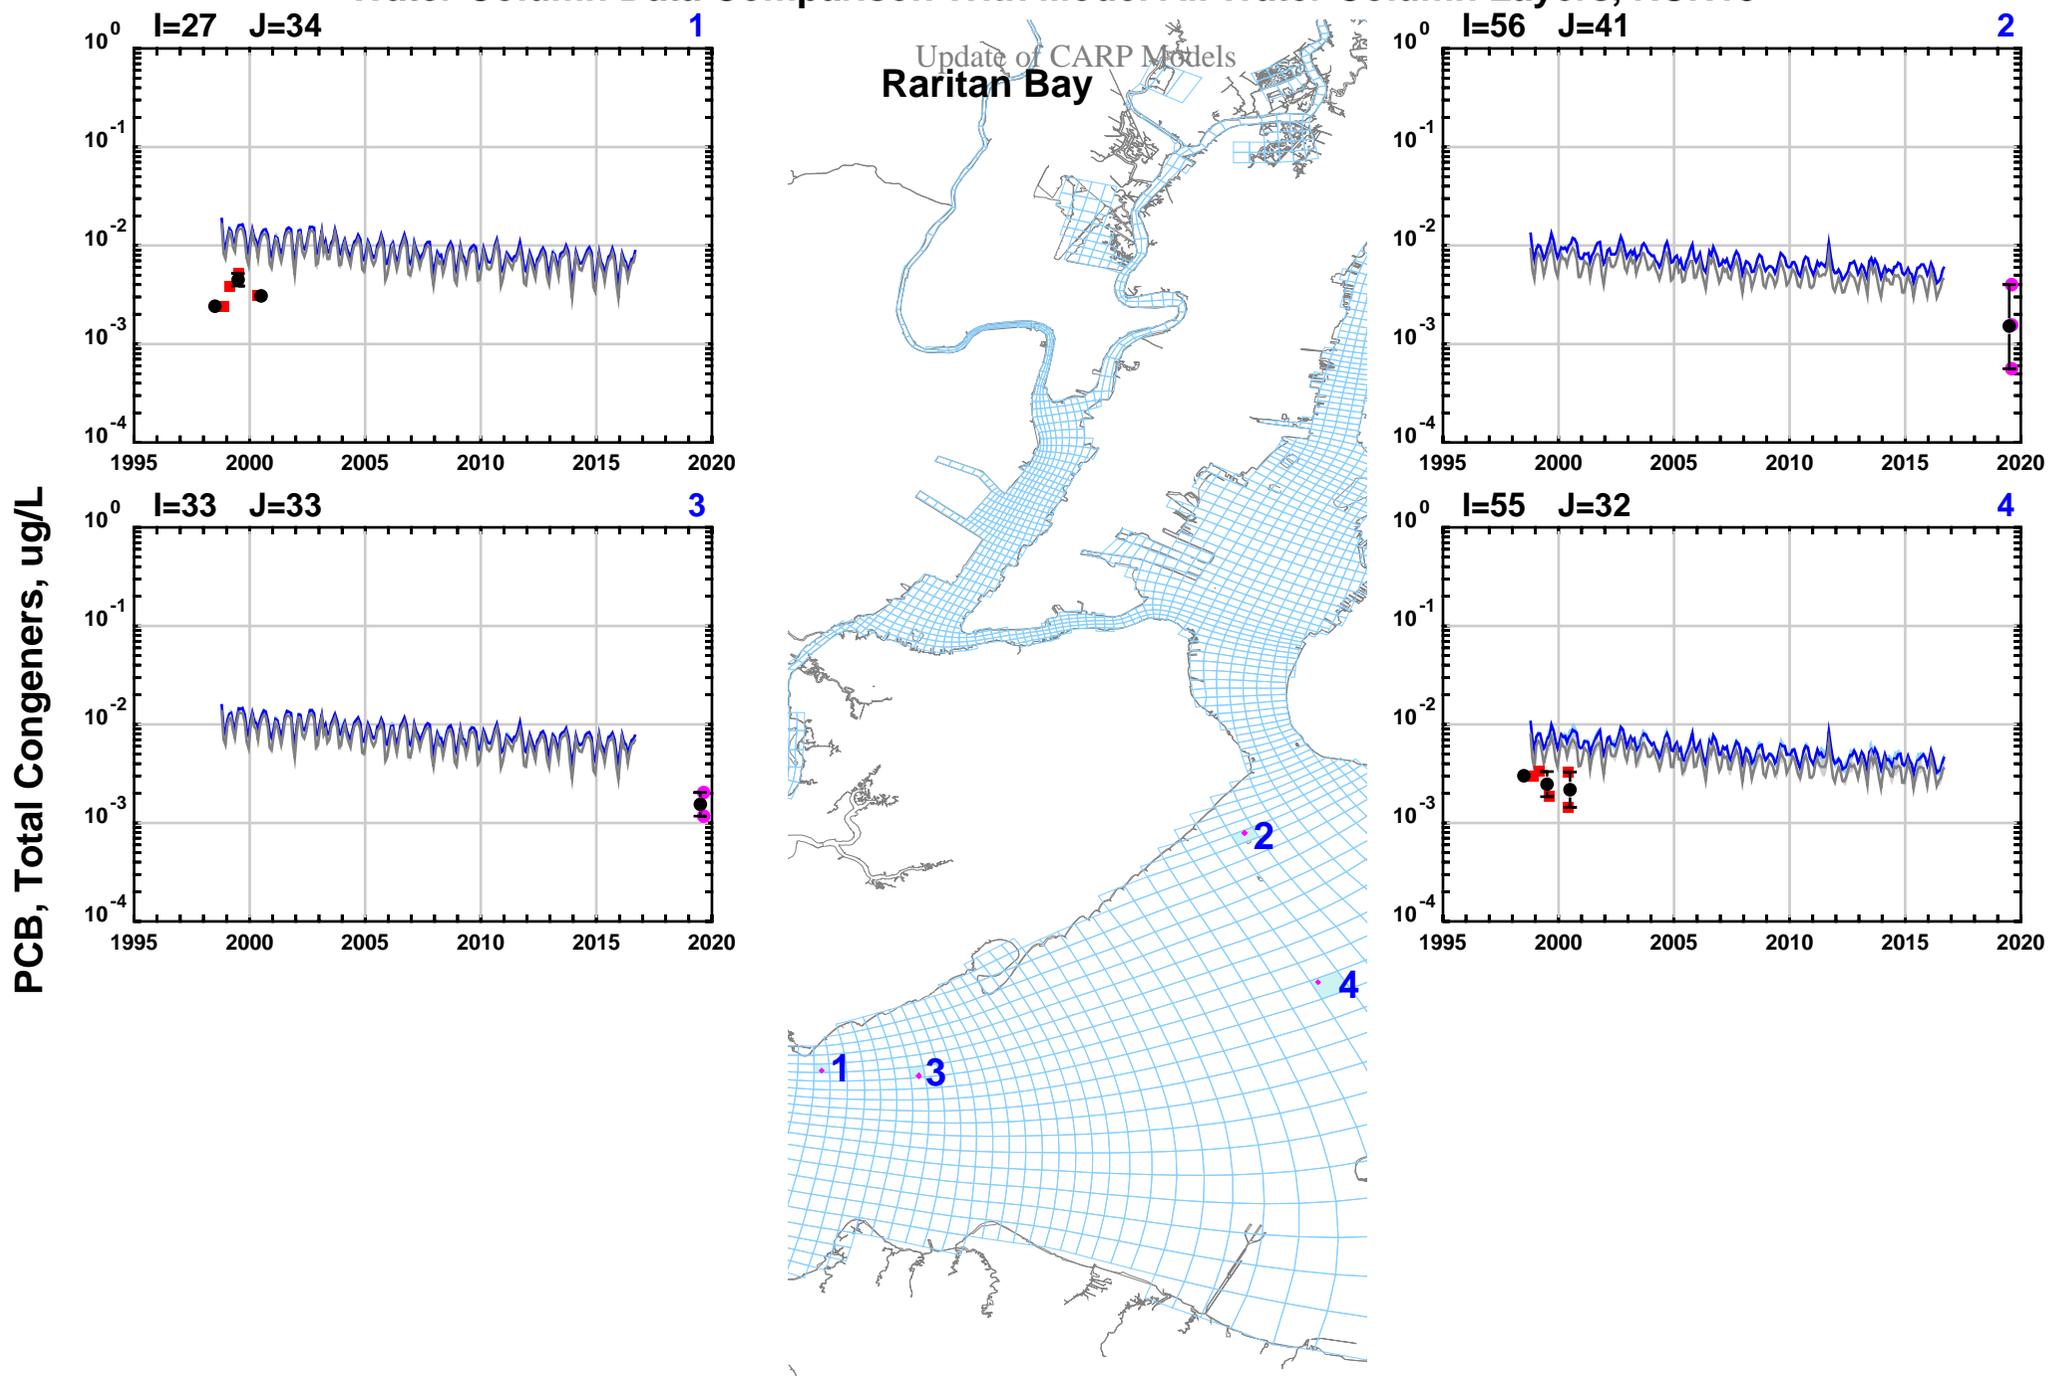

PCB, Total Congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

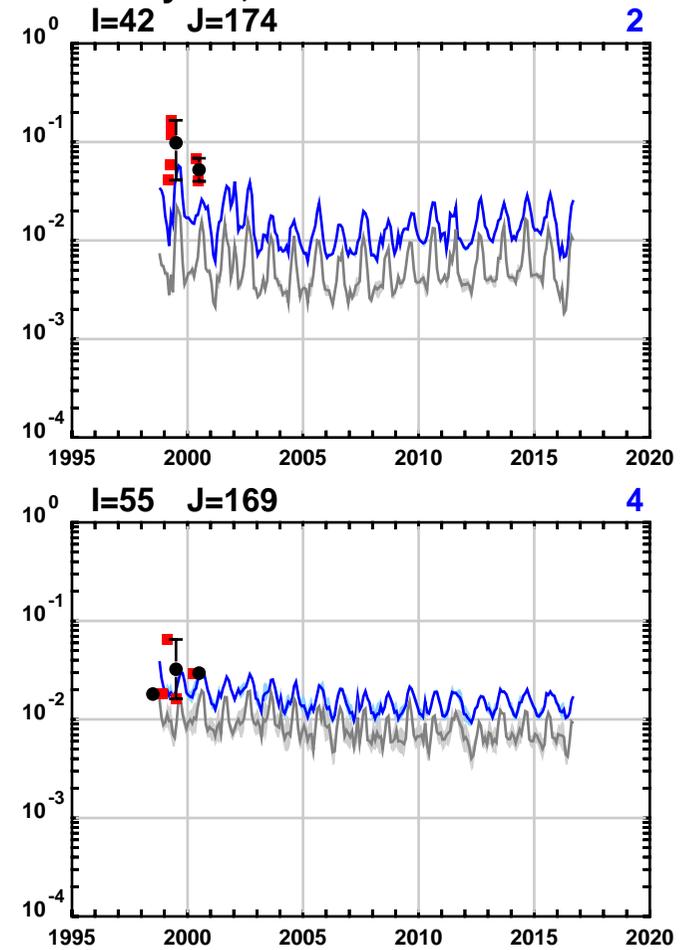

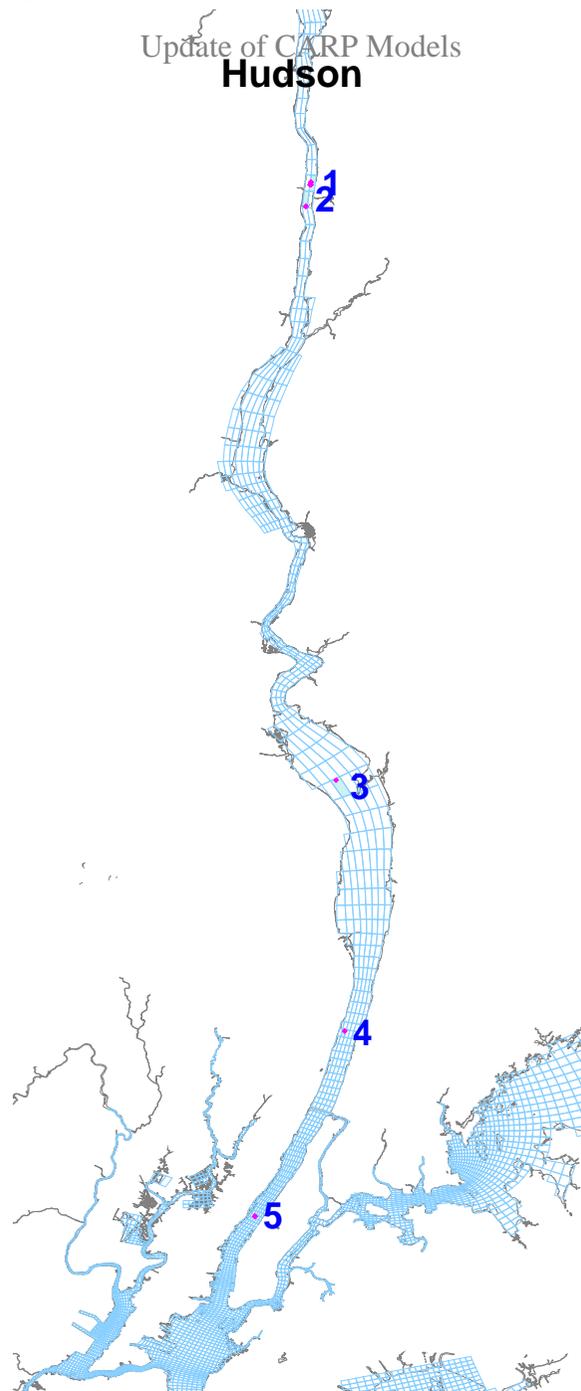

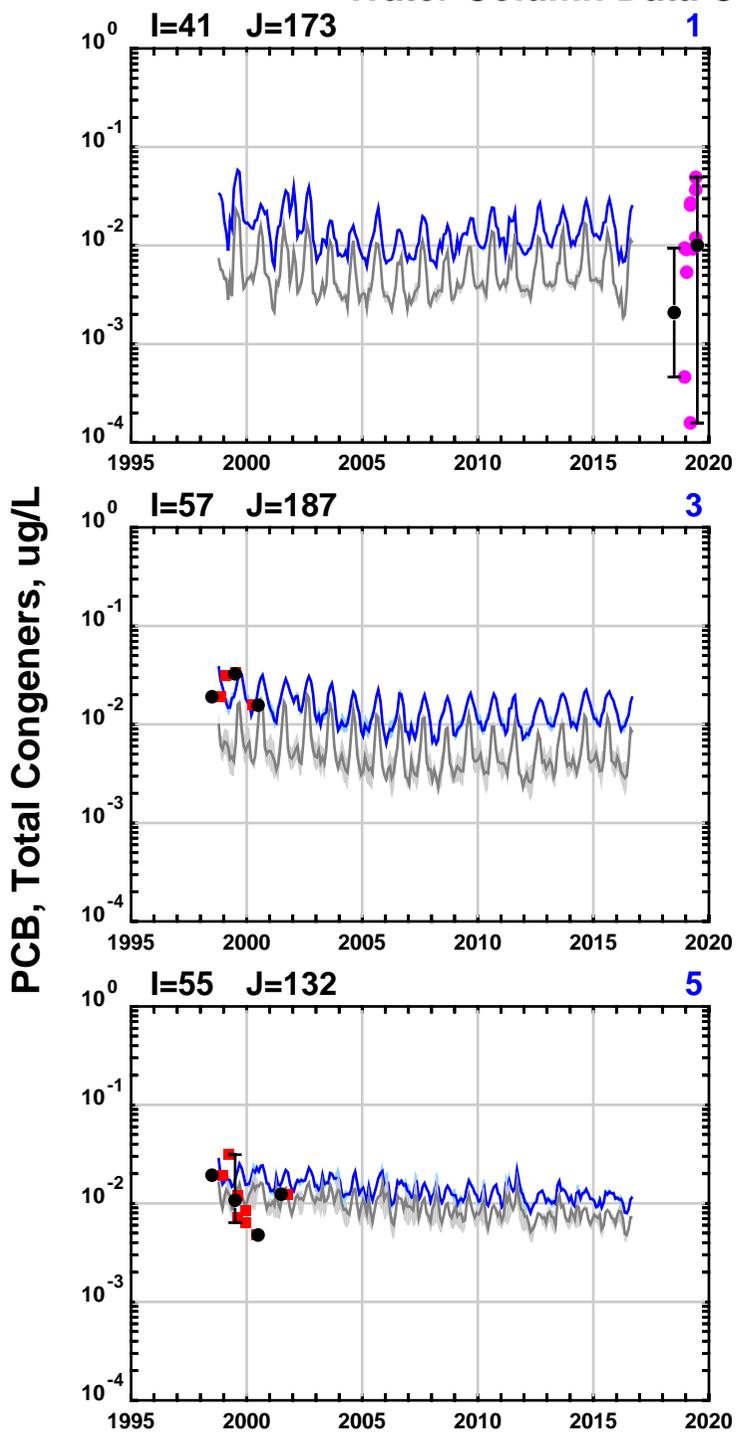

Detect Data Non-Detect Data
Model: mean and range of values in Water Column
Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models
Hudson

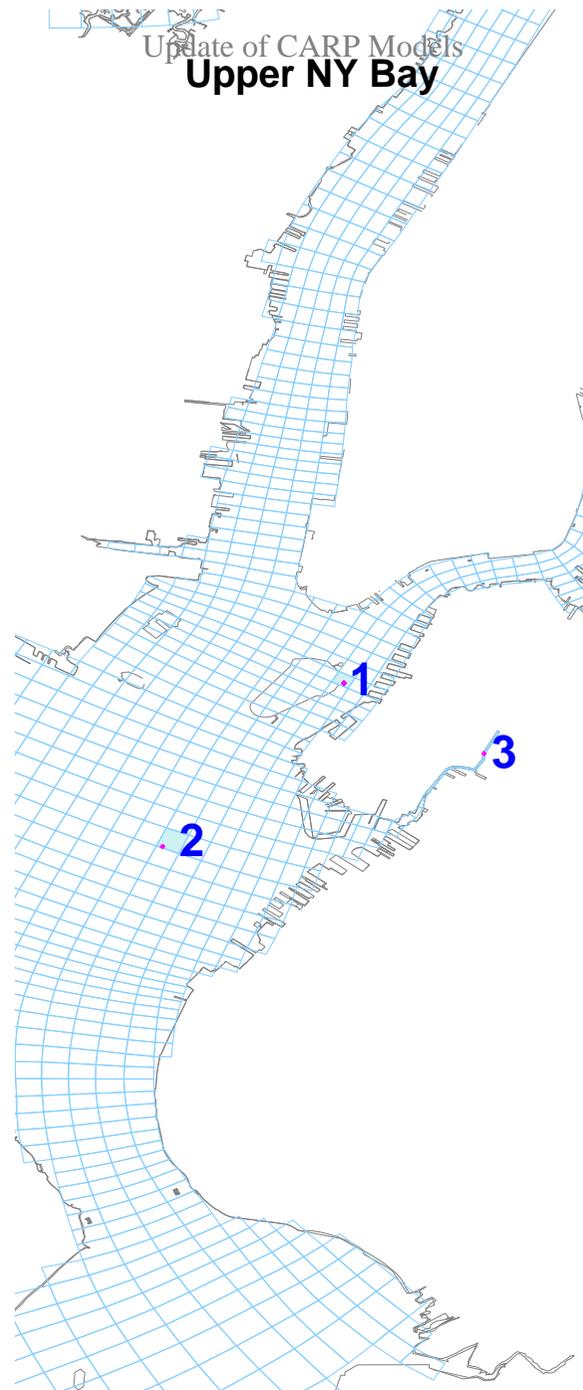

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

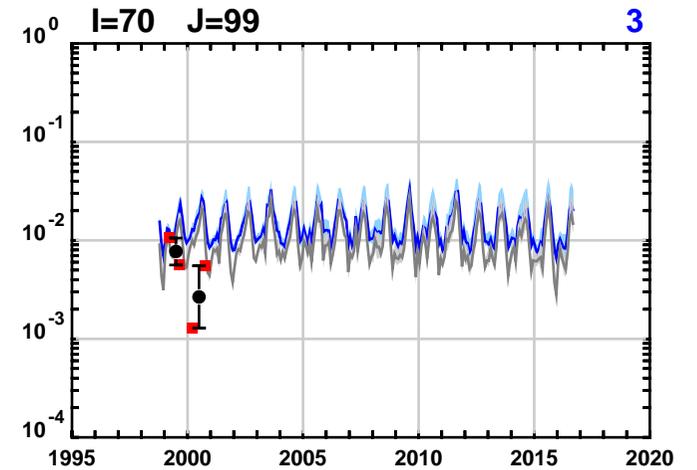

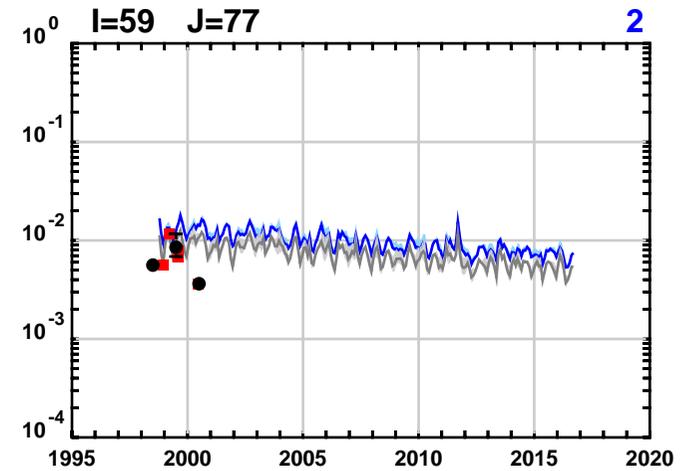

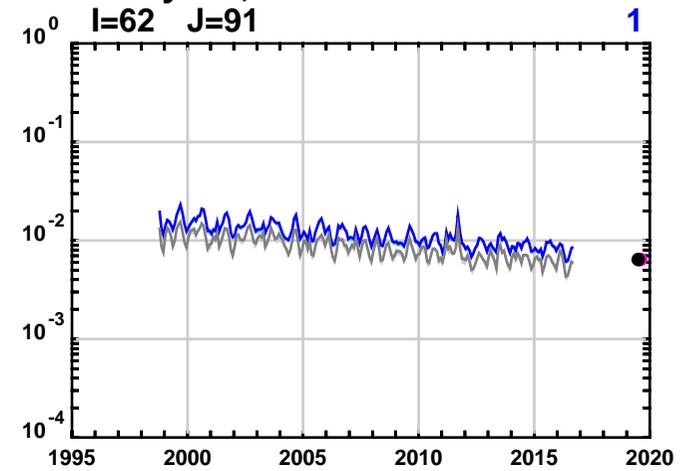

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

PCB, Total Congeners, ug/L

Update of CARP Models
Upper NY Bay

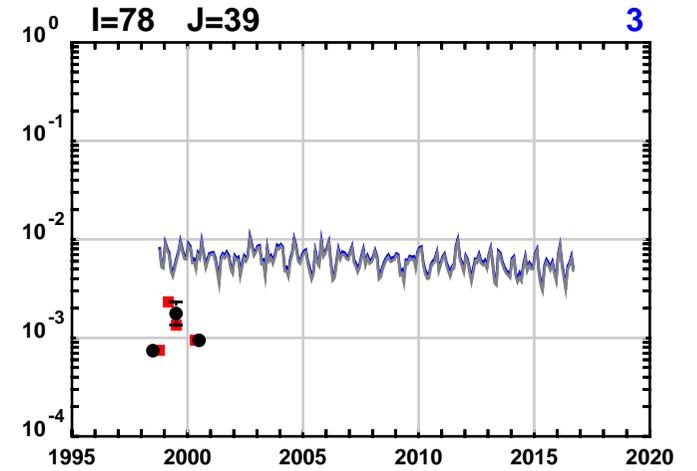

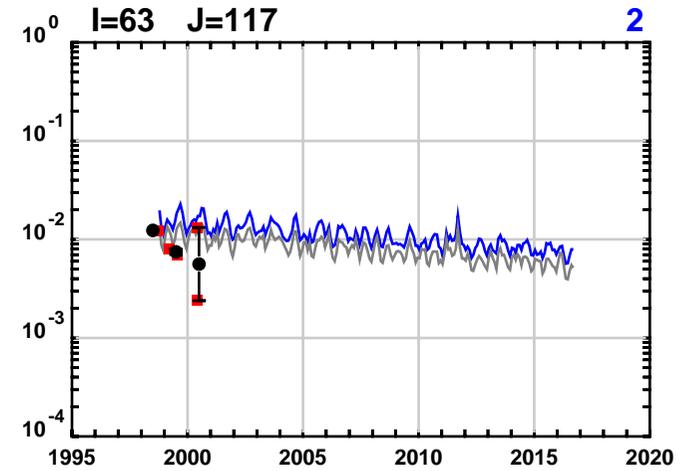

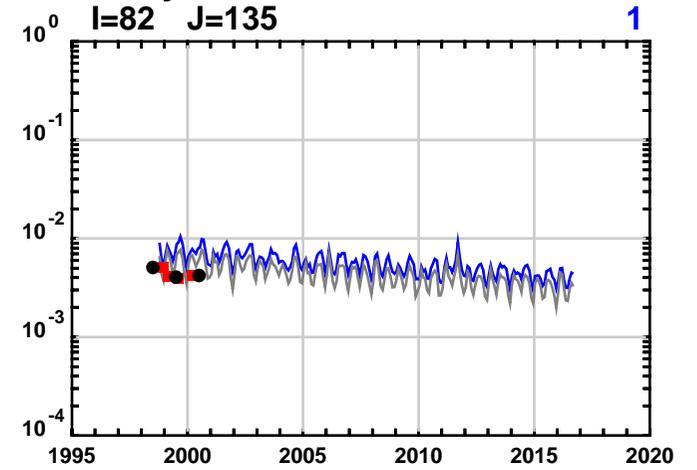

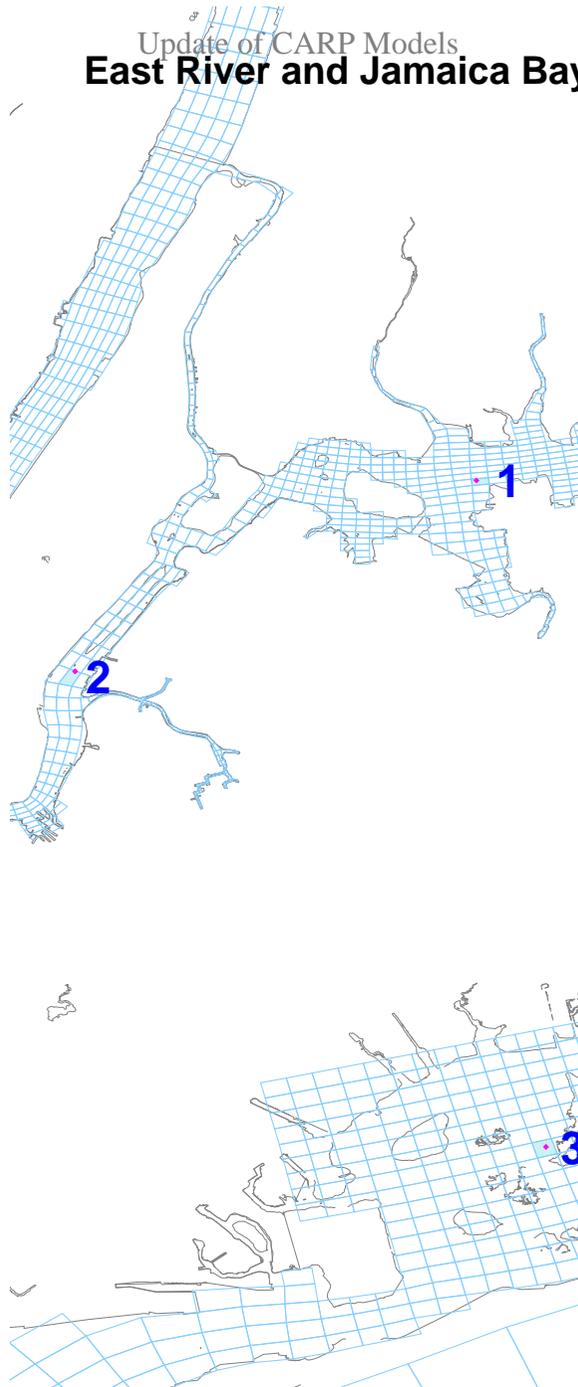

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18

Update of CARP Models East River and Jamaica Bay

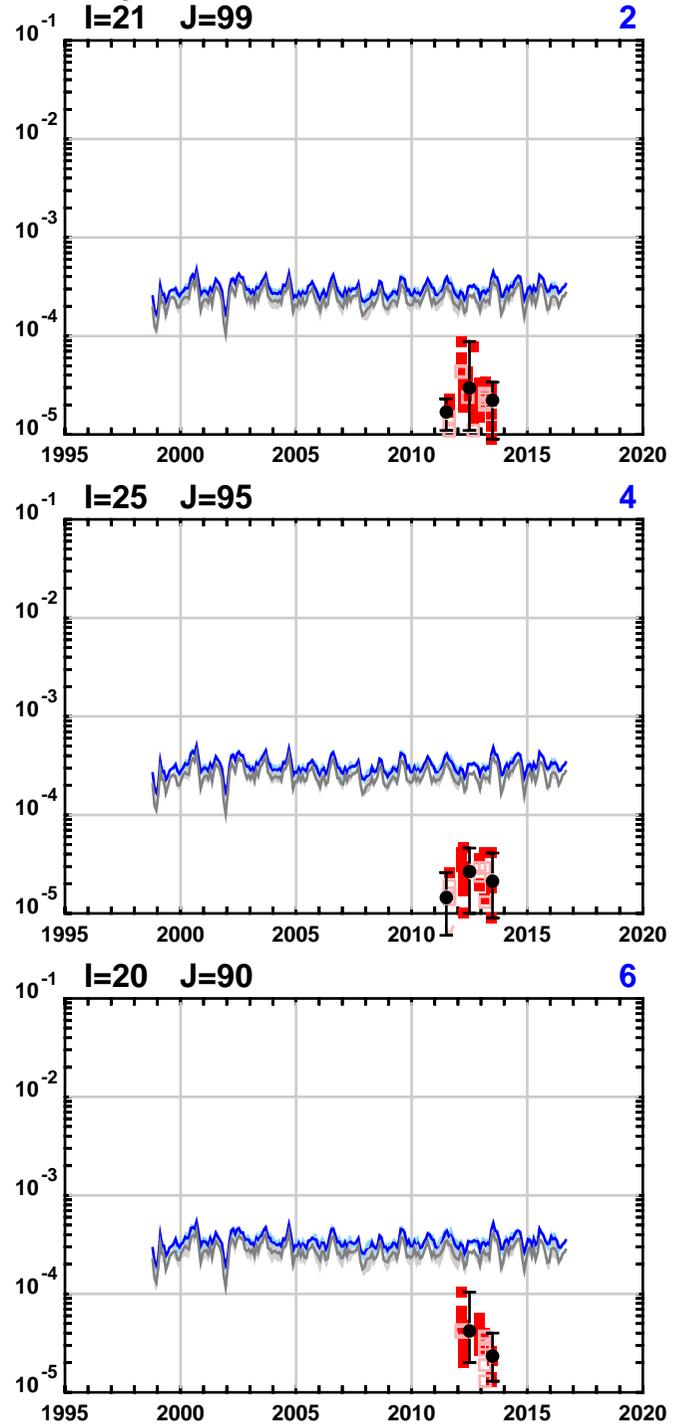

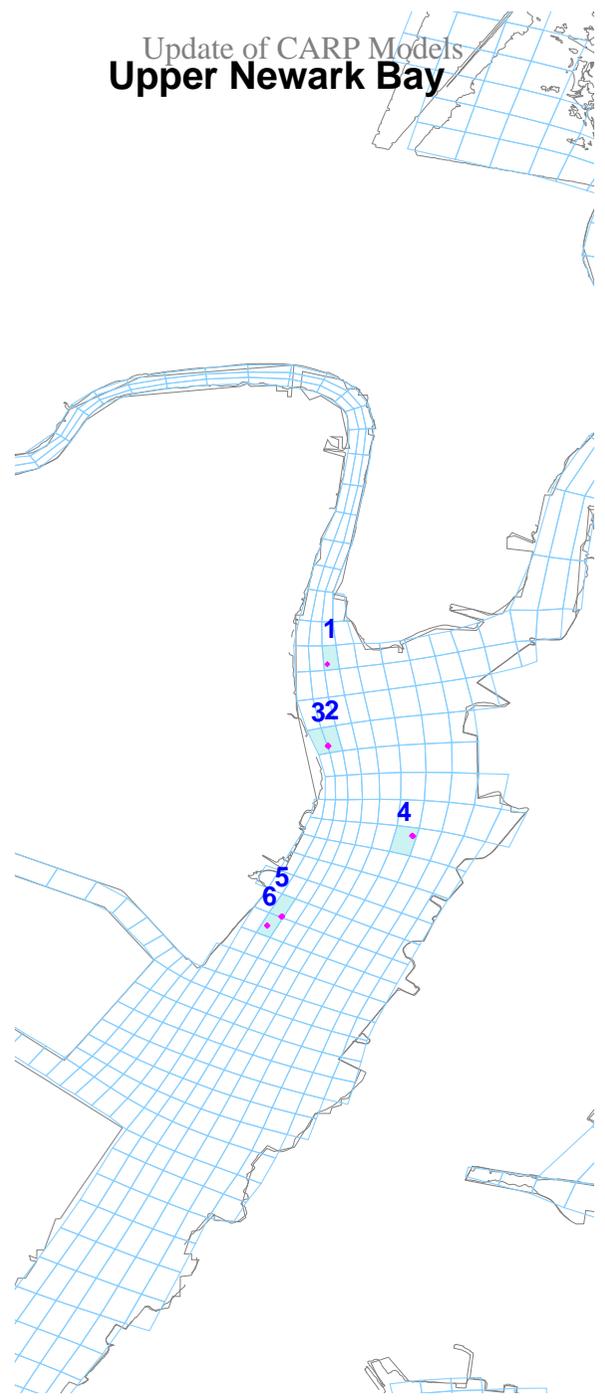

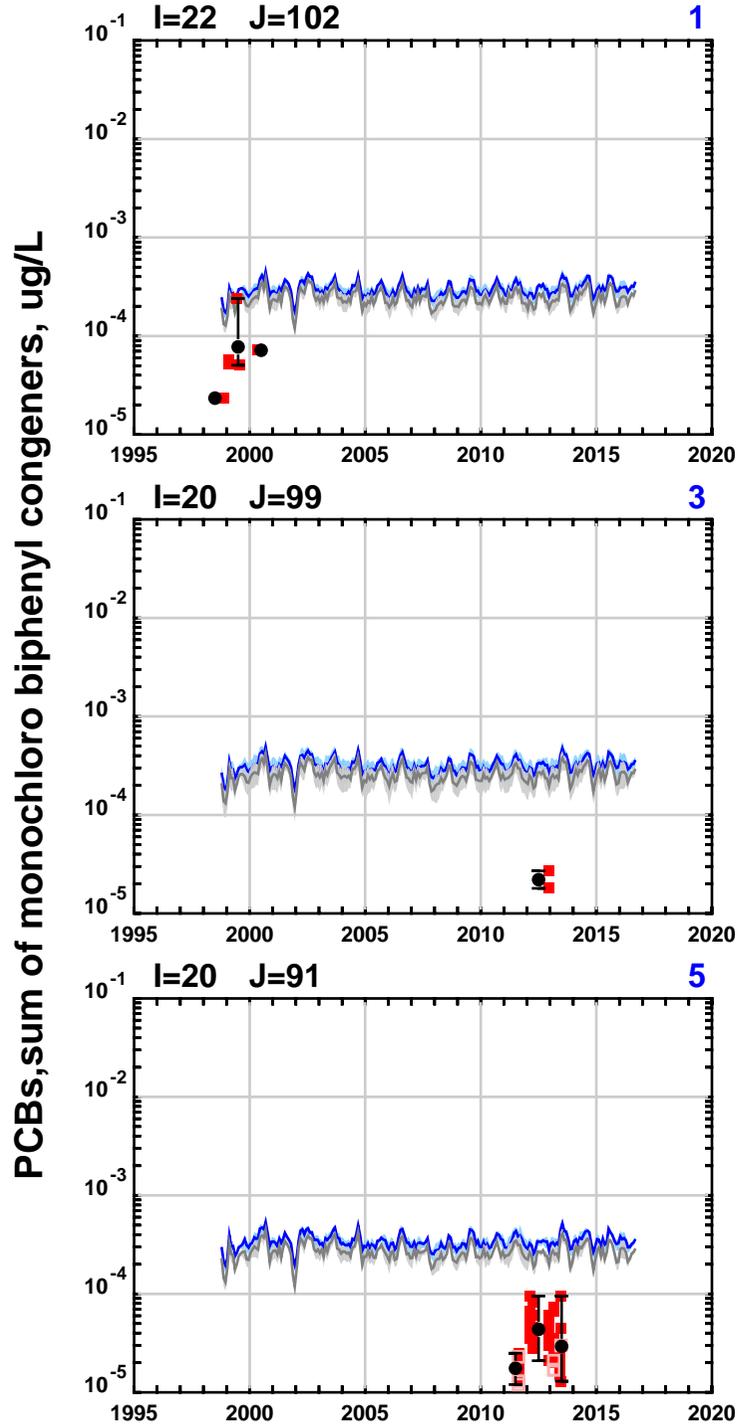

PCB, Total Congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

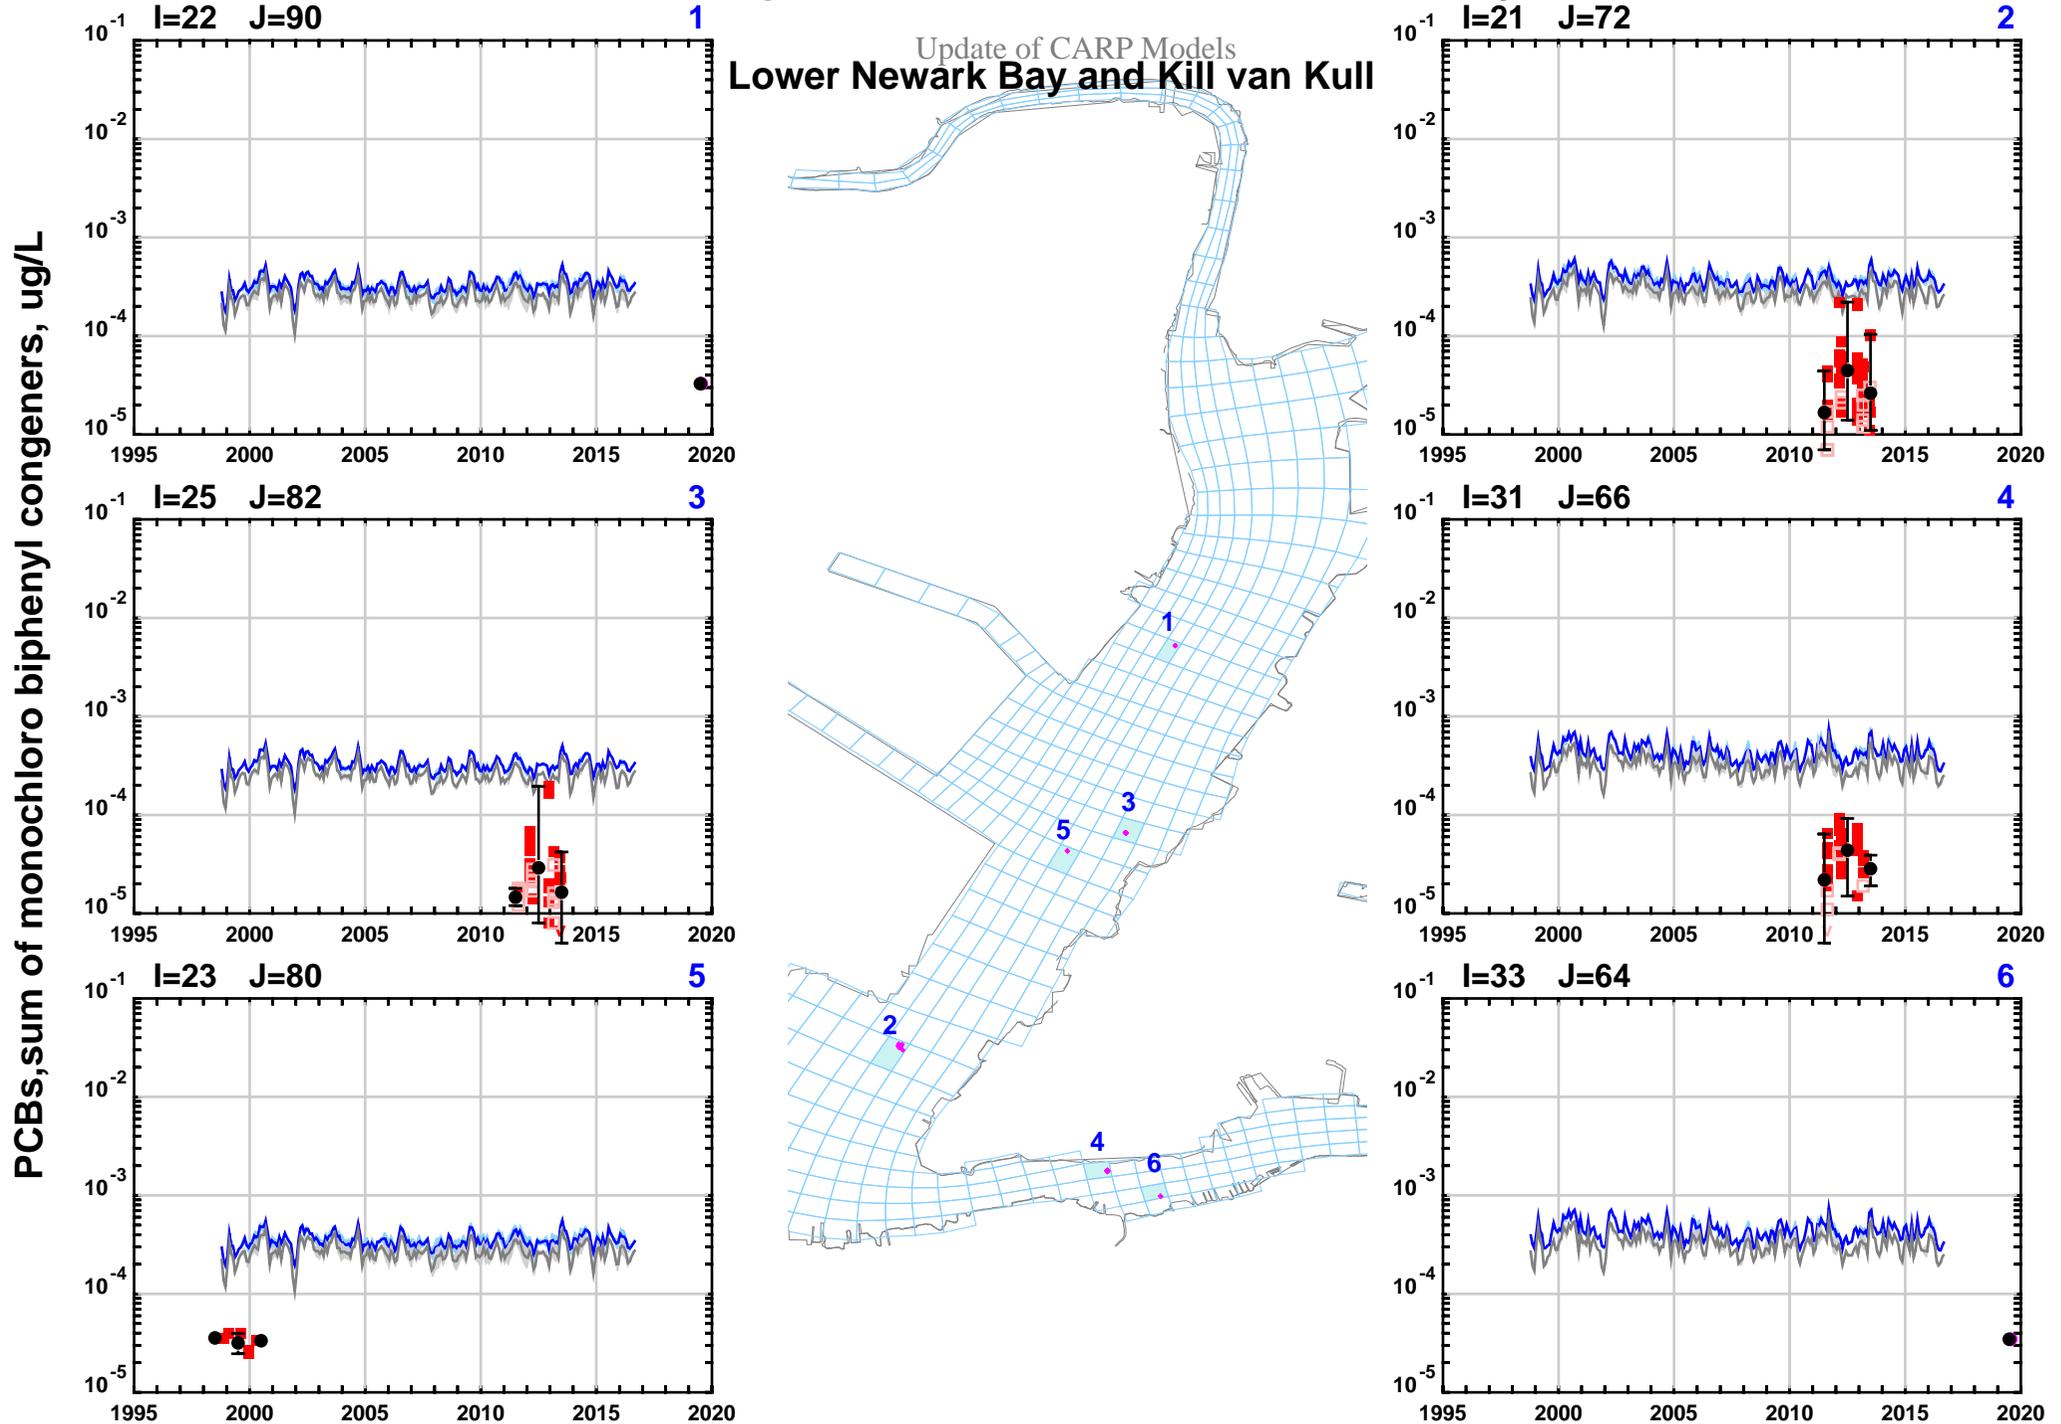

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

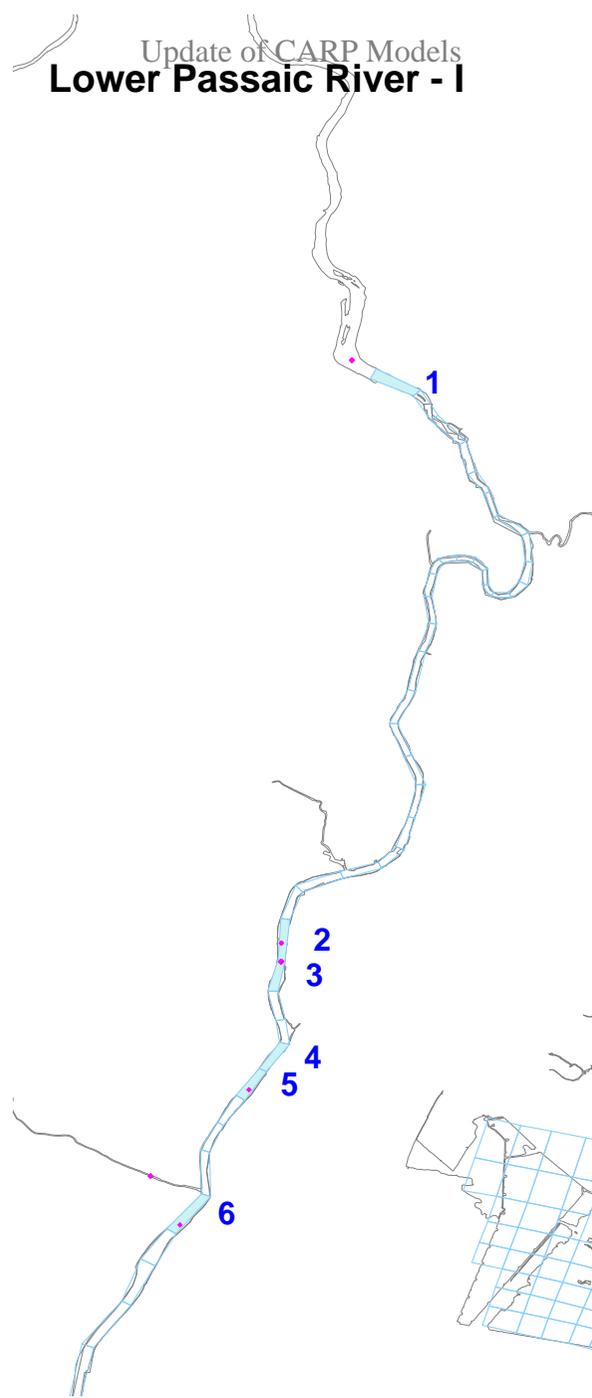

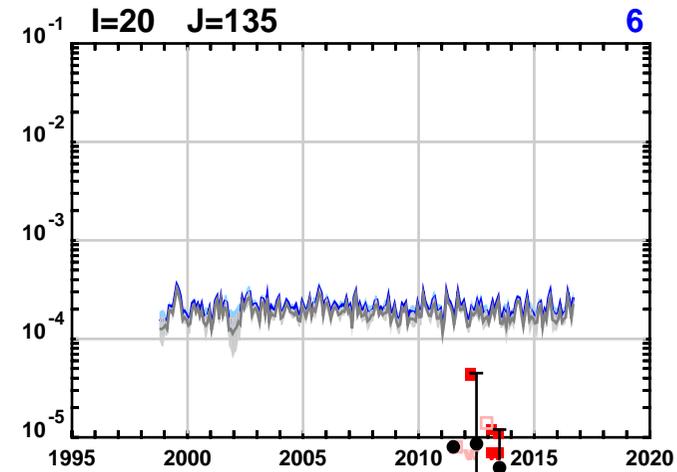

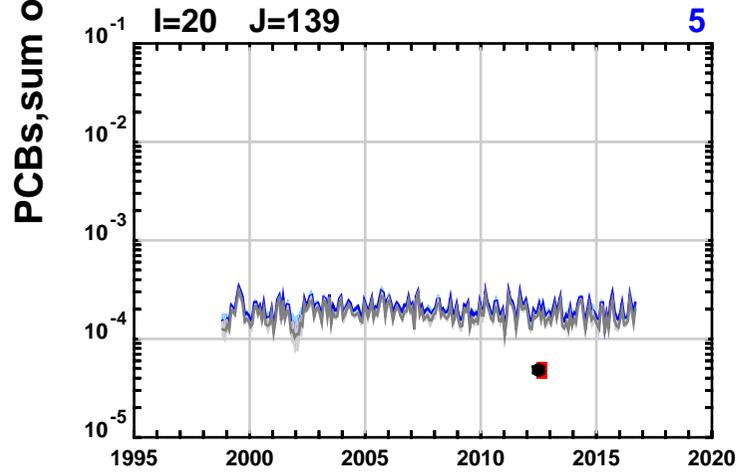

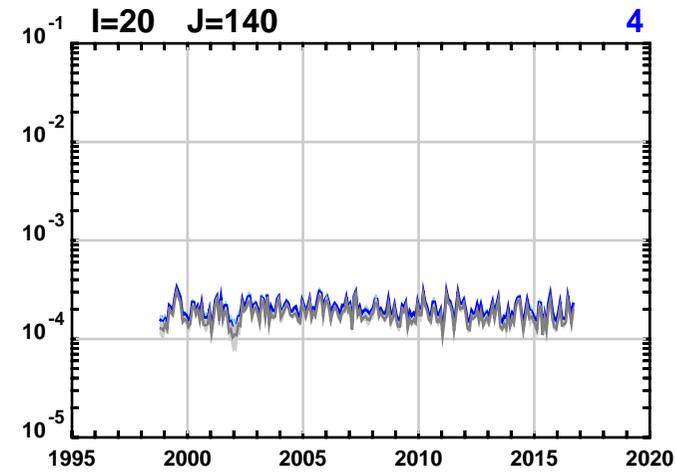

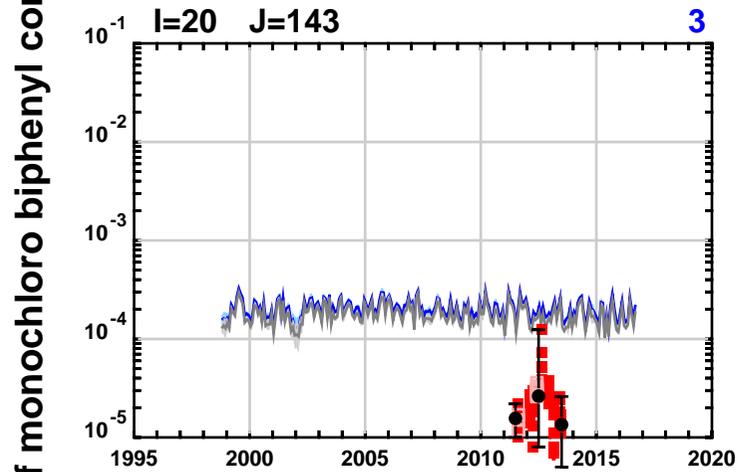

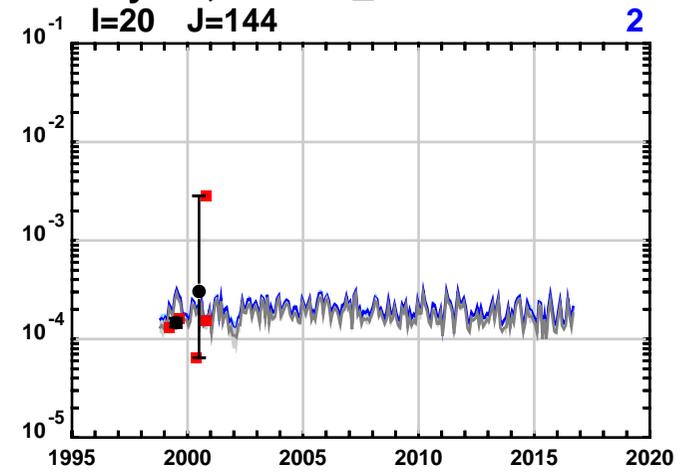

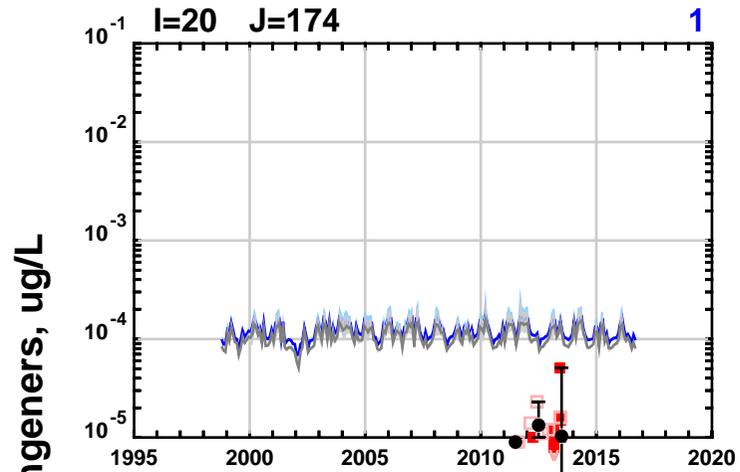

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

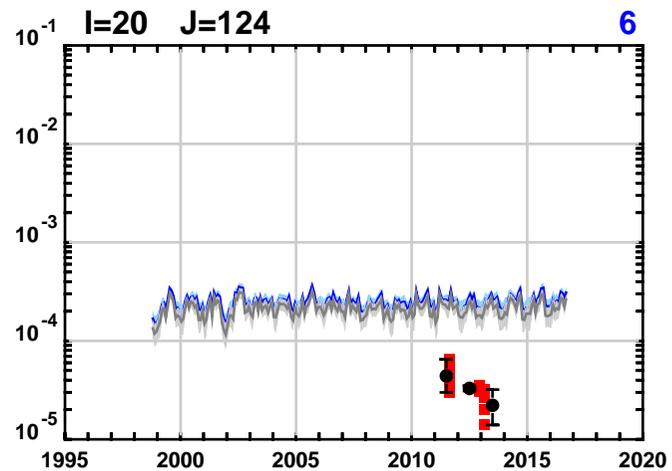

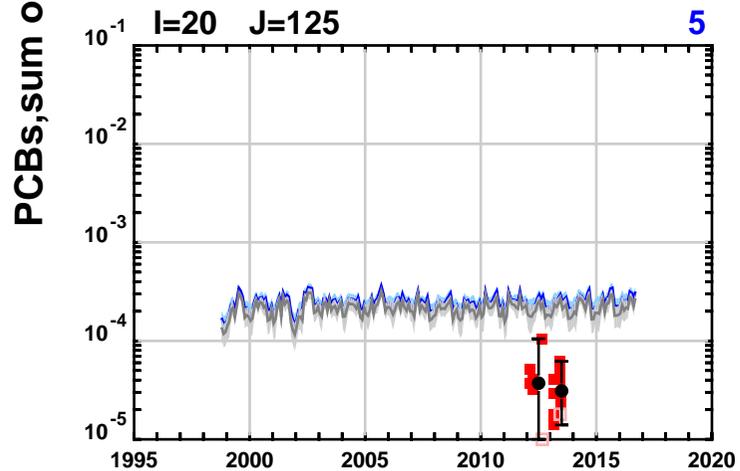

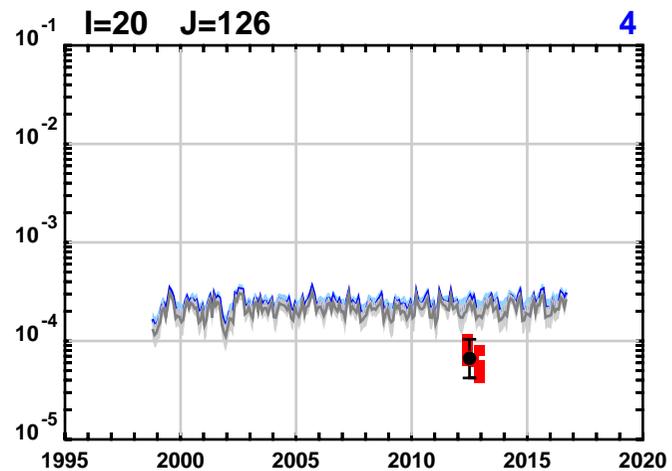

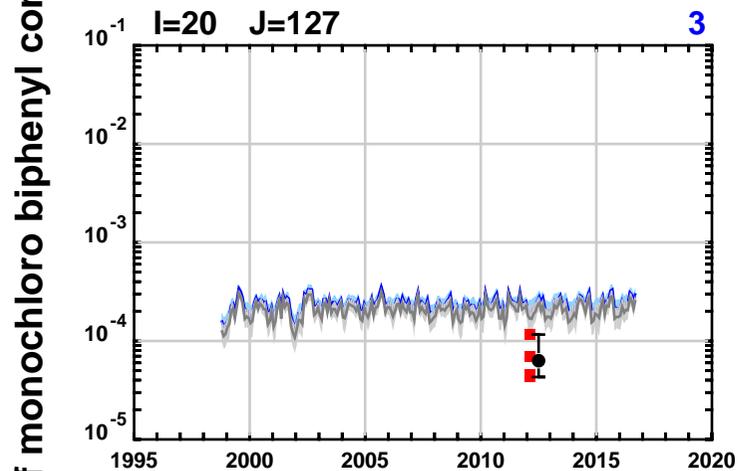

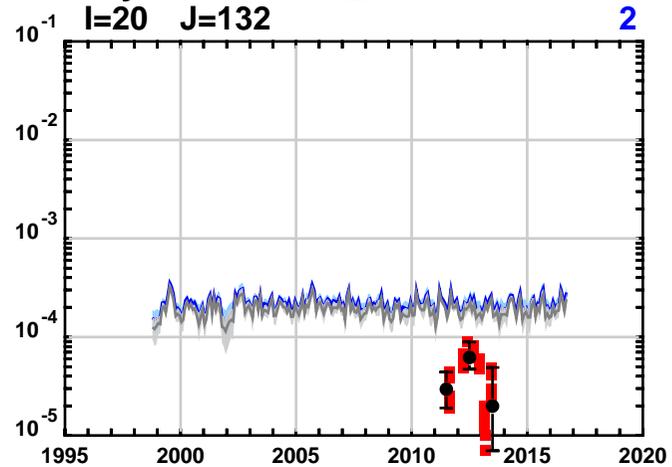

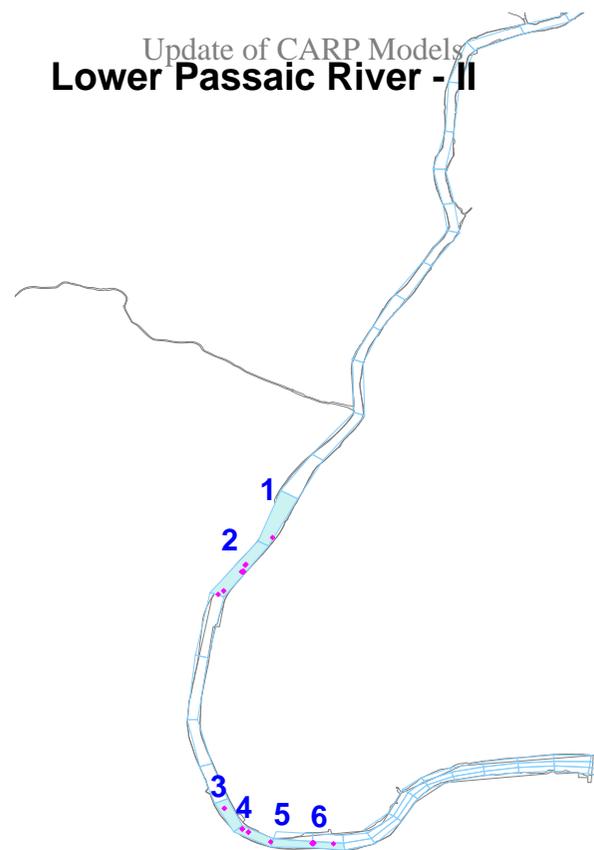

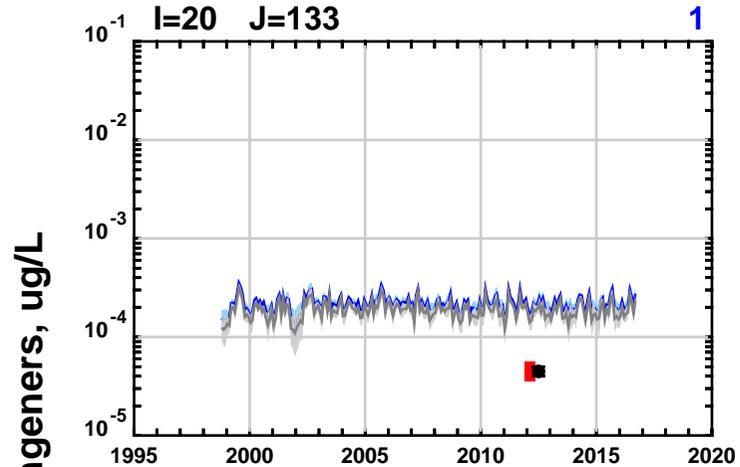

Update of CARP Models Lower Passaic River - I

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

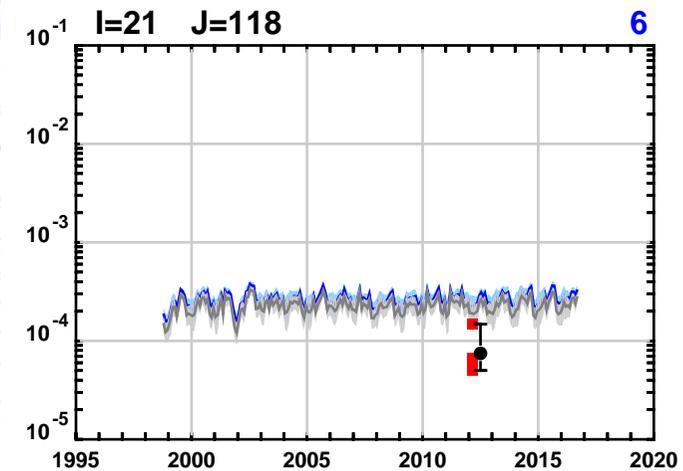

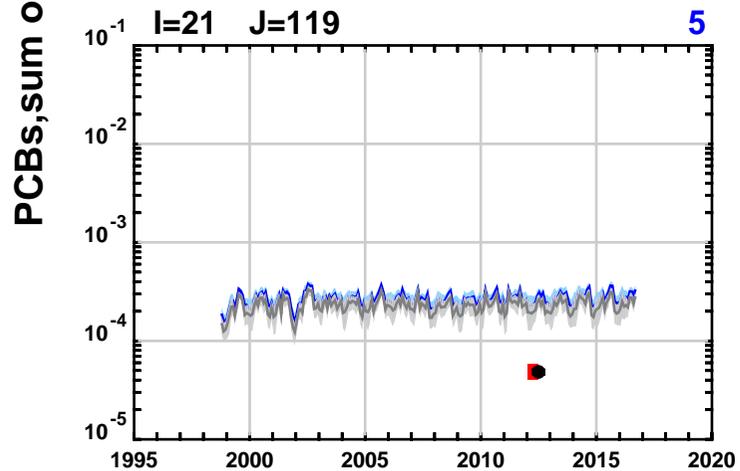

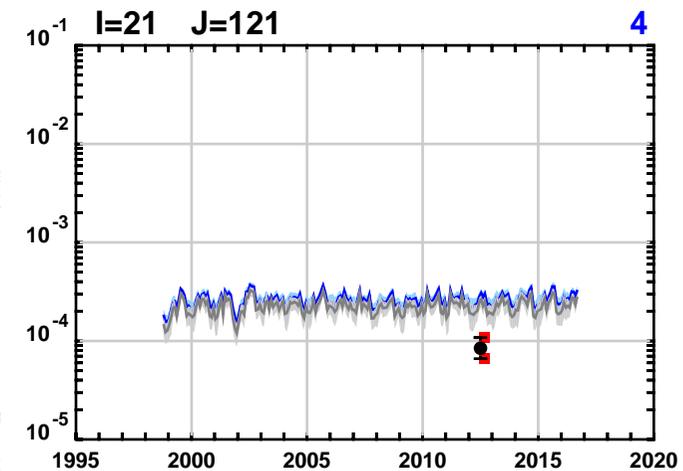

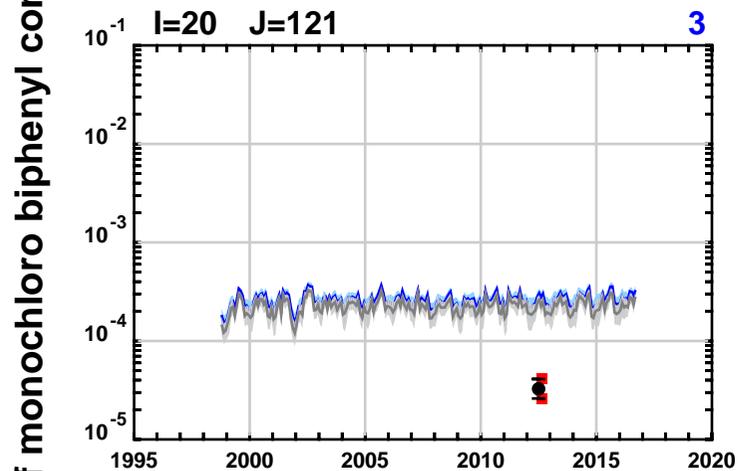

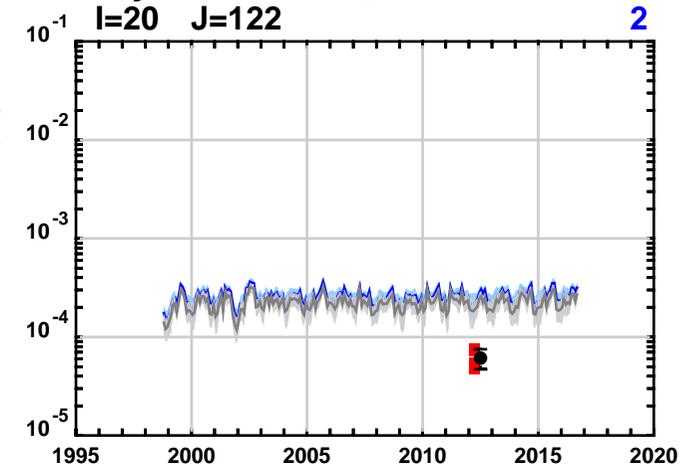

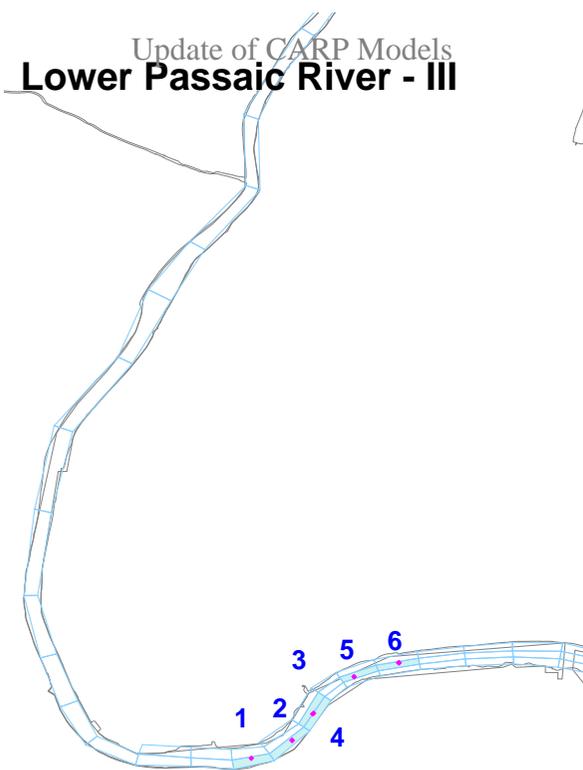

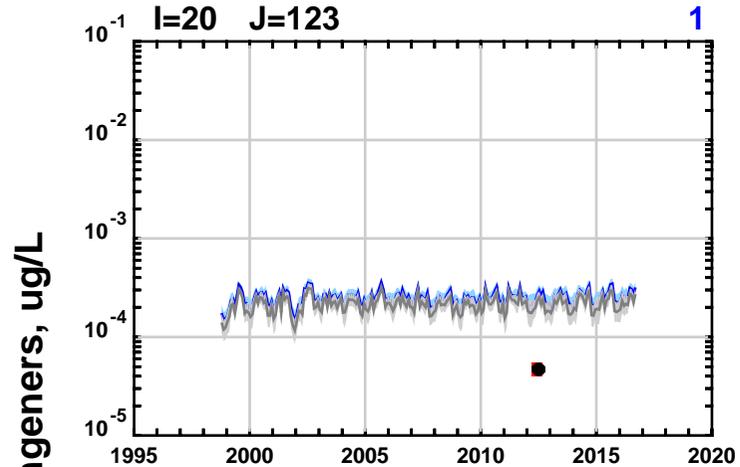

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

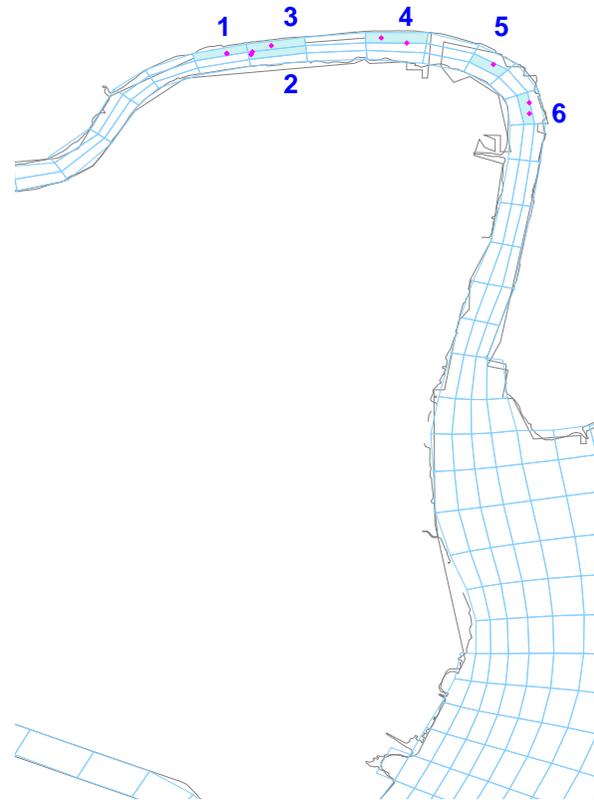

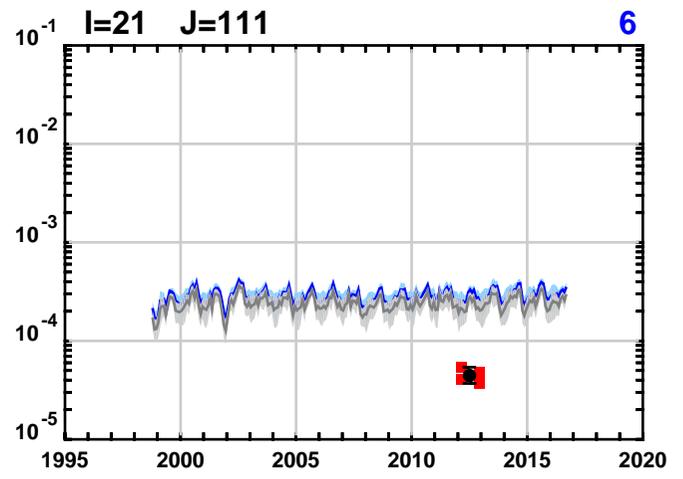

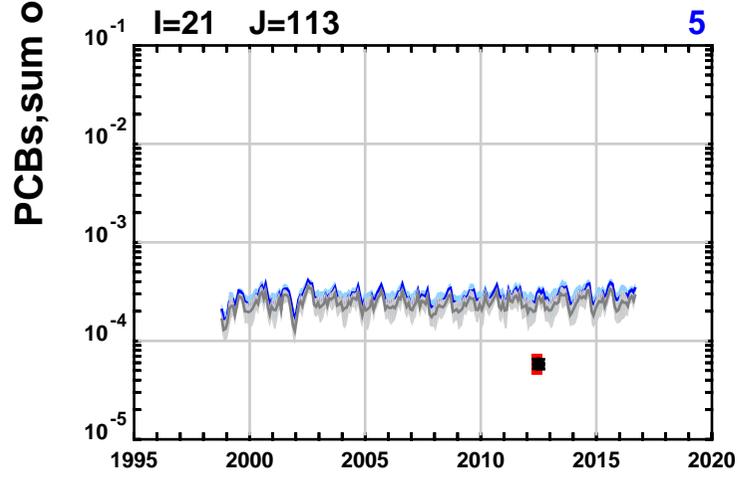

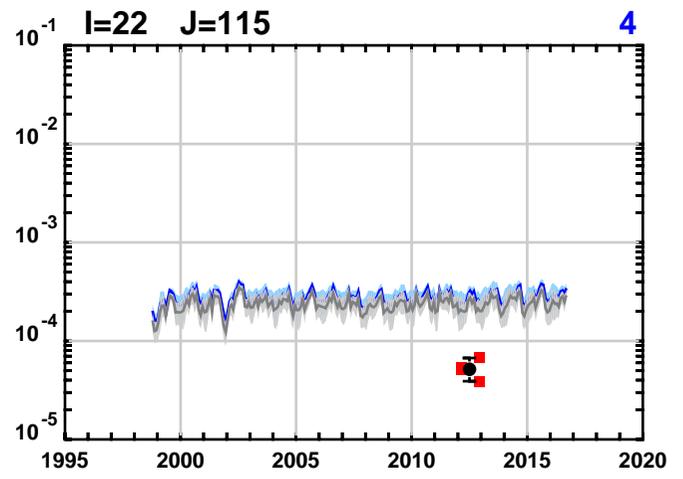

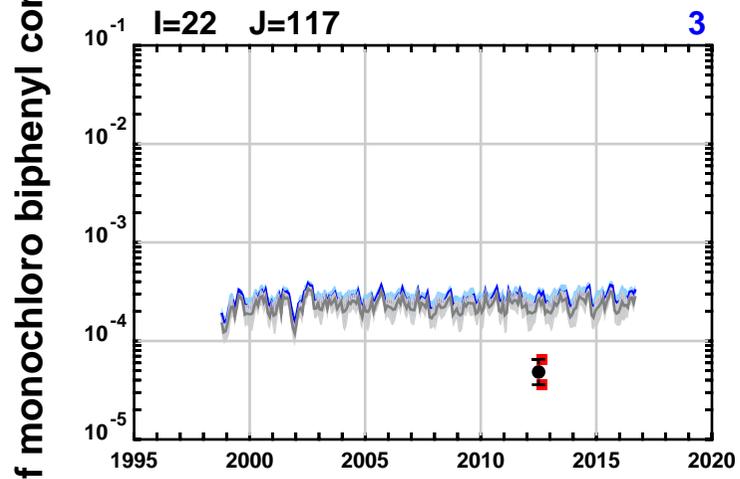

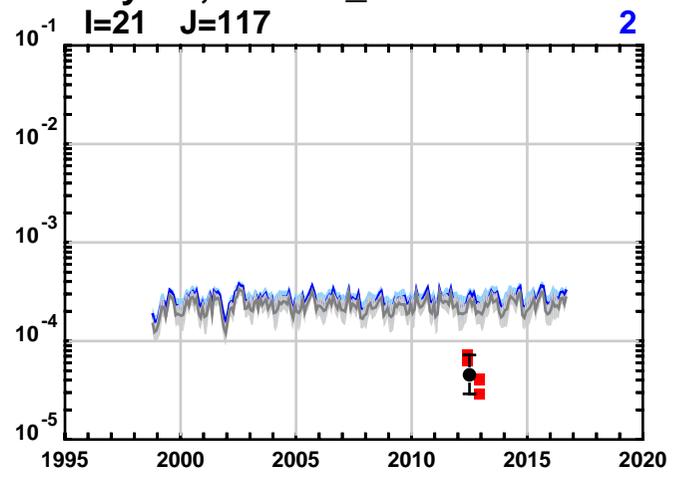

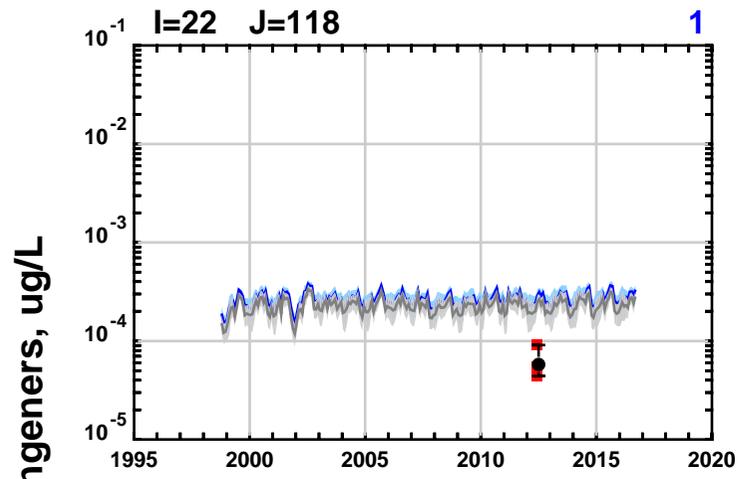

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

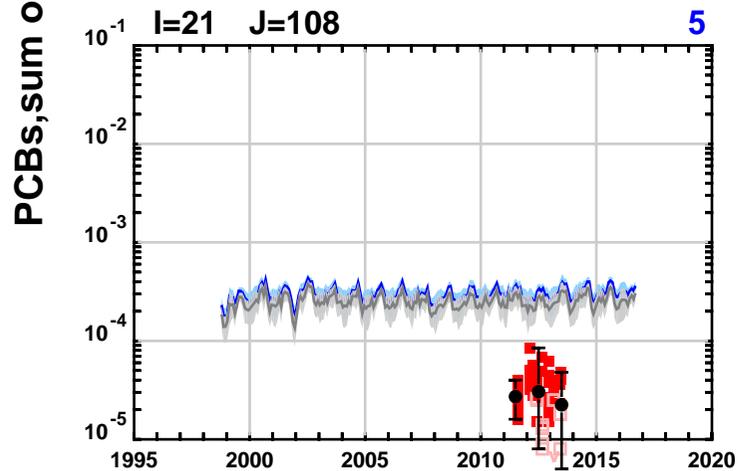

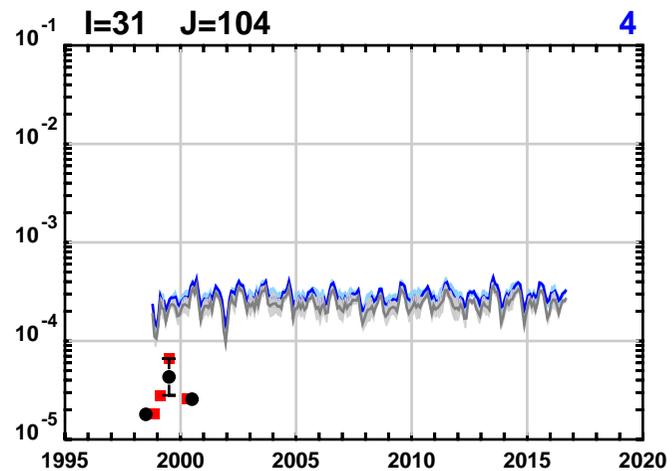

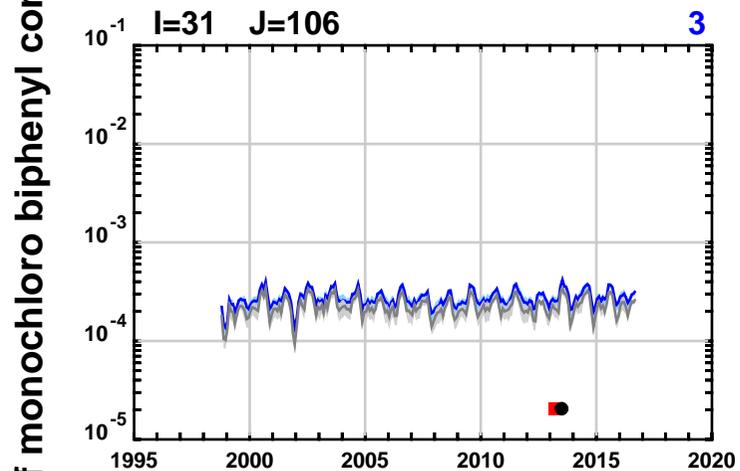

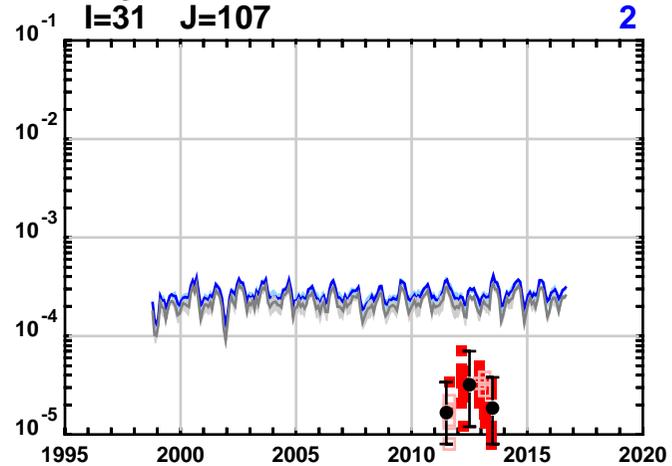

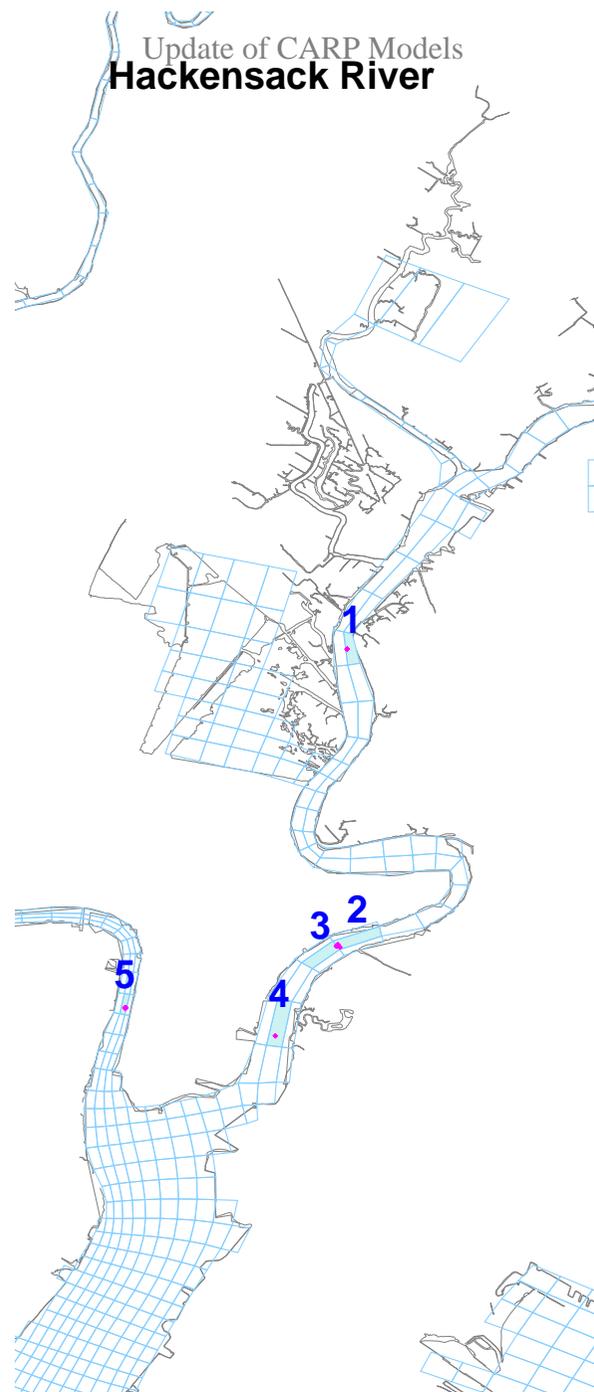

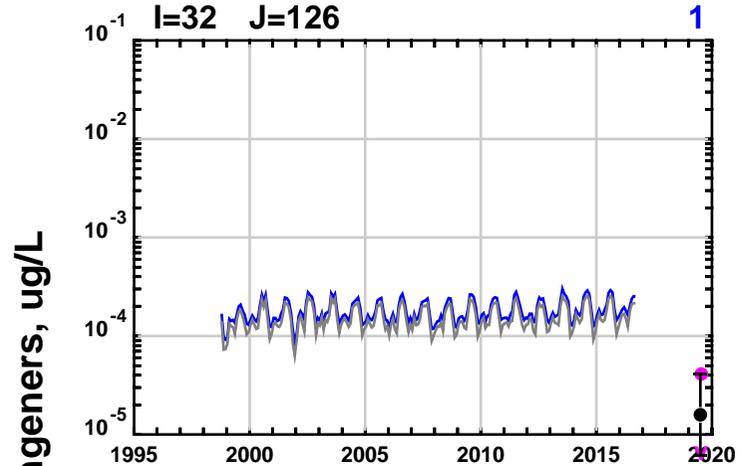

Update of CARP Models
Lower Passaic River - IV

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

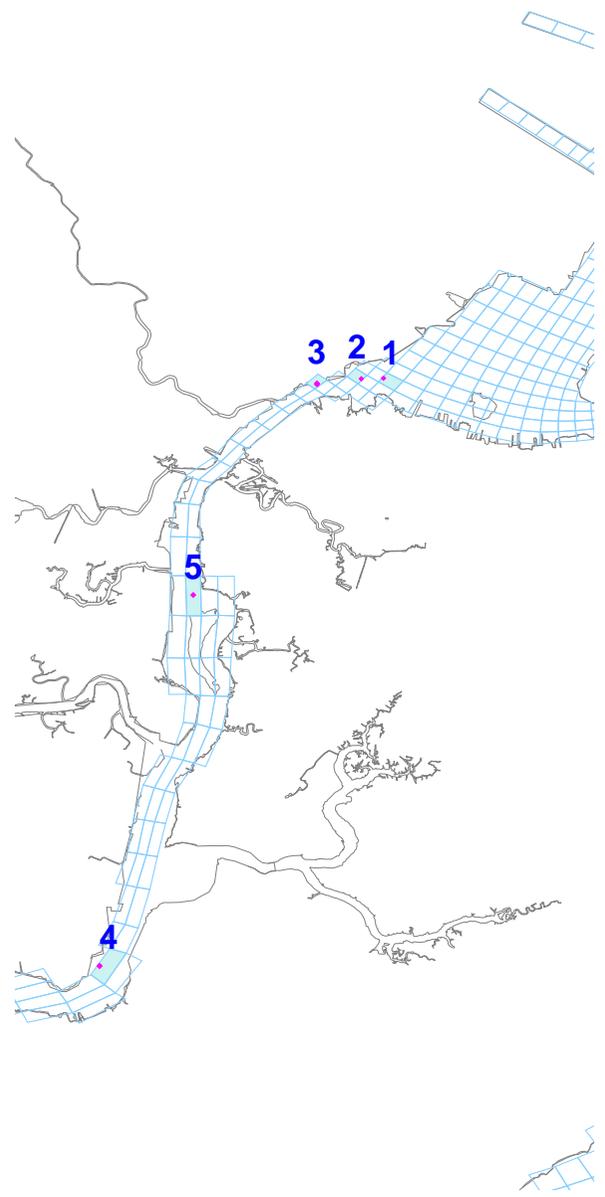

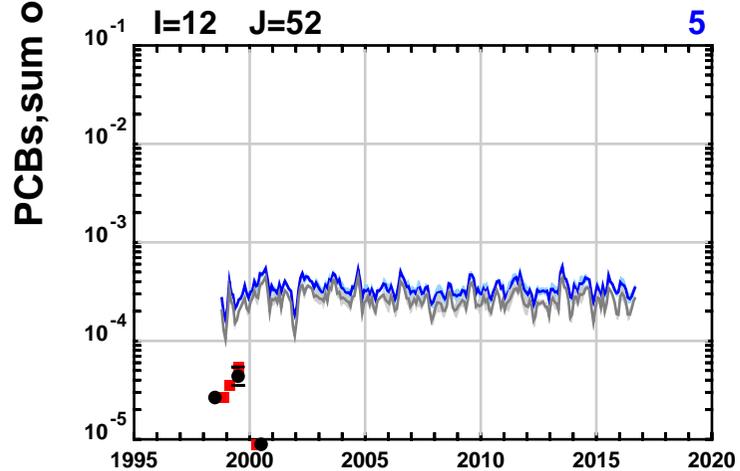

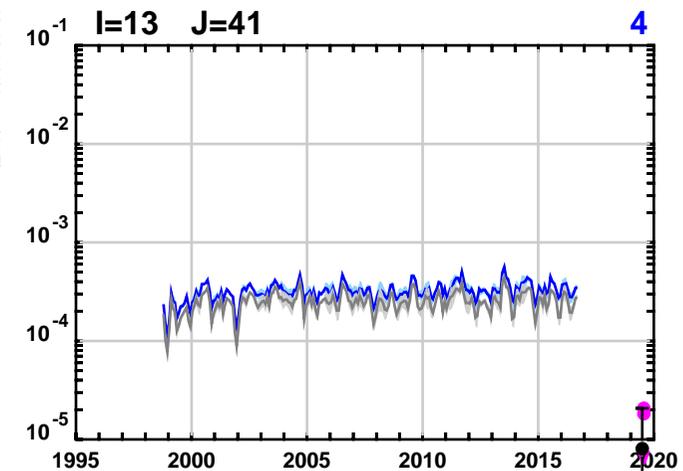

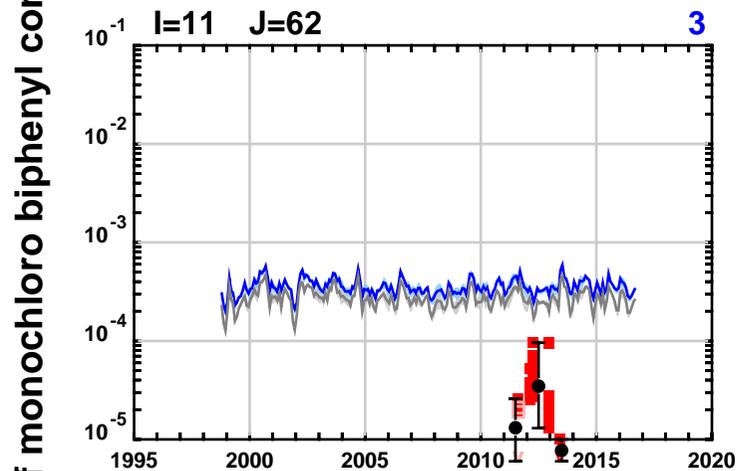

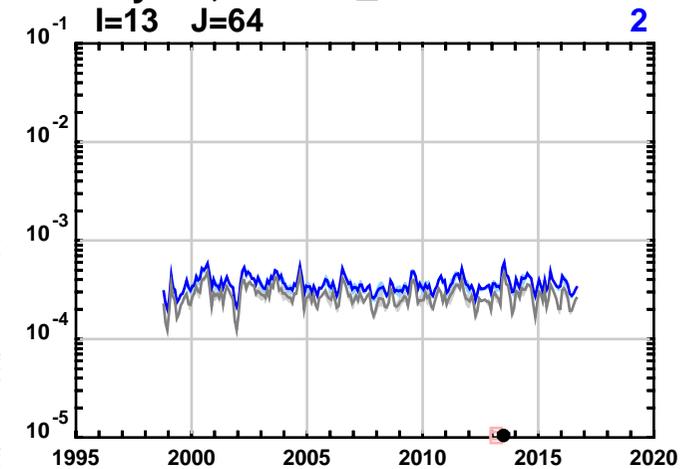

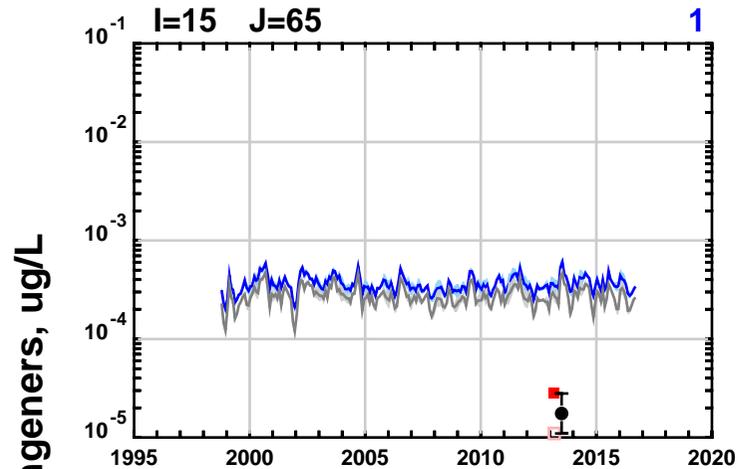

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

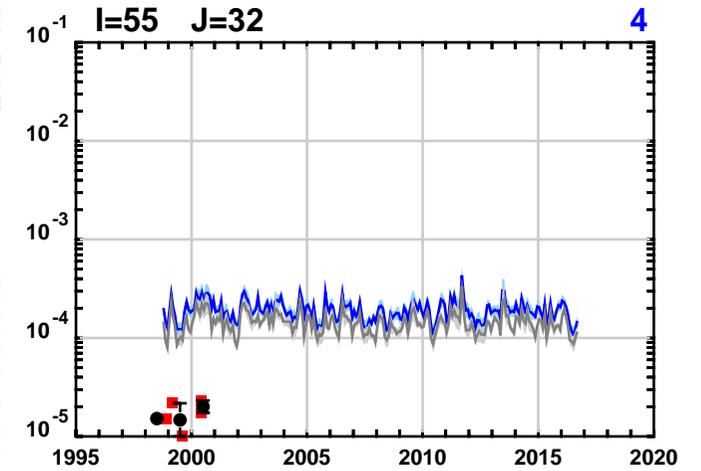

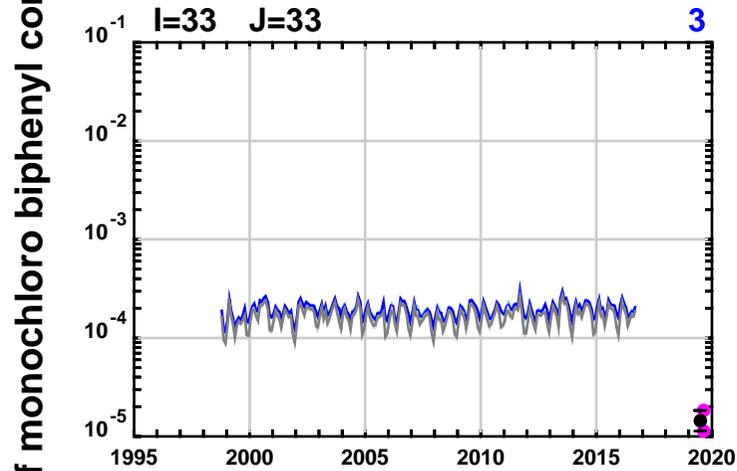

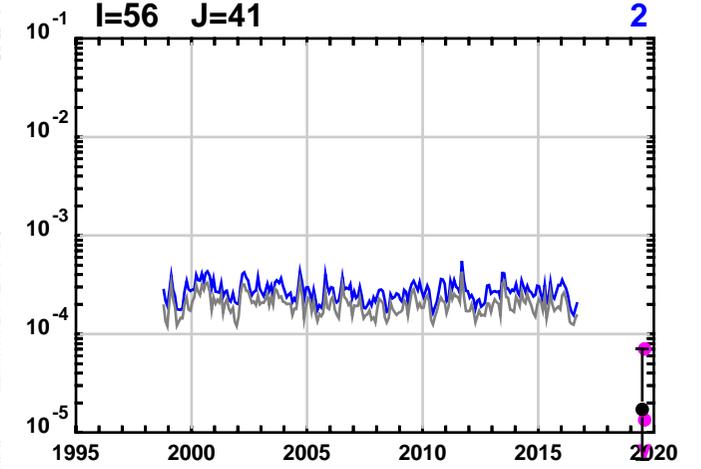

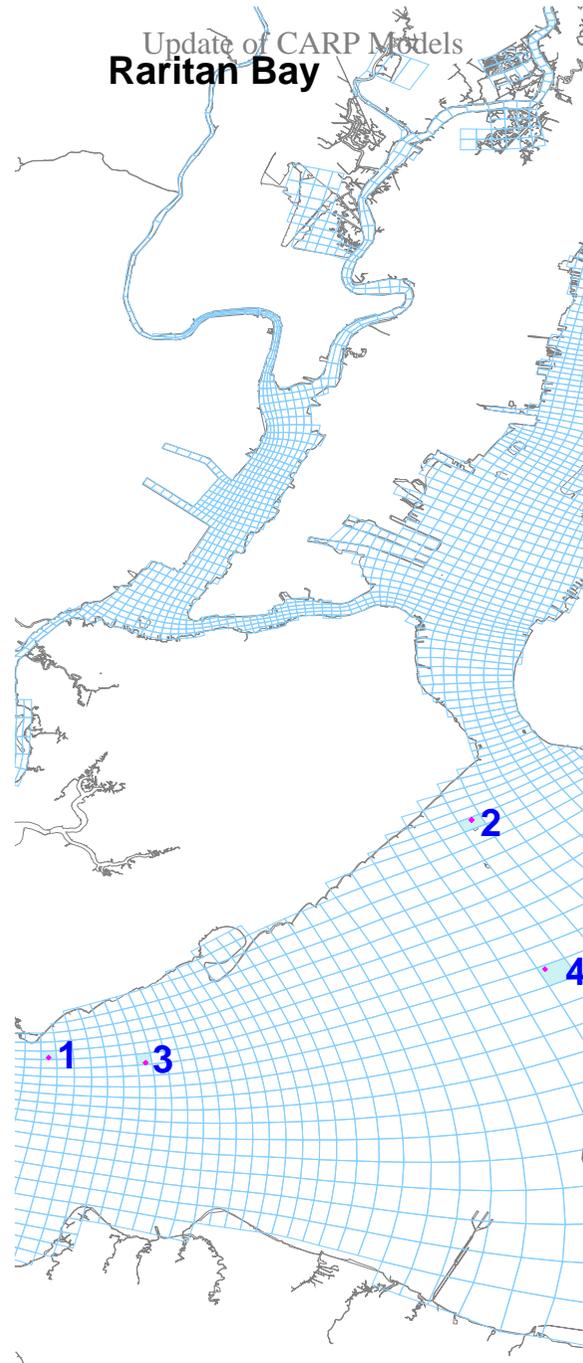

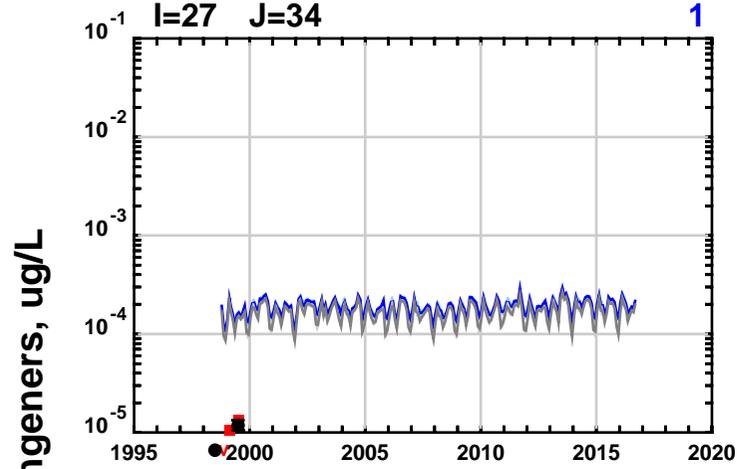

Update of CARP Models
Arthur Kill

● Detect Data ● Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

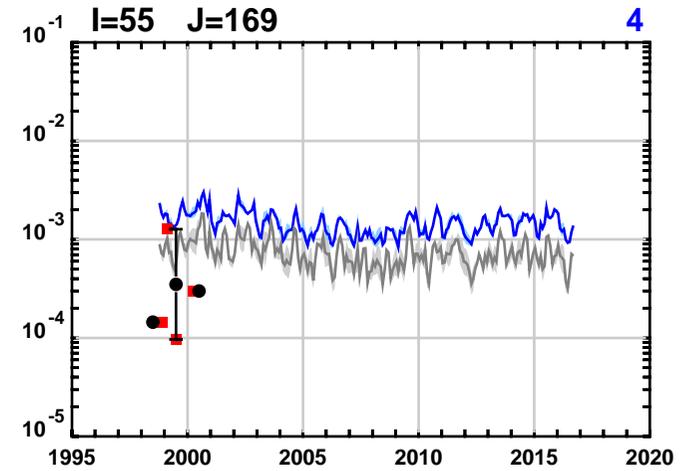

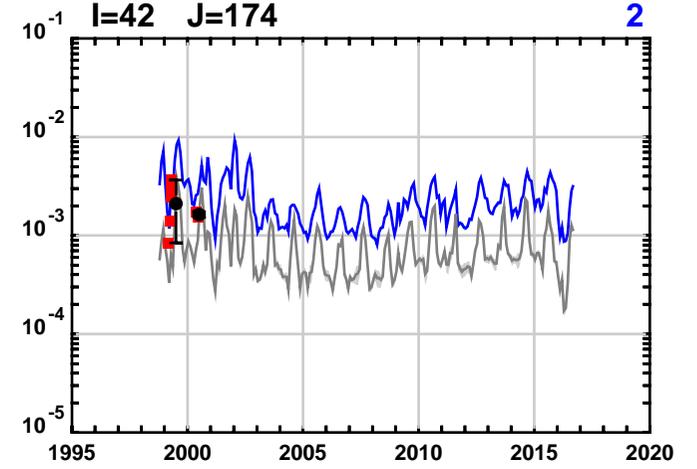

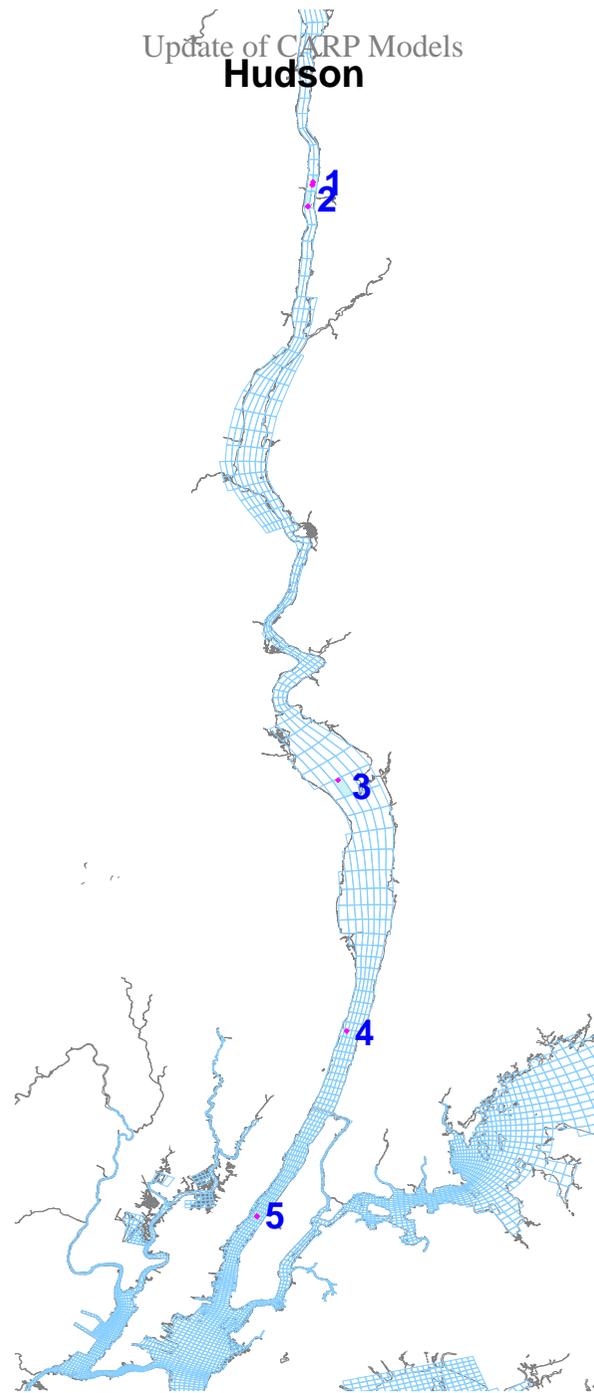

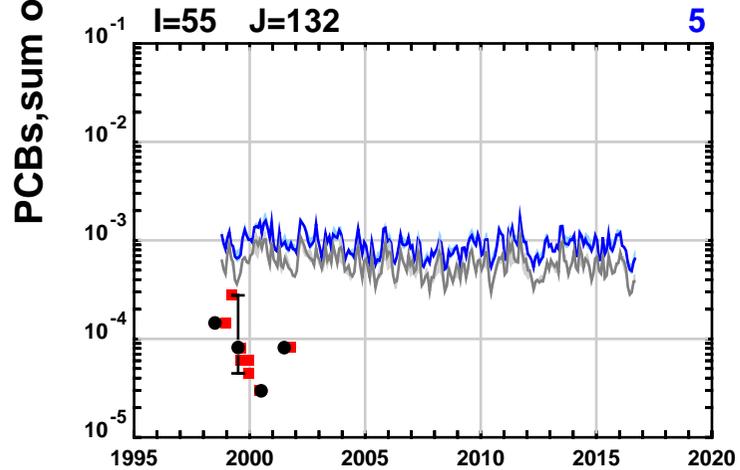

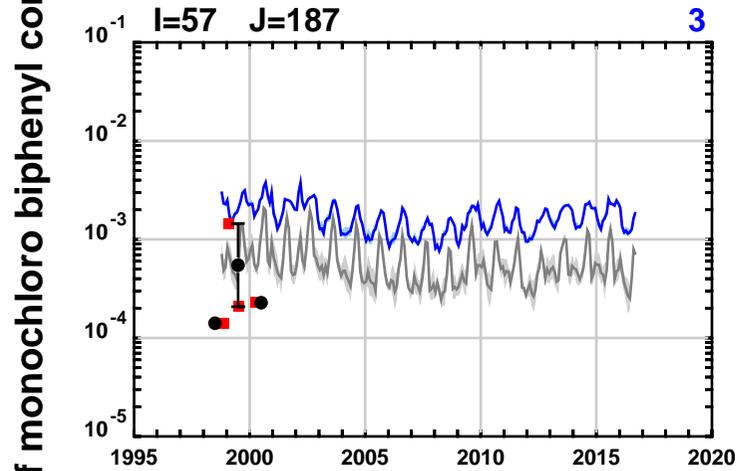

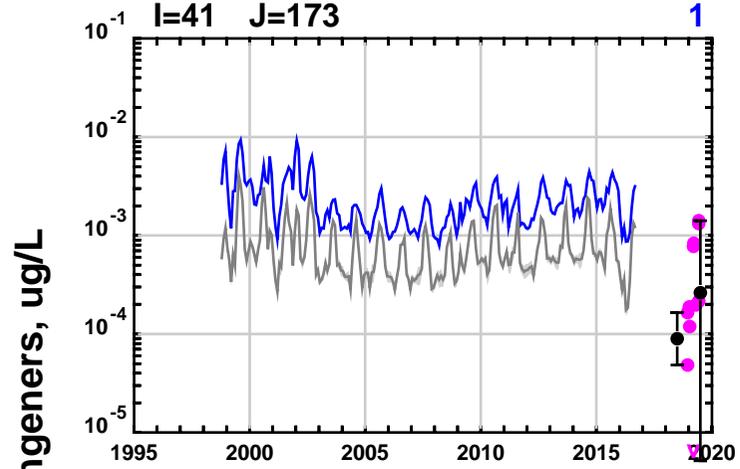

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

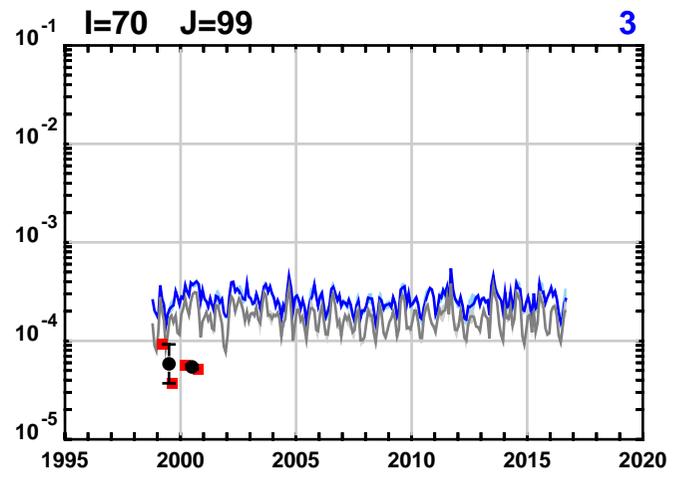

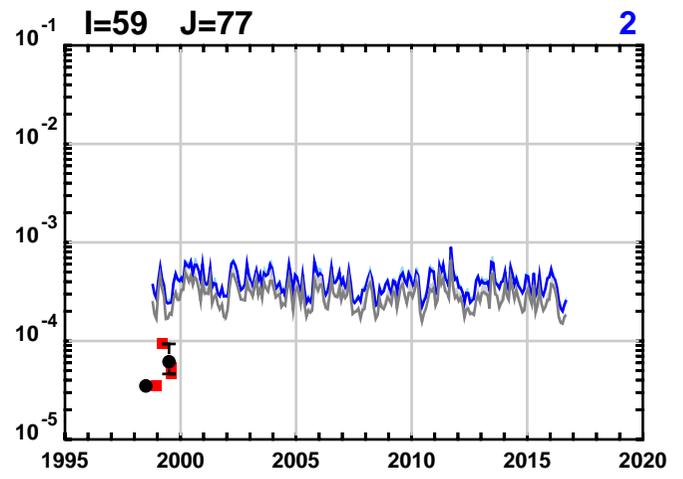

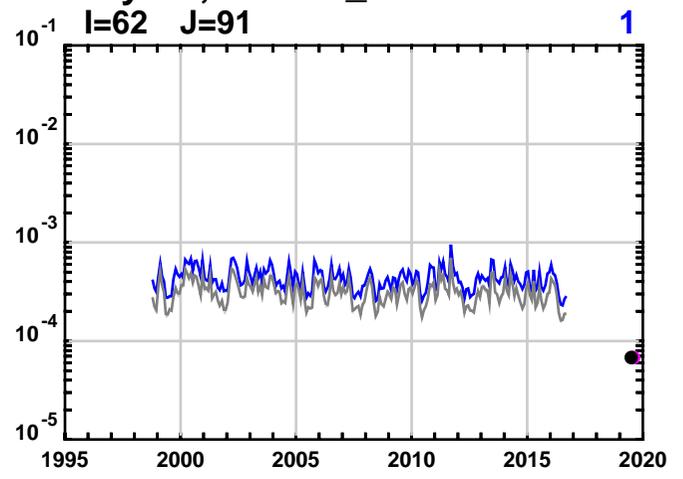

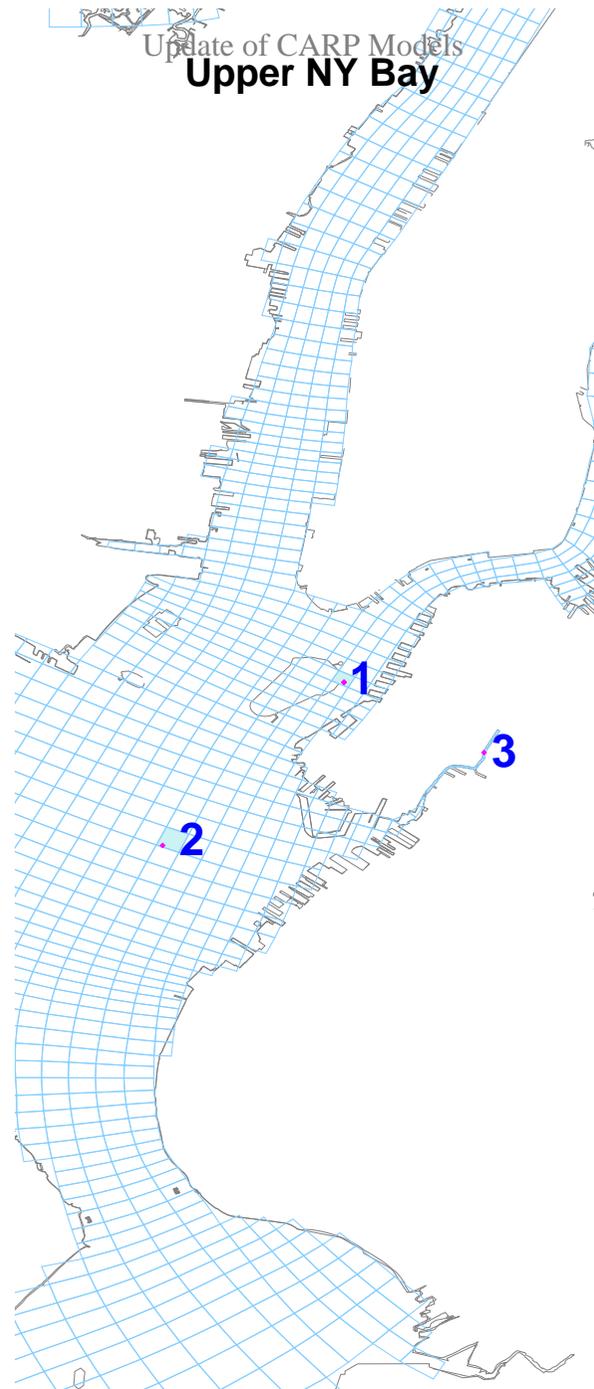

● Detect Data ● Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of monochloro biphenyl congeners, ug/L

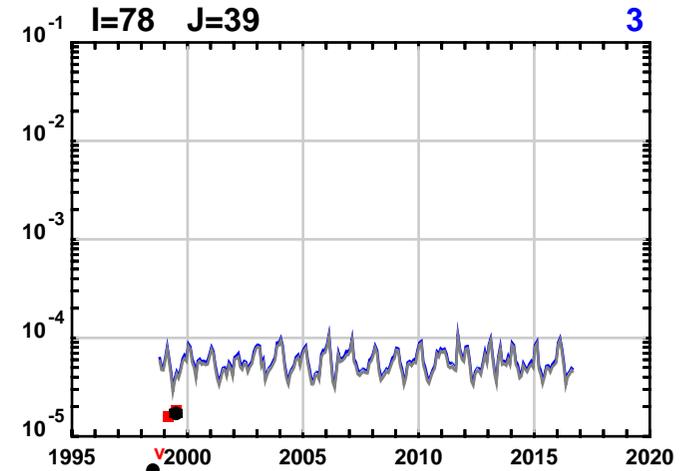

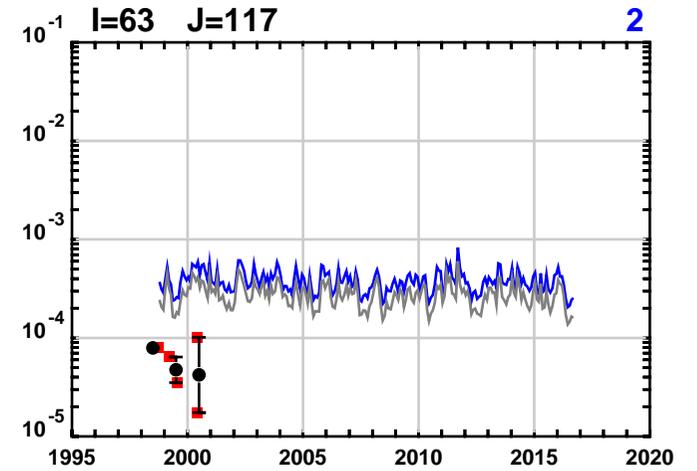

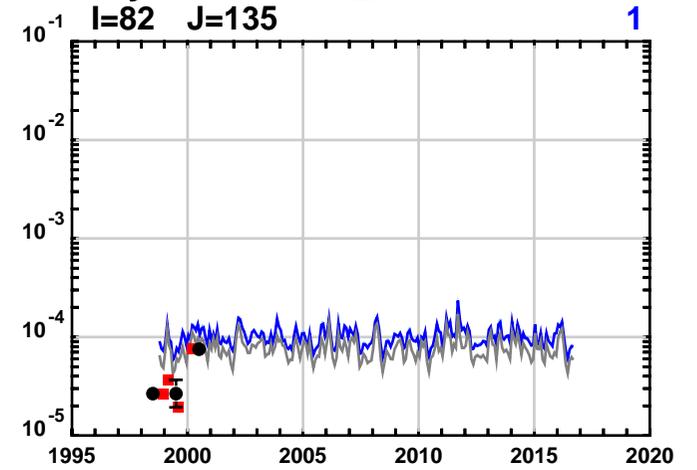

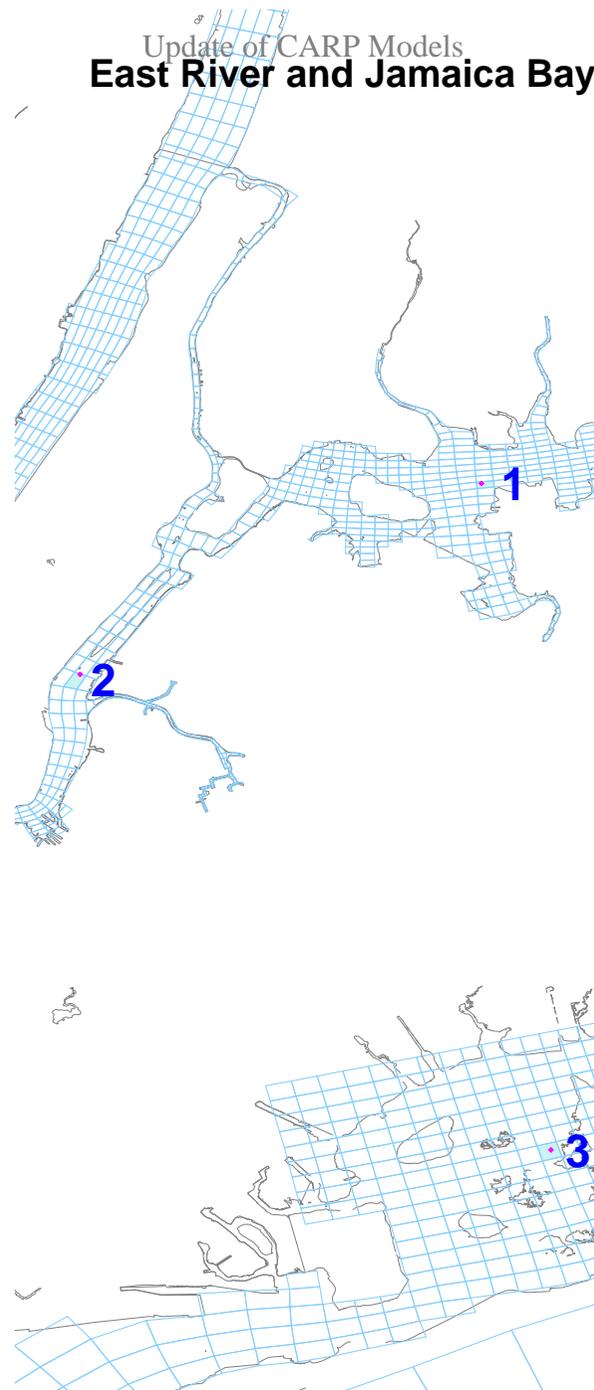

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

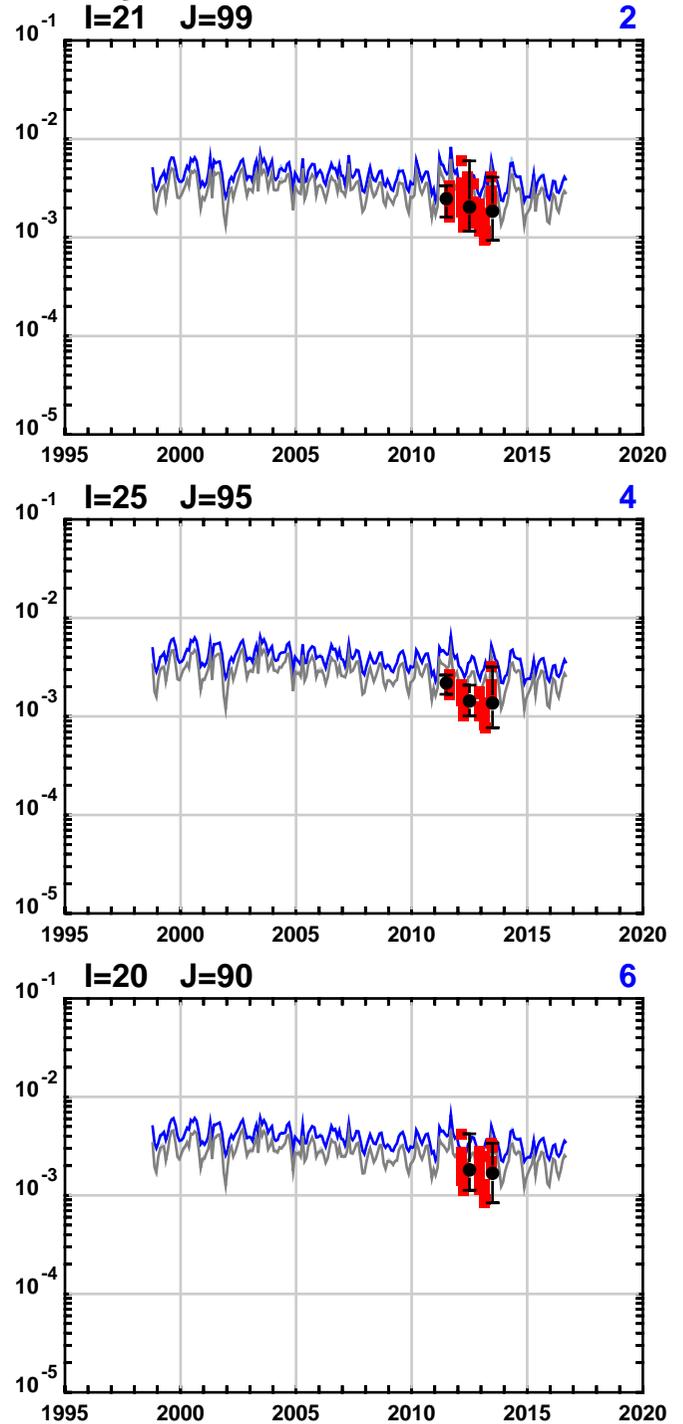

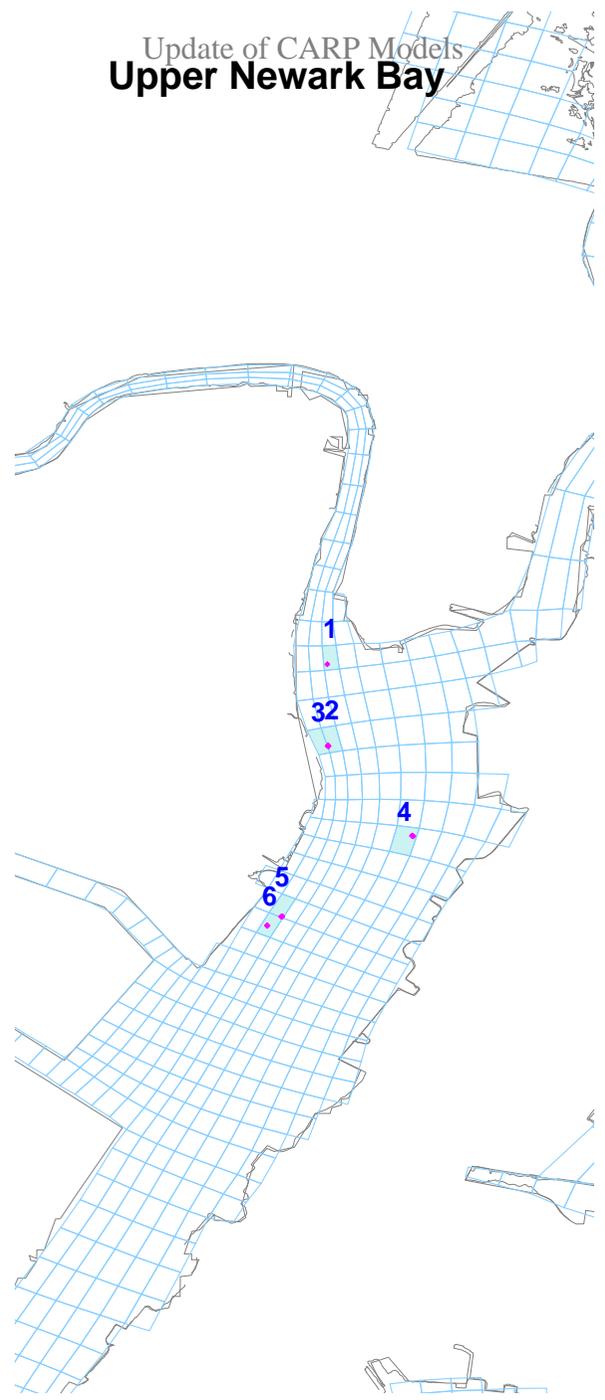

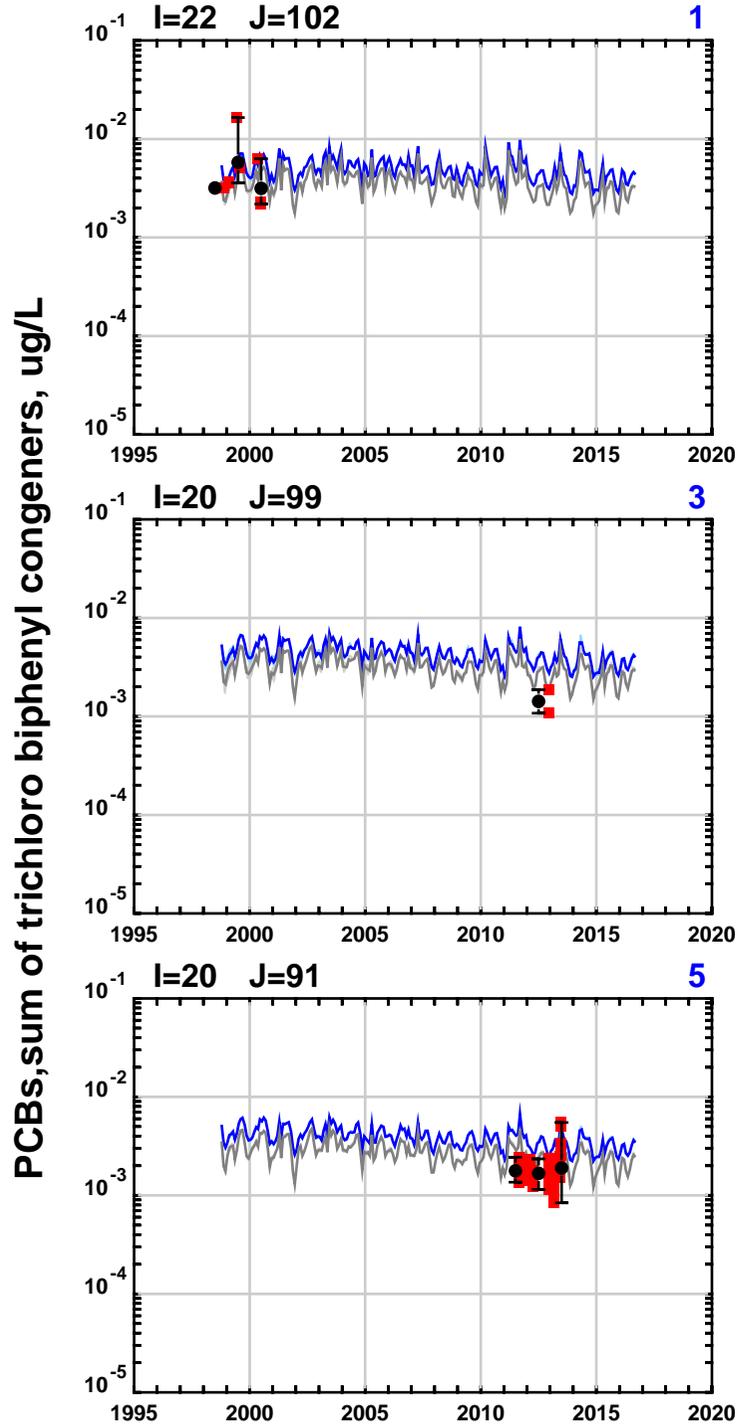

PCBs, sum of monochloro biphenyl congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

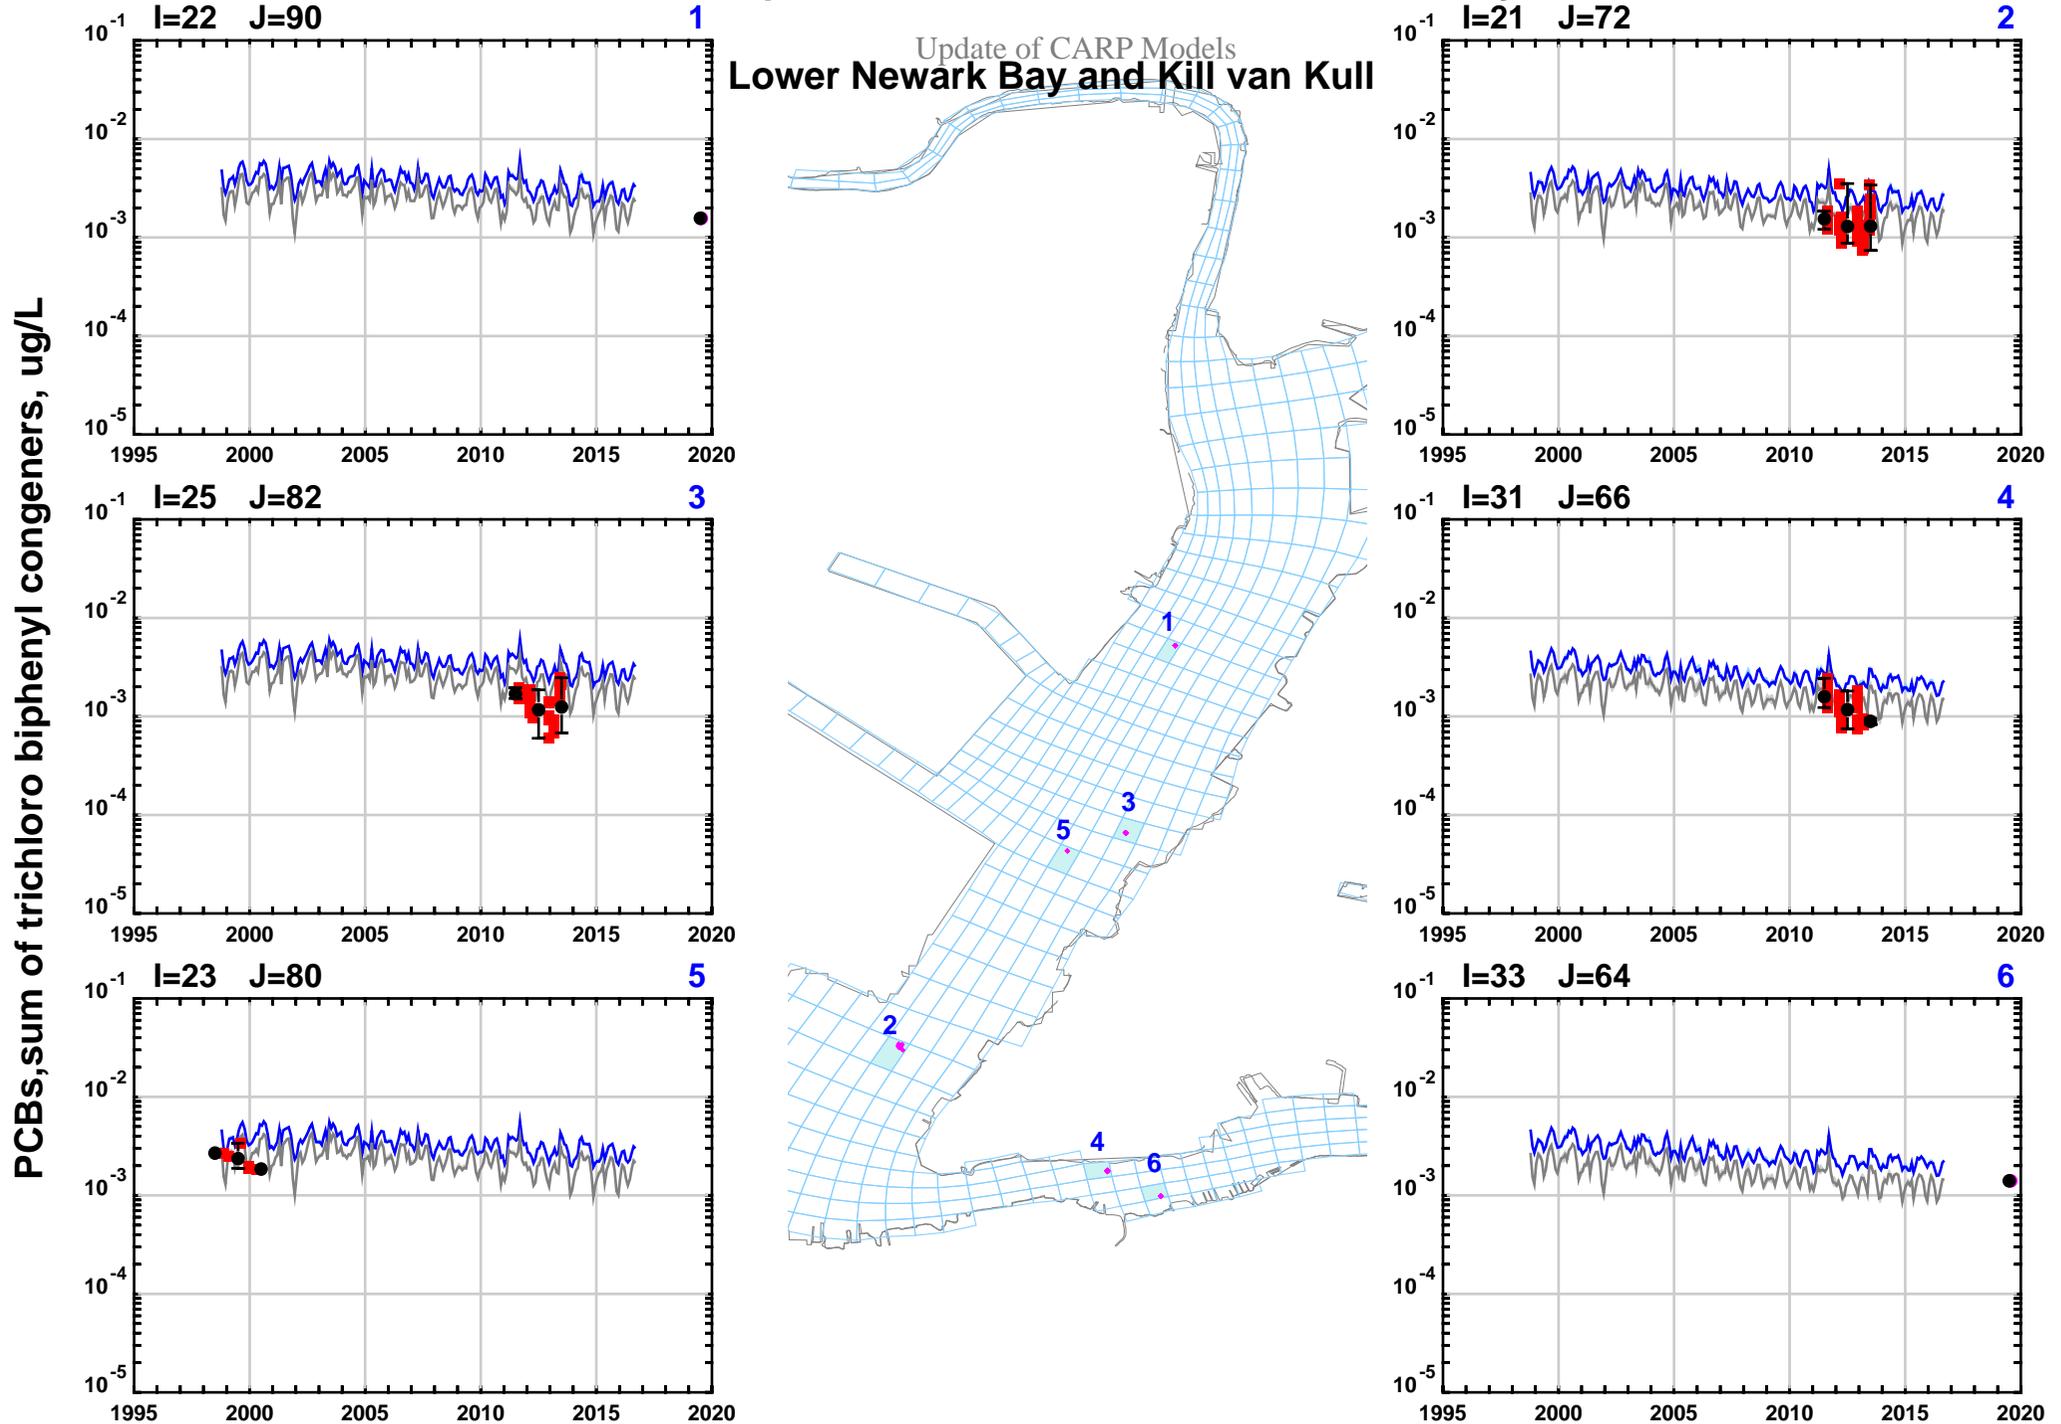

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models Lower Newark Bay and Kill van Kull

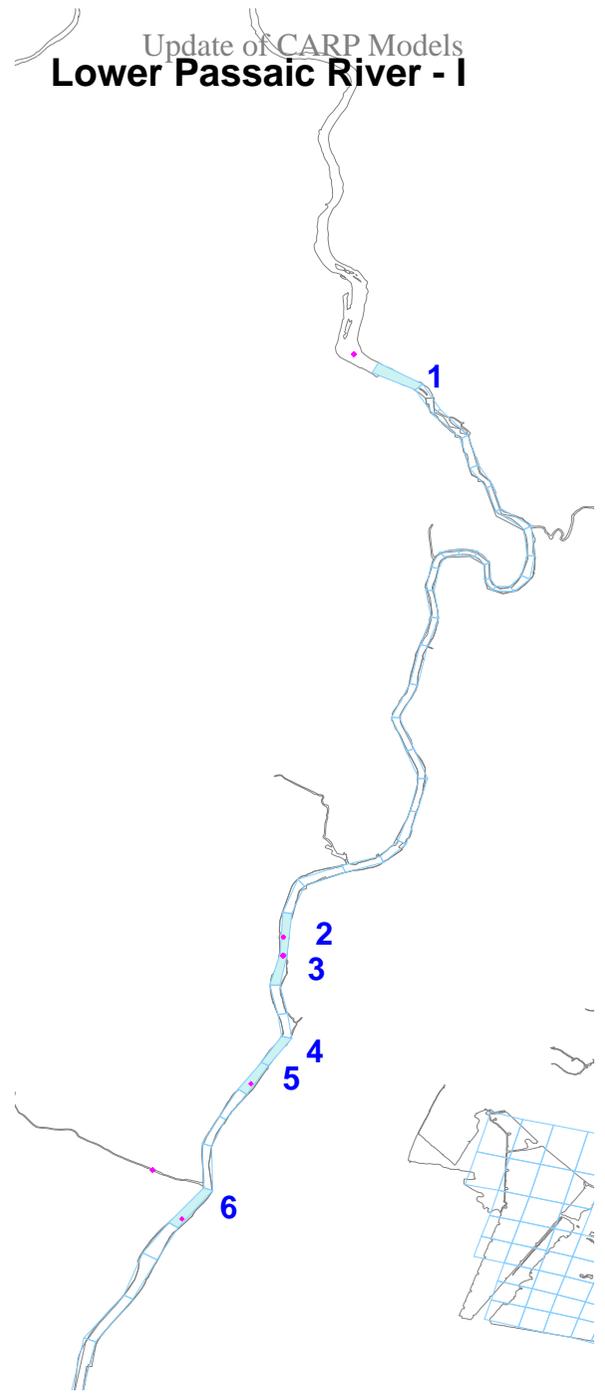

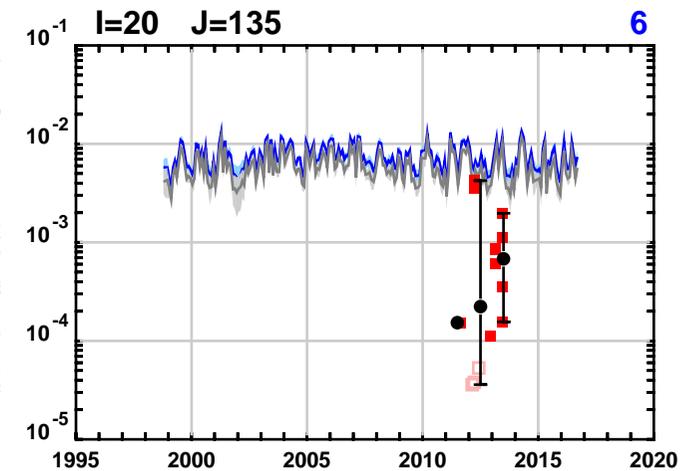

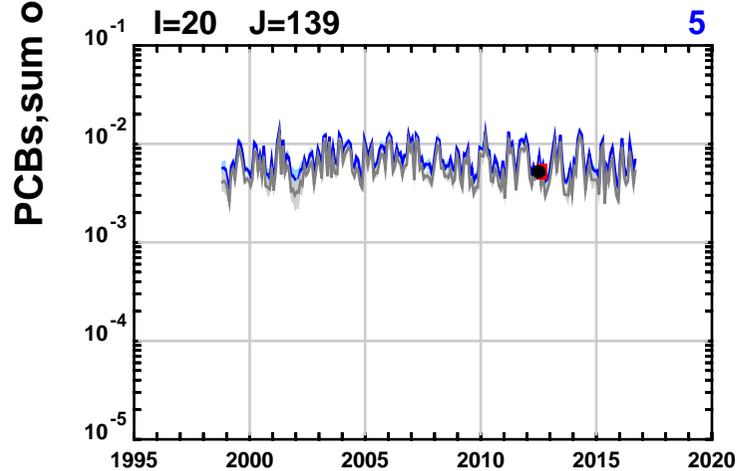

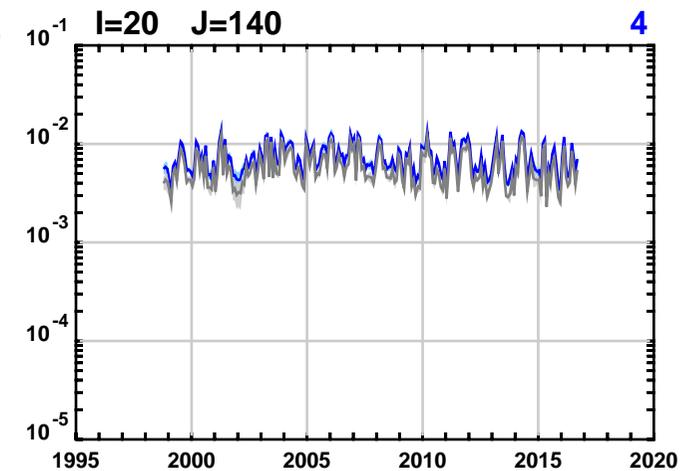

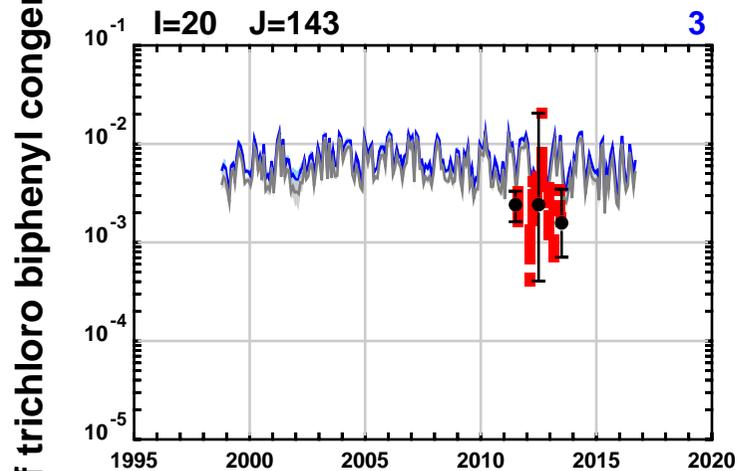

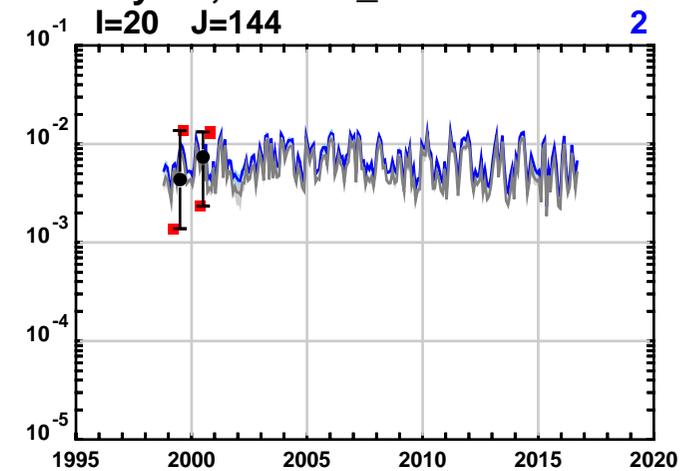

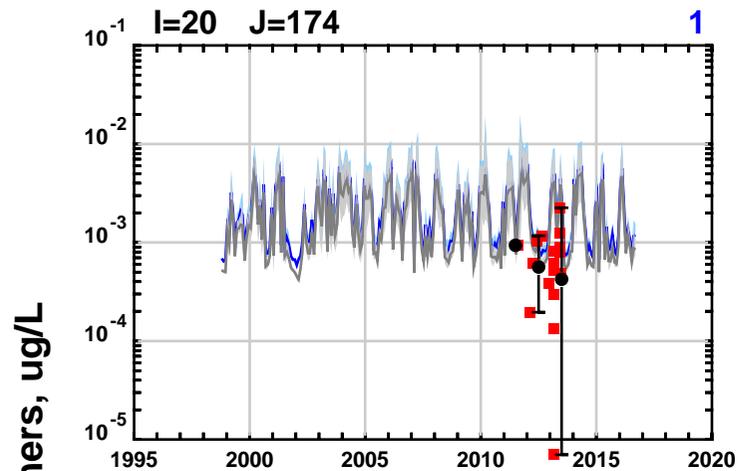

● Detect Data ● Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

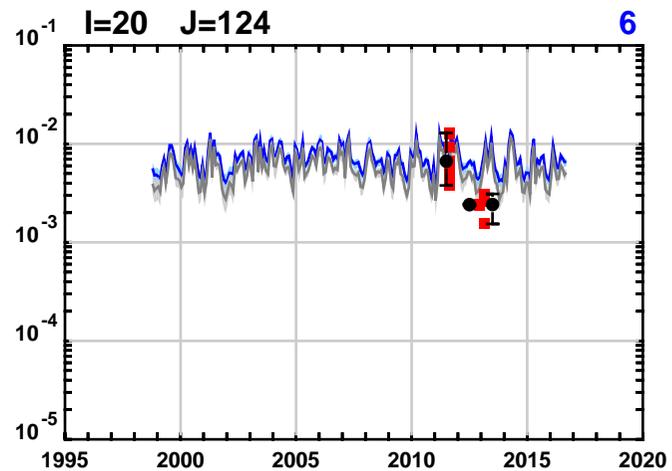

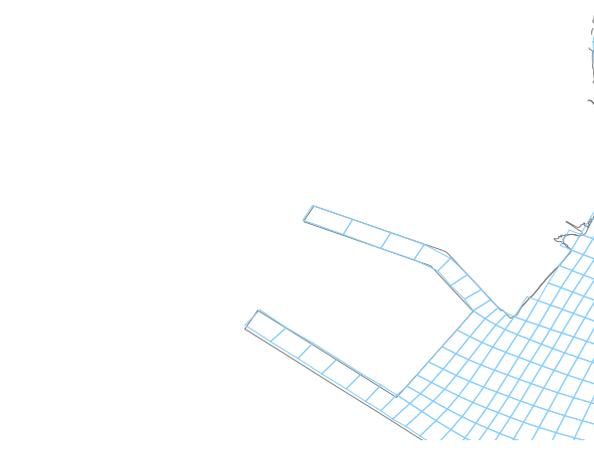

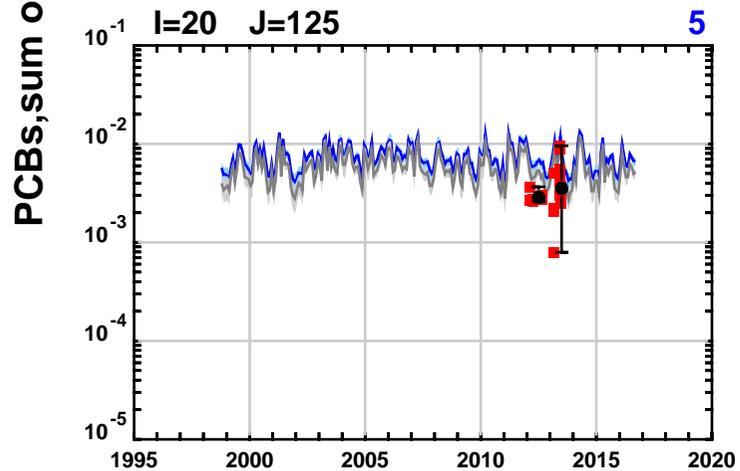

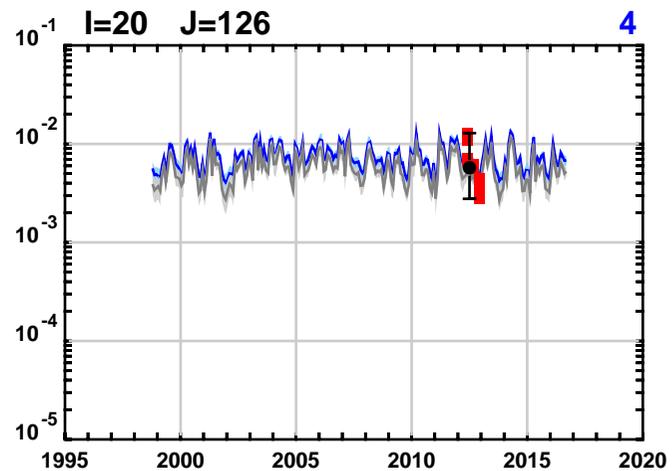

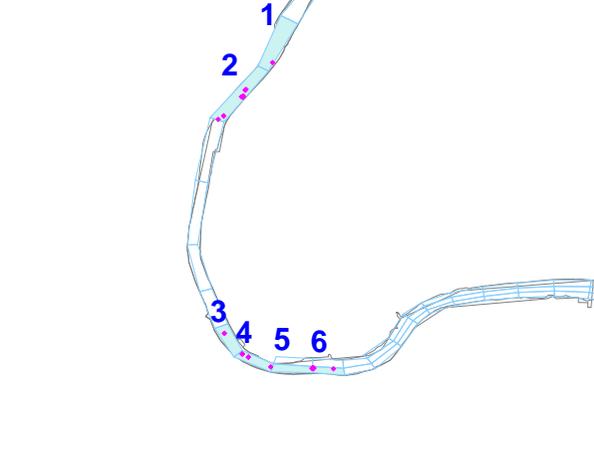

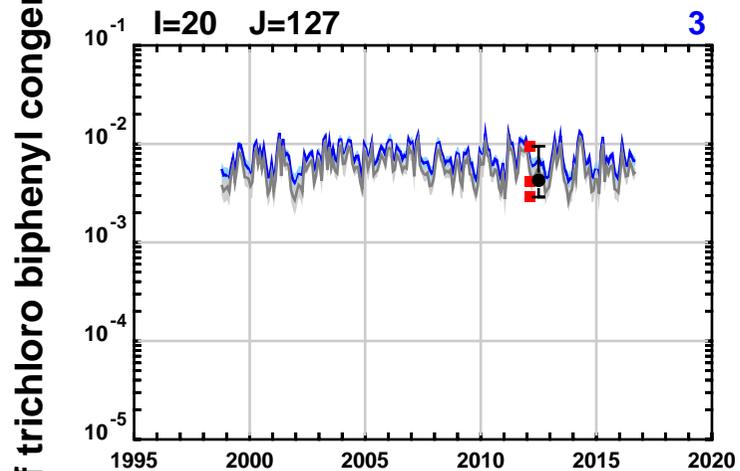

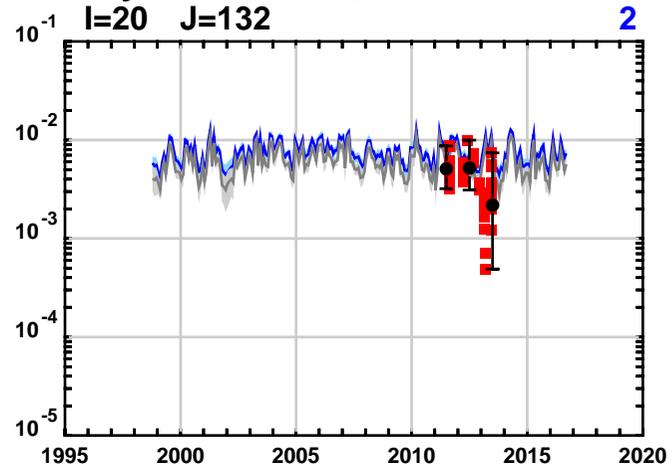

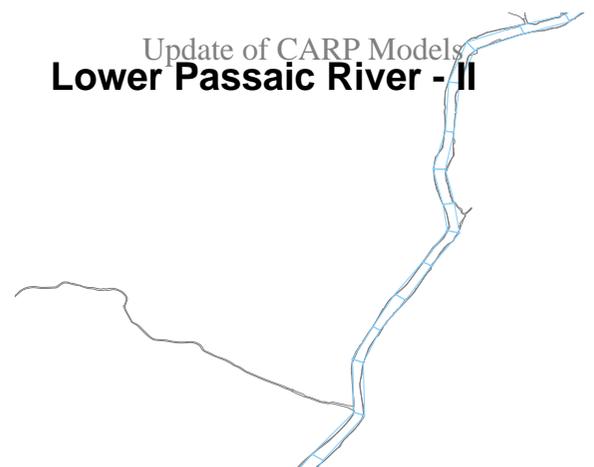

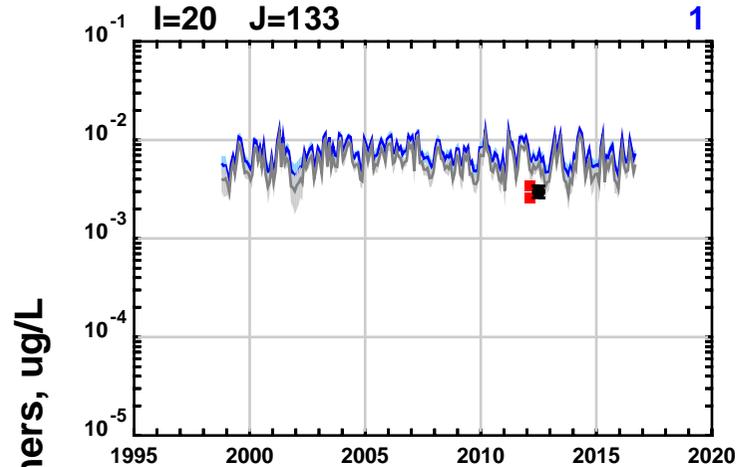

Update of CARP Models Lower Passaic River - I

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

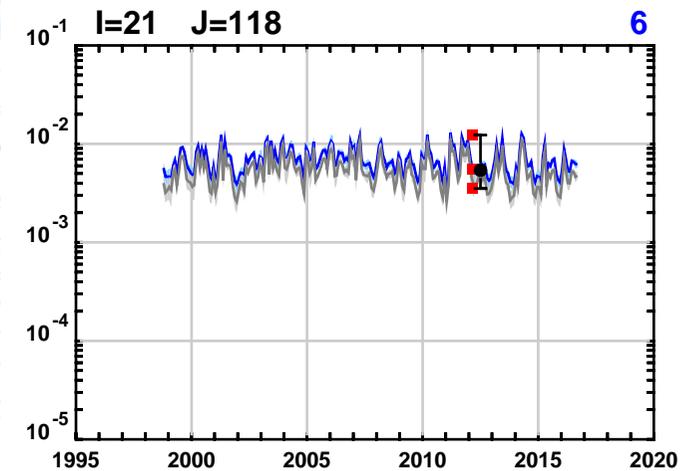

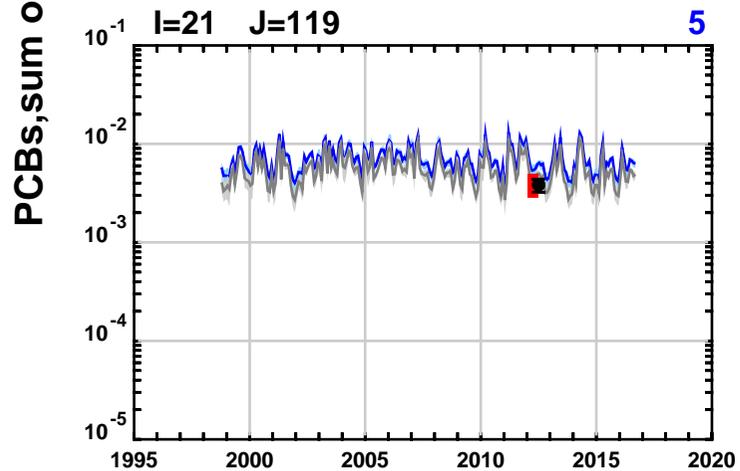

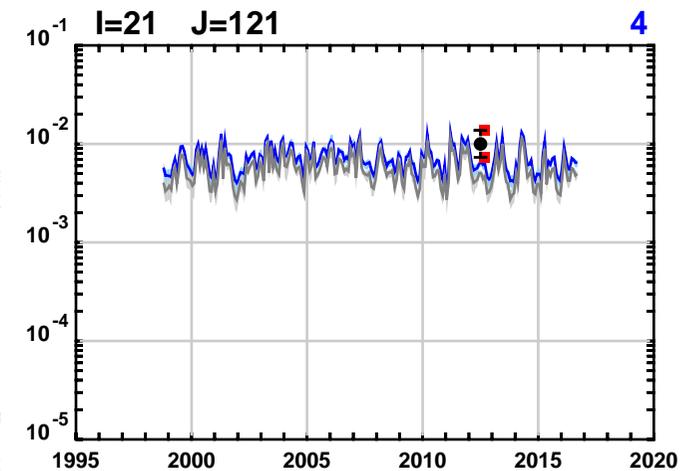

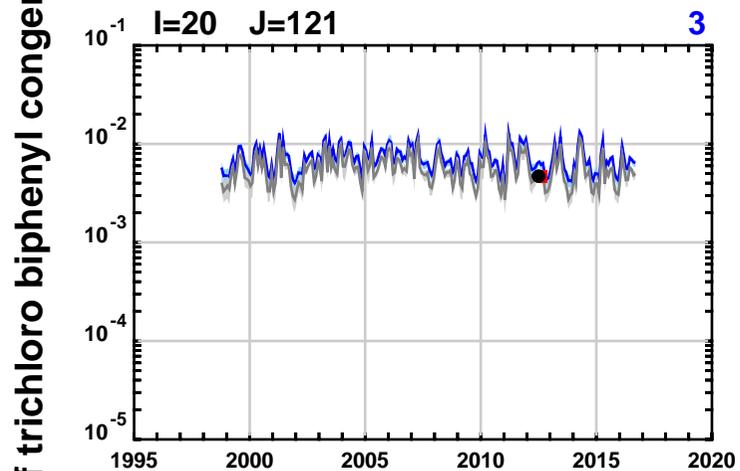

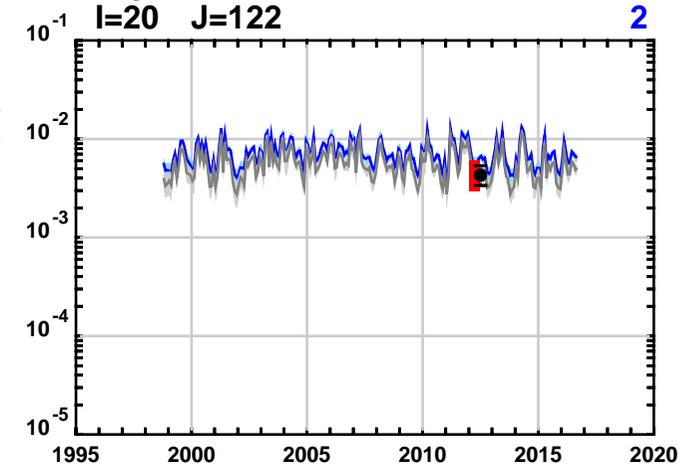

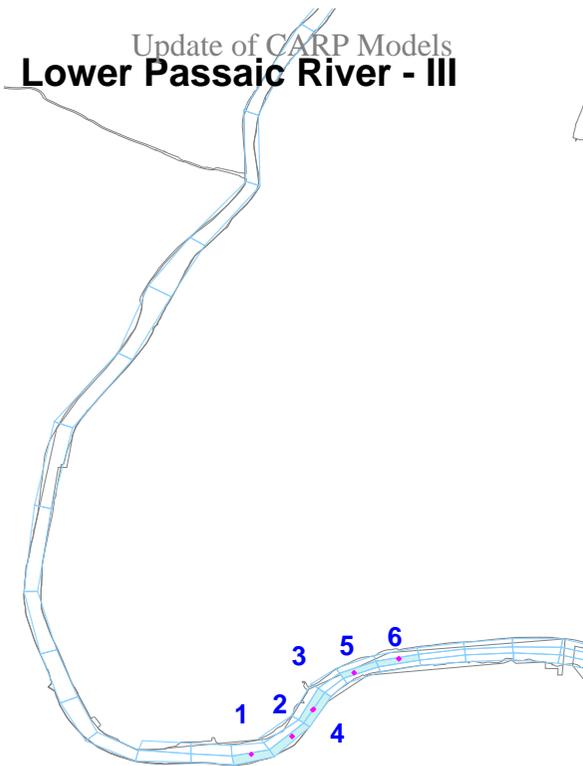

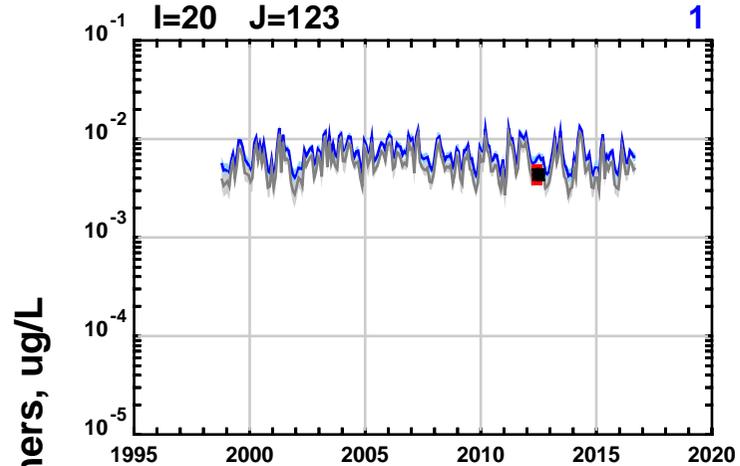

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

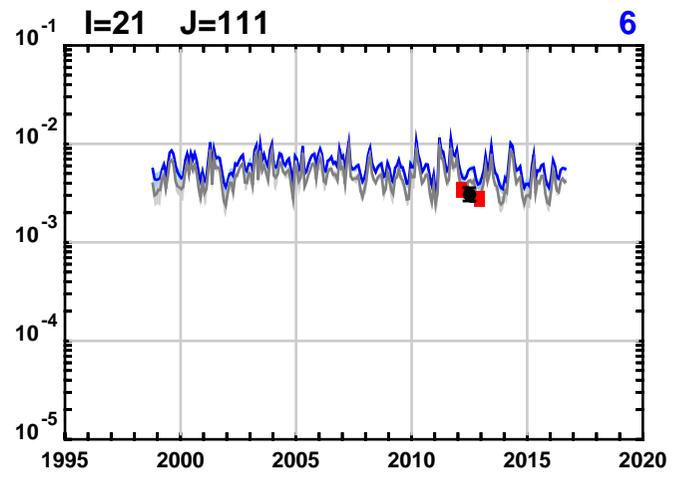

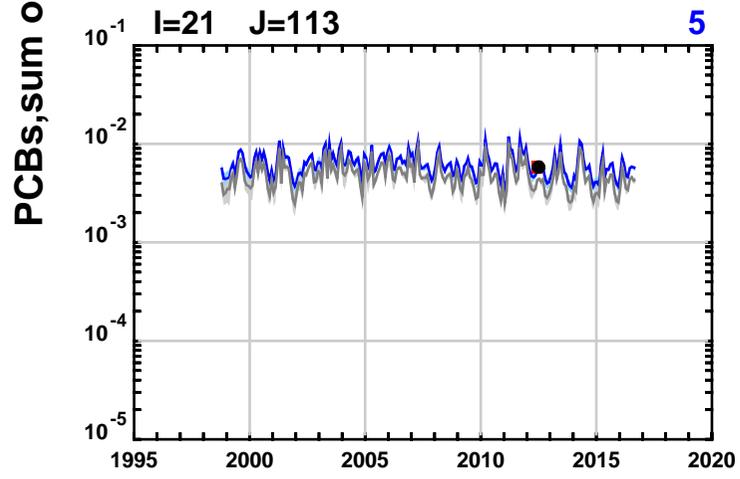

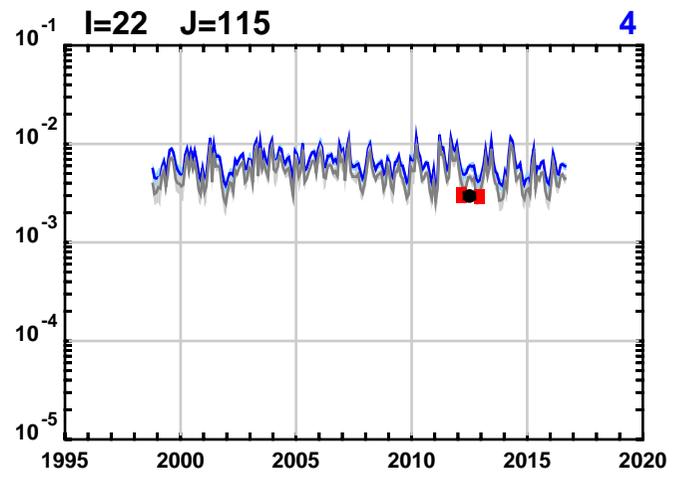

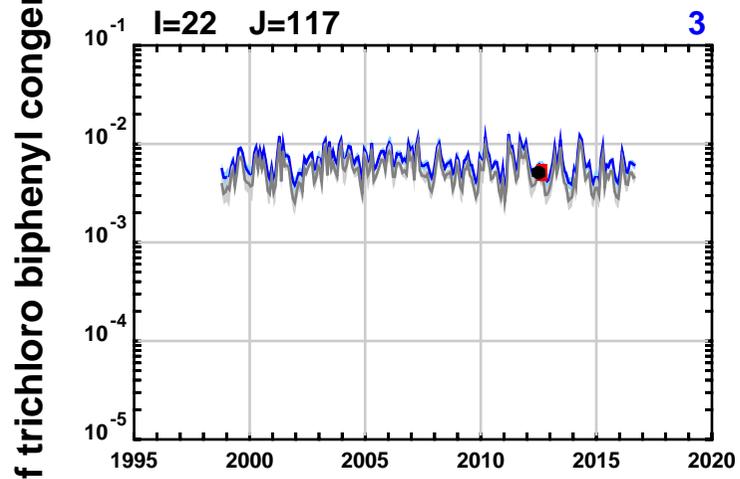

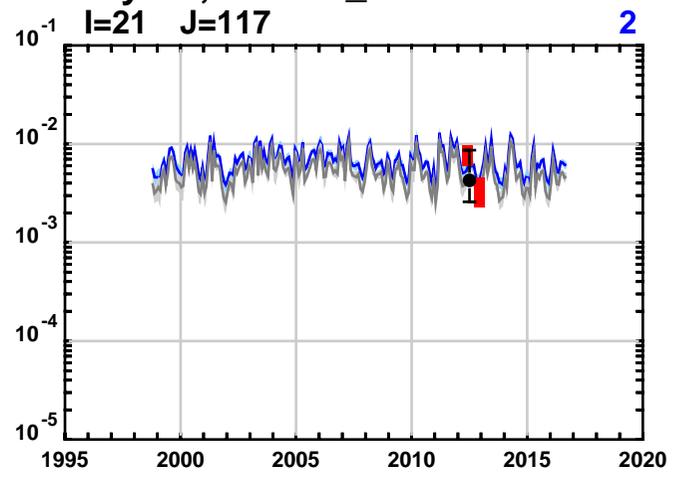

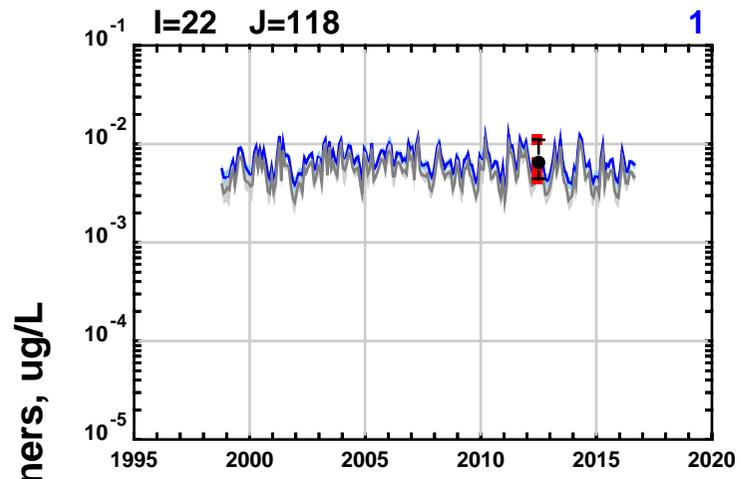

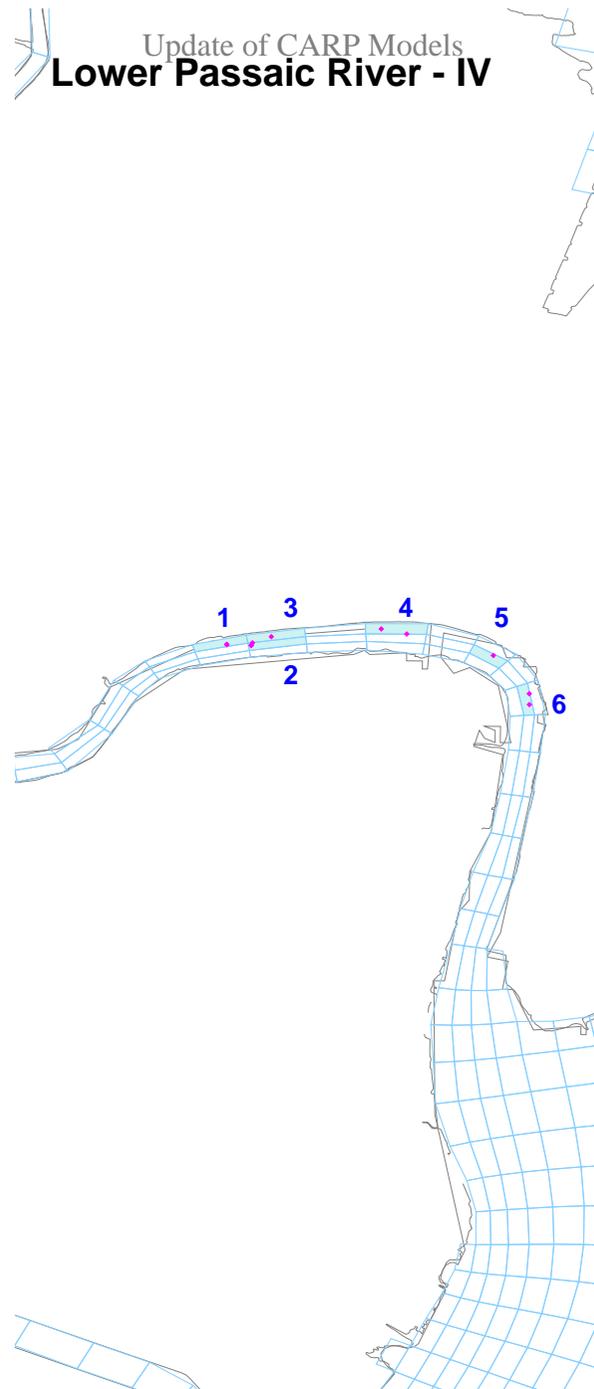

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

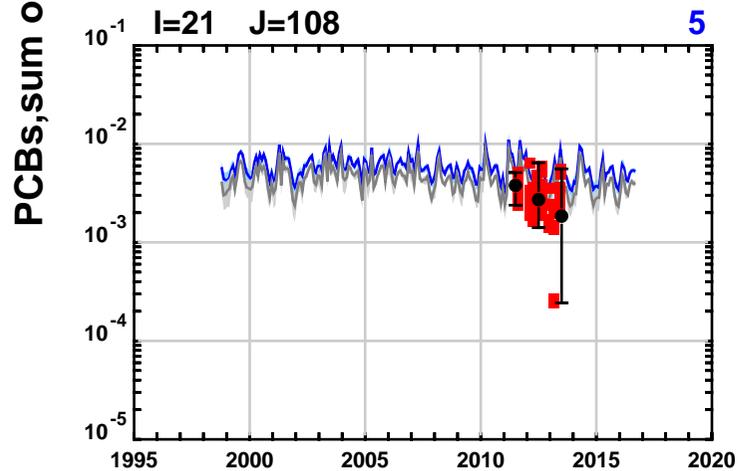

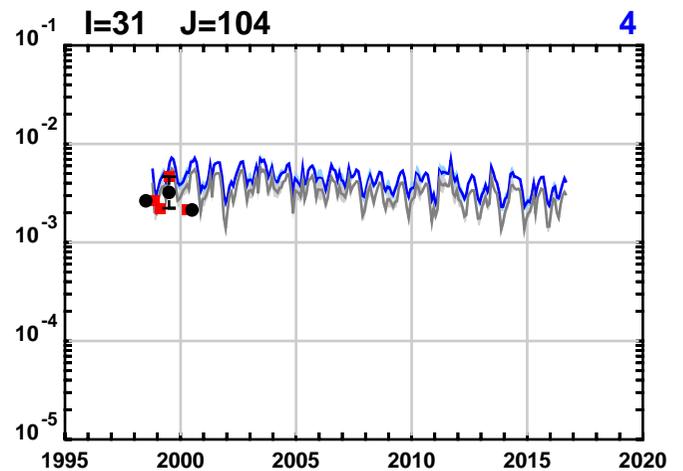

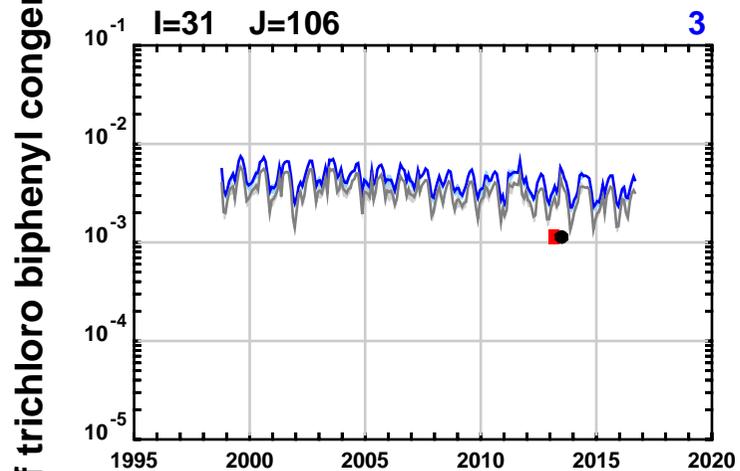

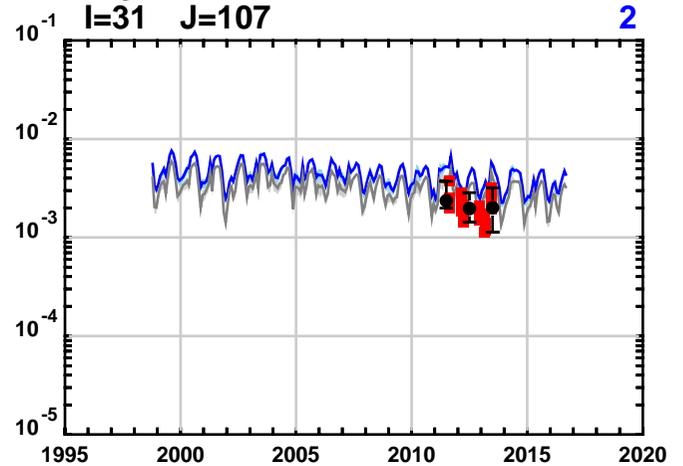

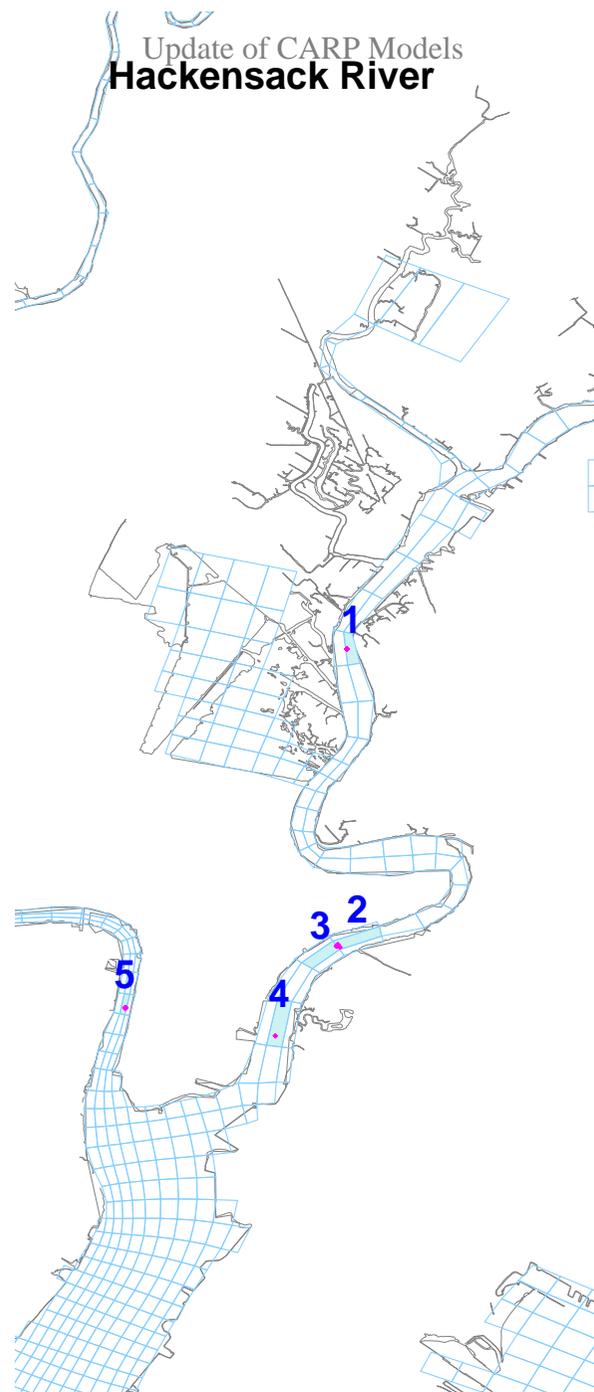

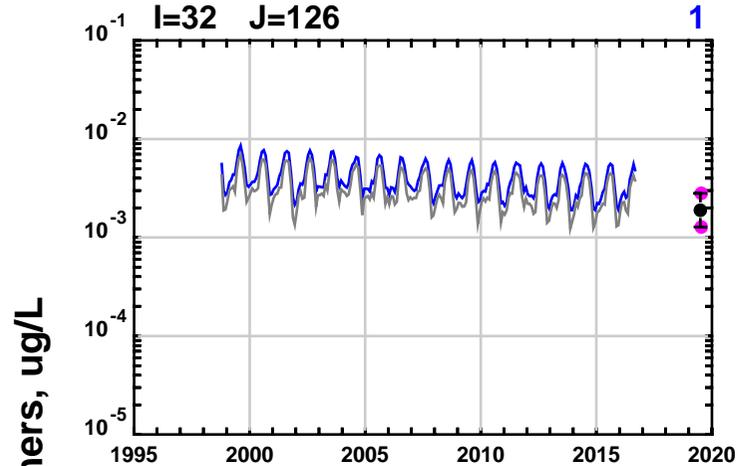

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ● Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

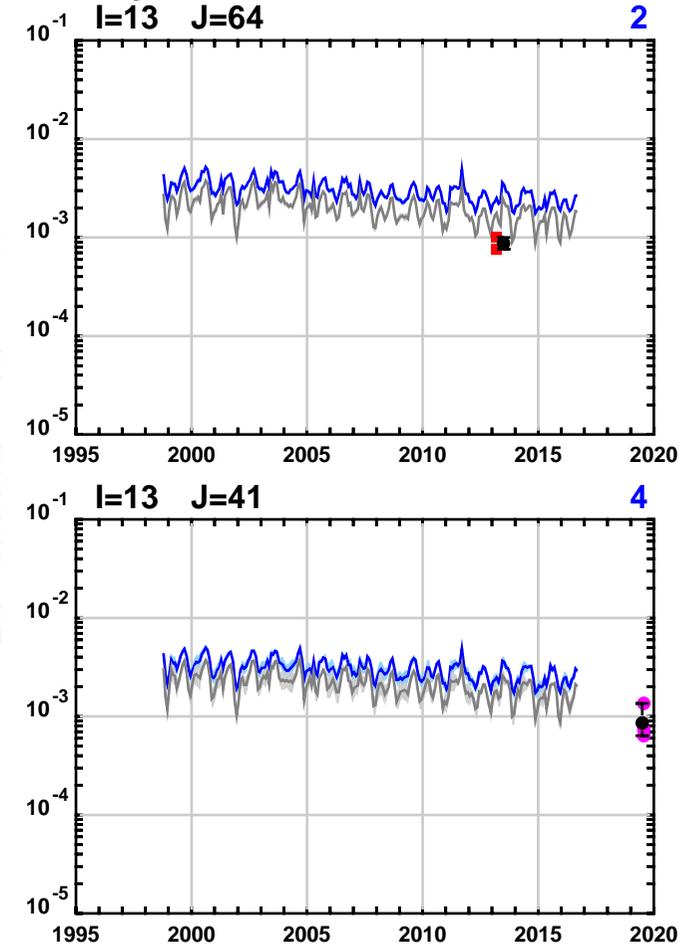

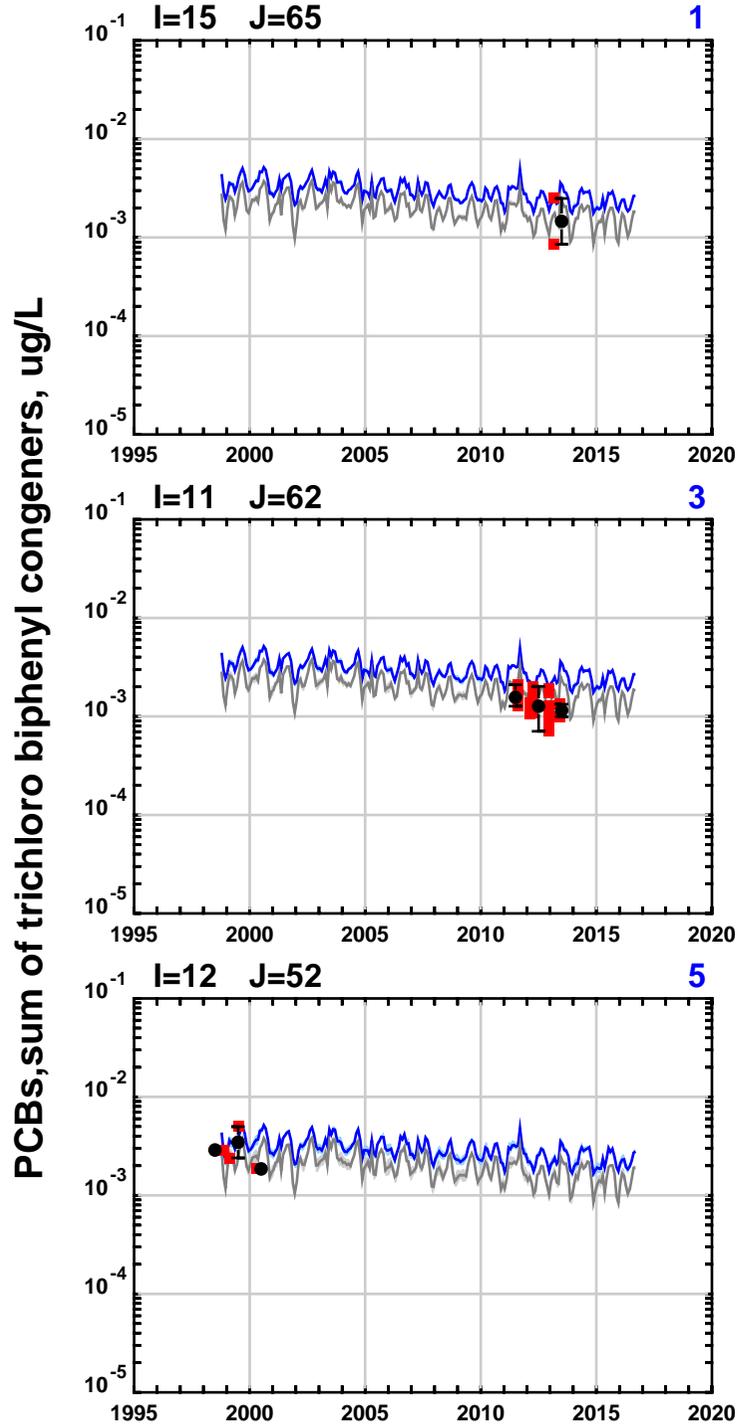

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

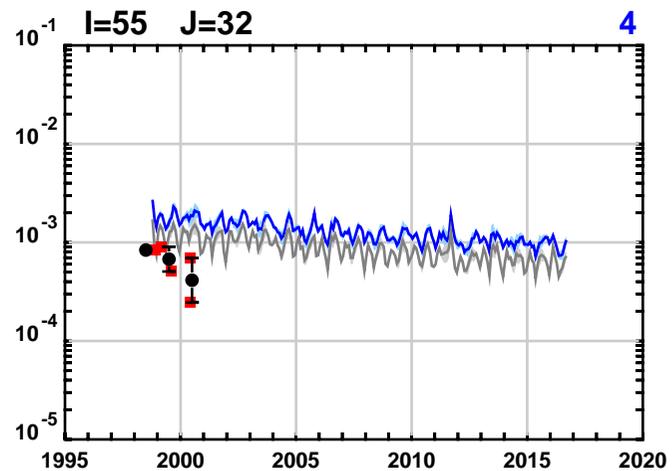

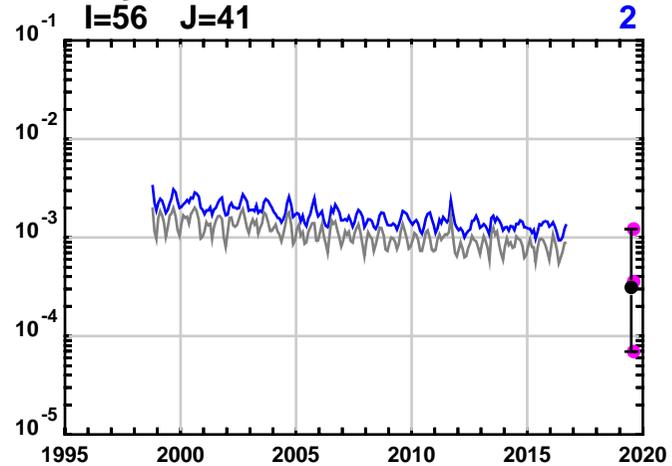

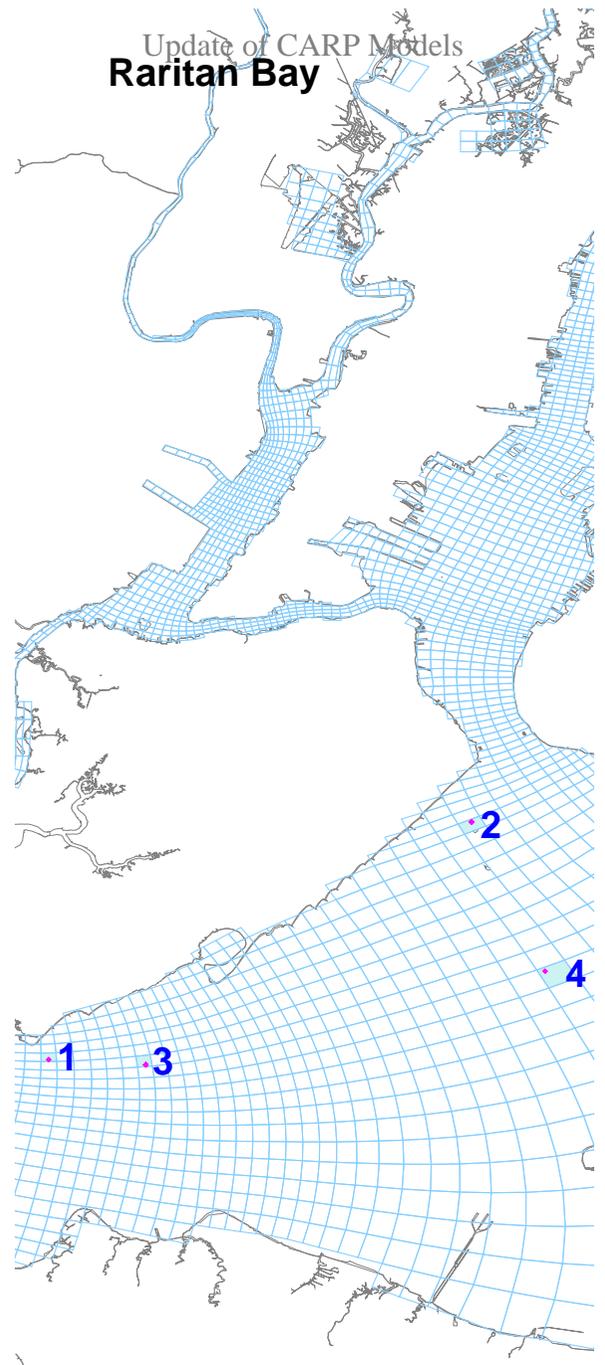

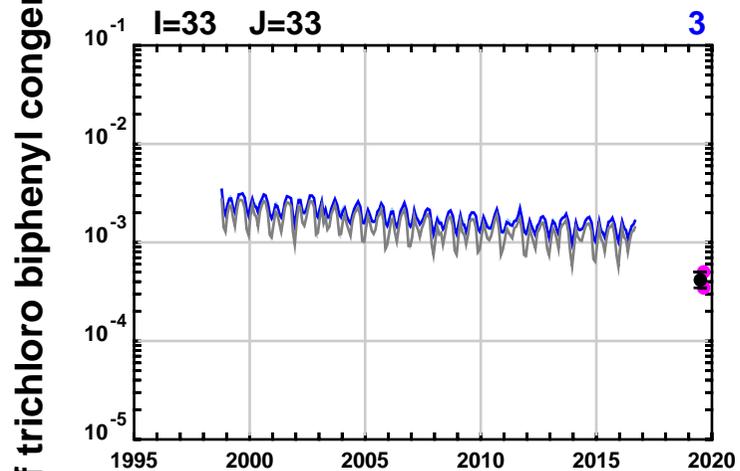

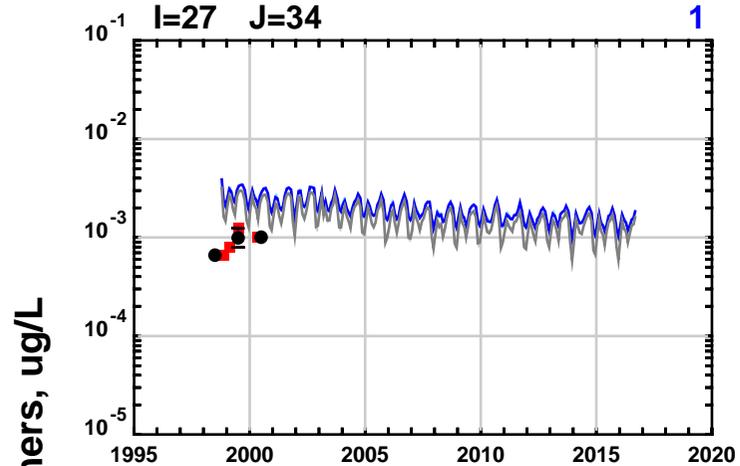

Update of CARP Models
Arthur Kill

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

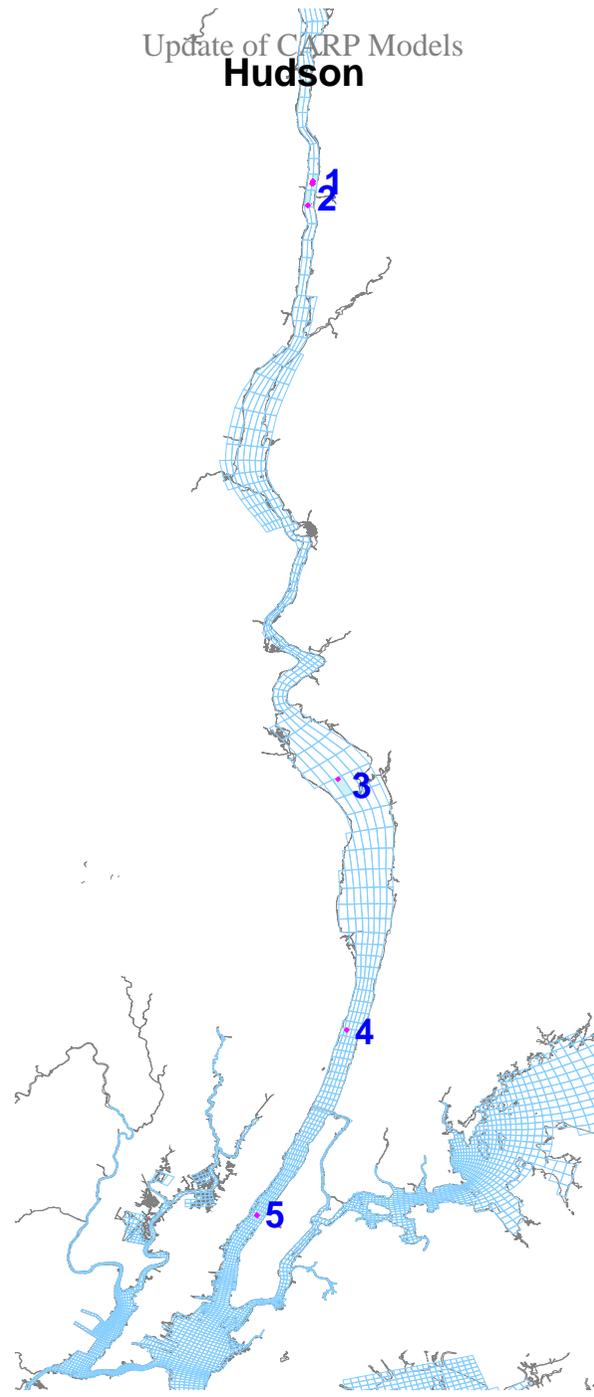

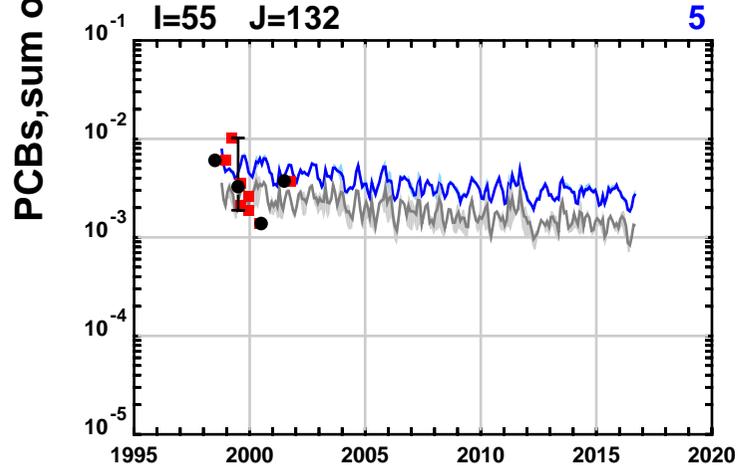

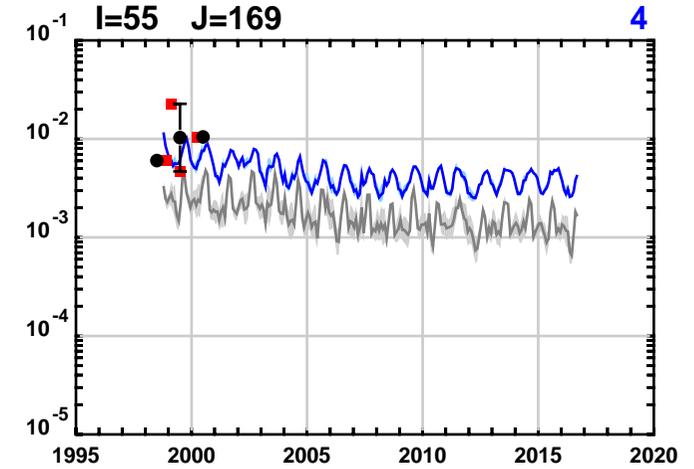

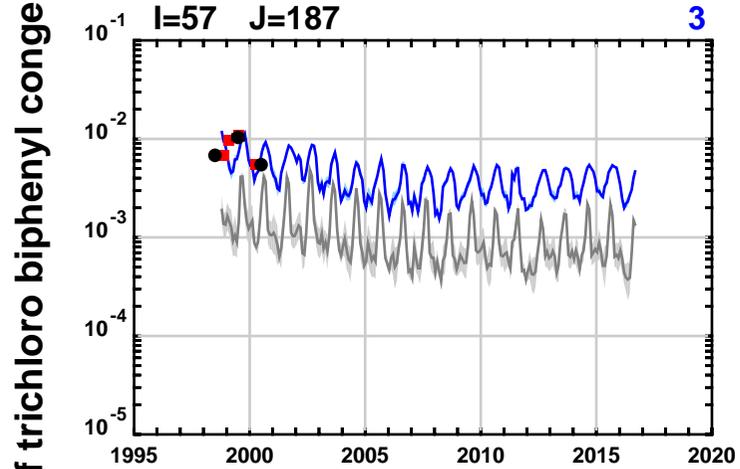

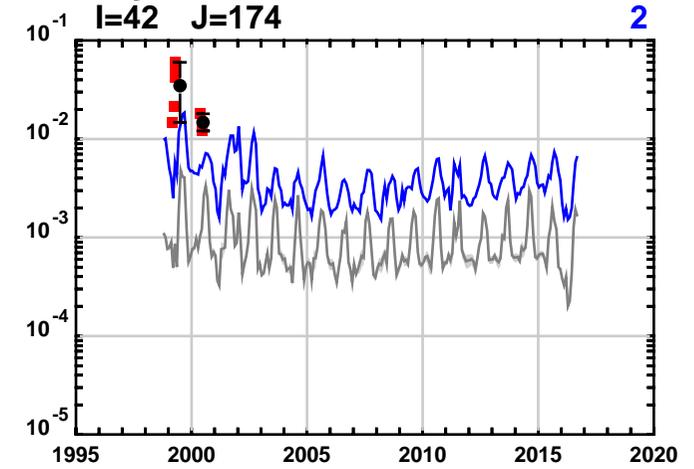

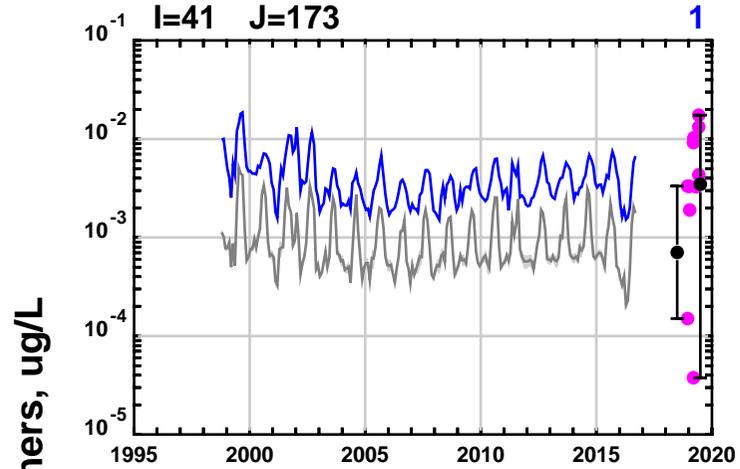

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models
Hudson

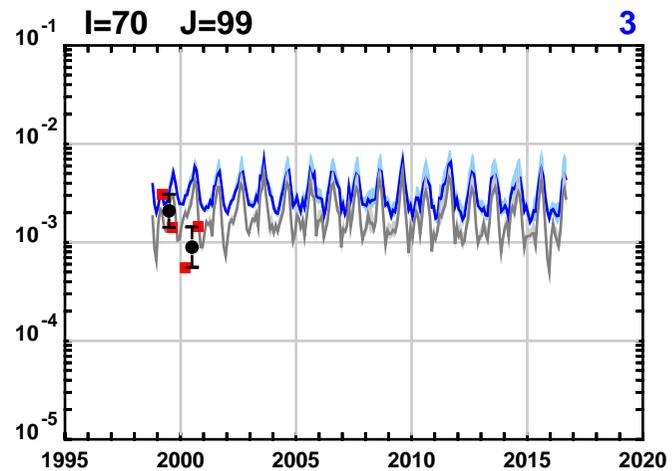

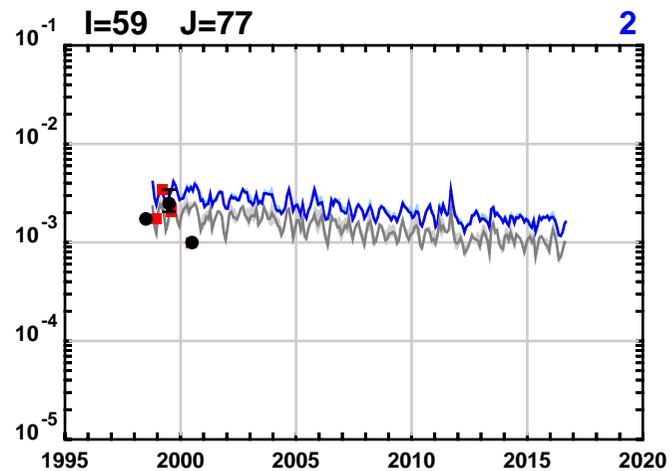

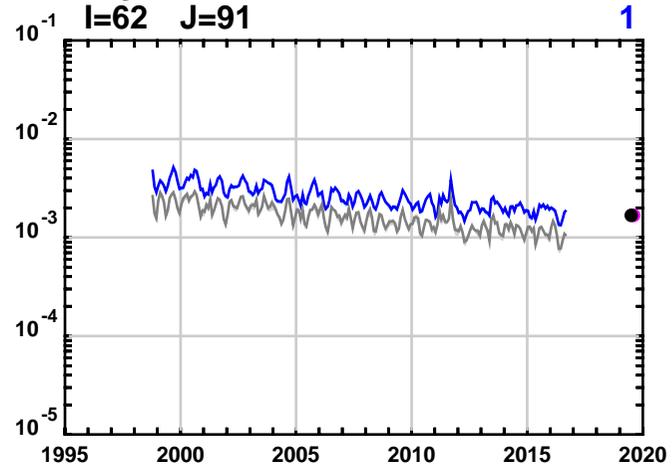

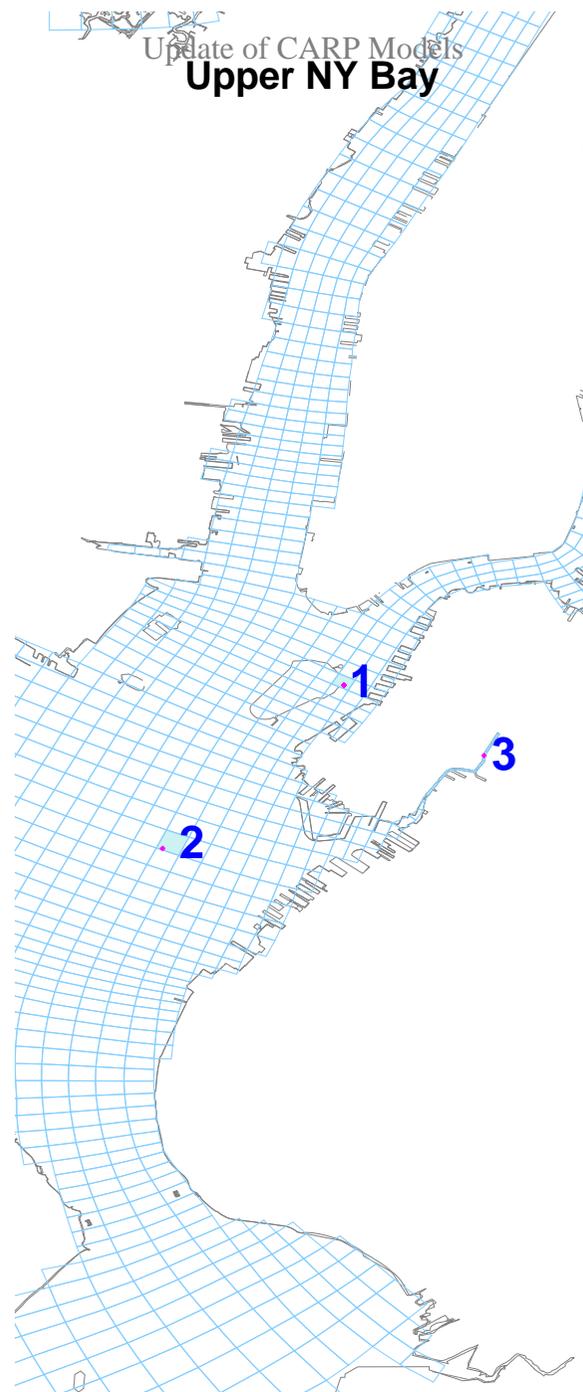

● Detect Data ● Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of trichloro biphenyl congeners, ug/L

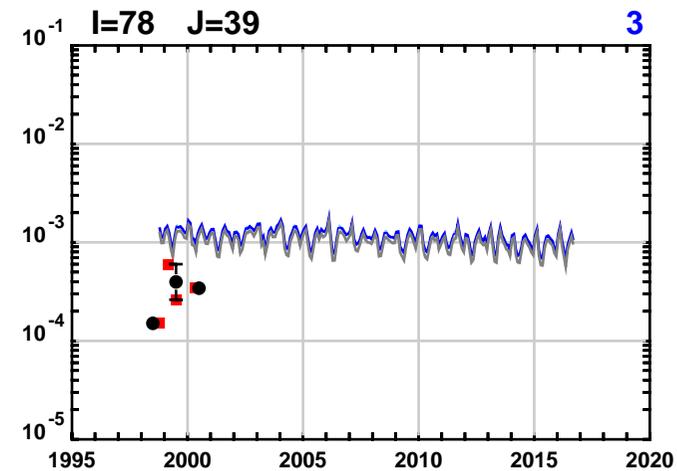

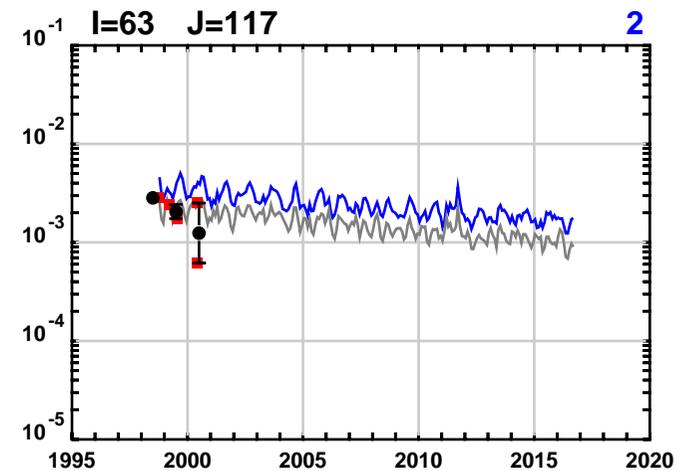

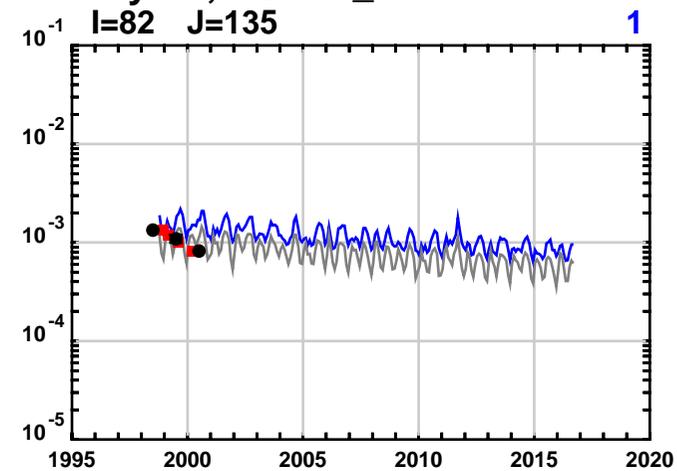

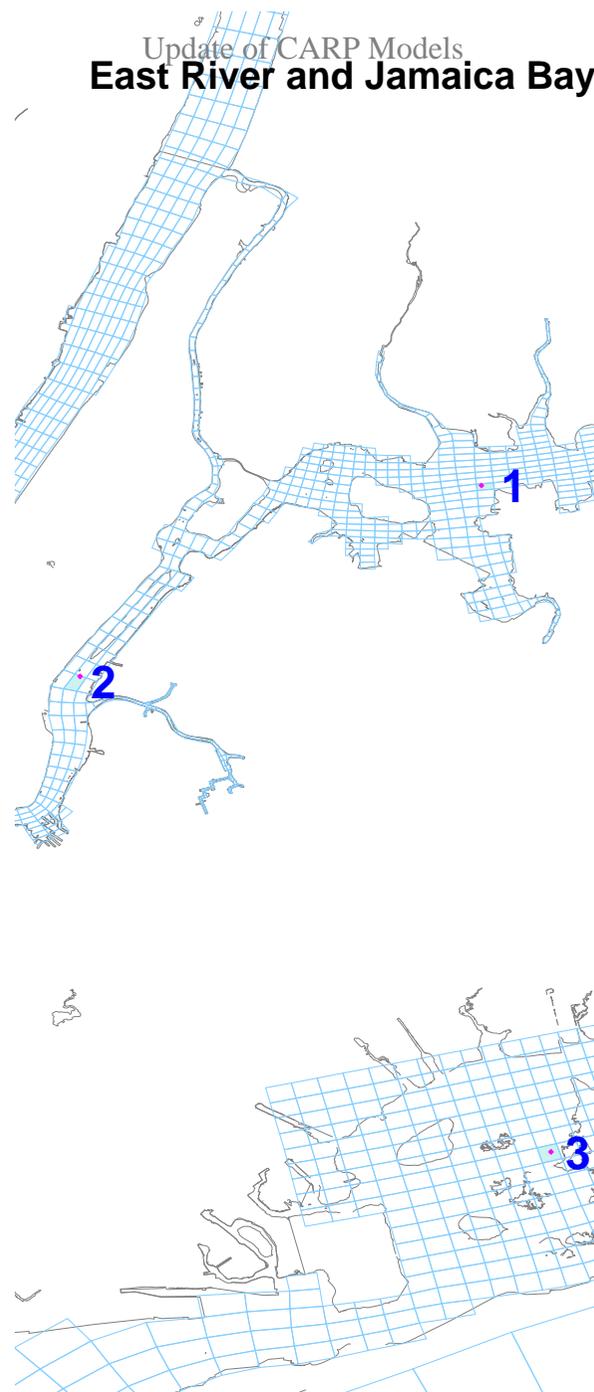

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

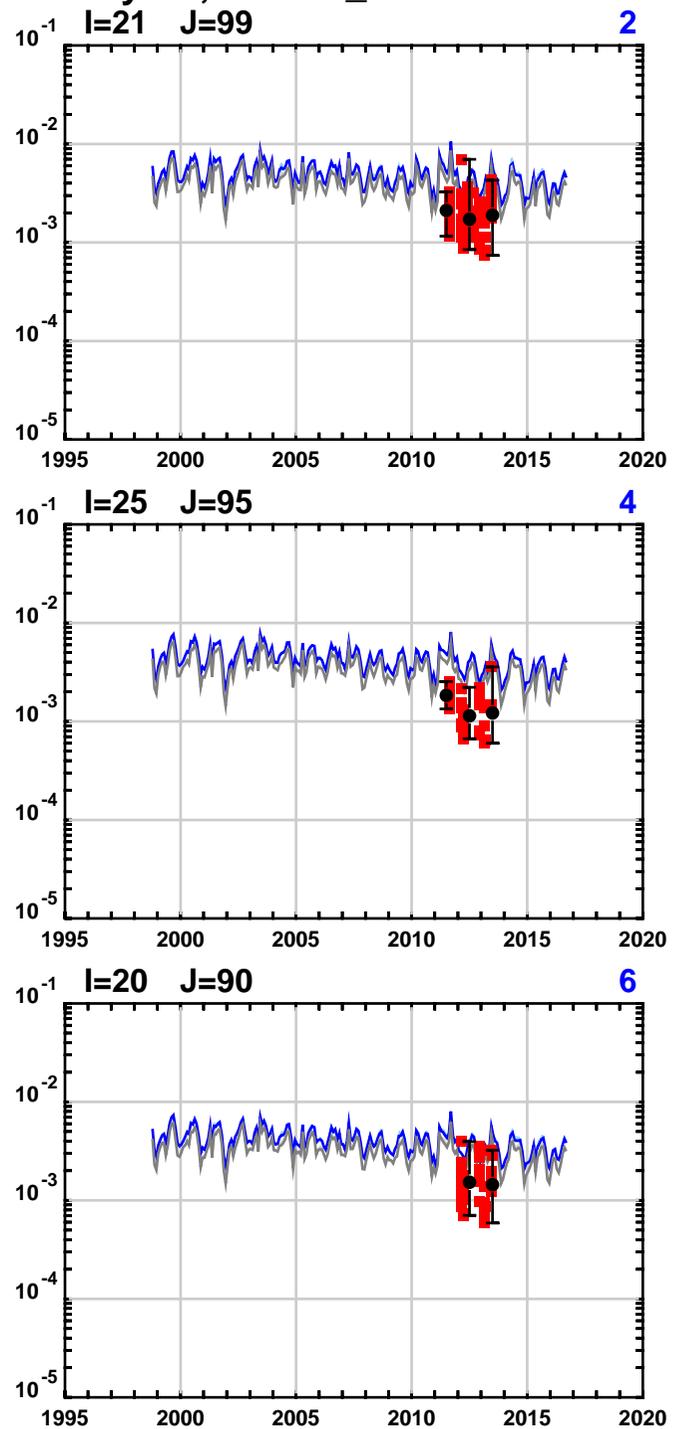

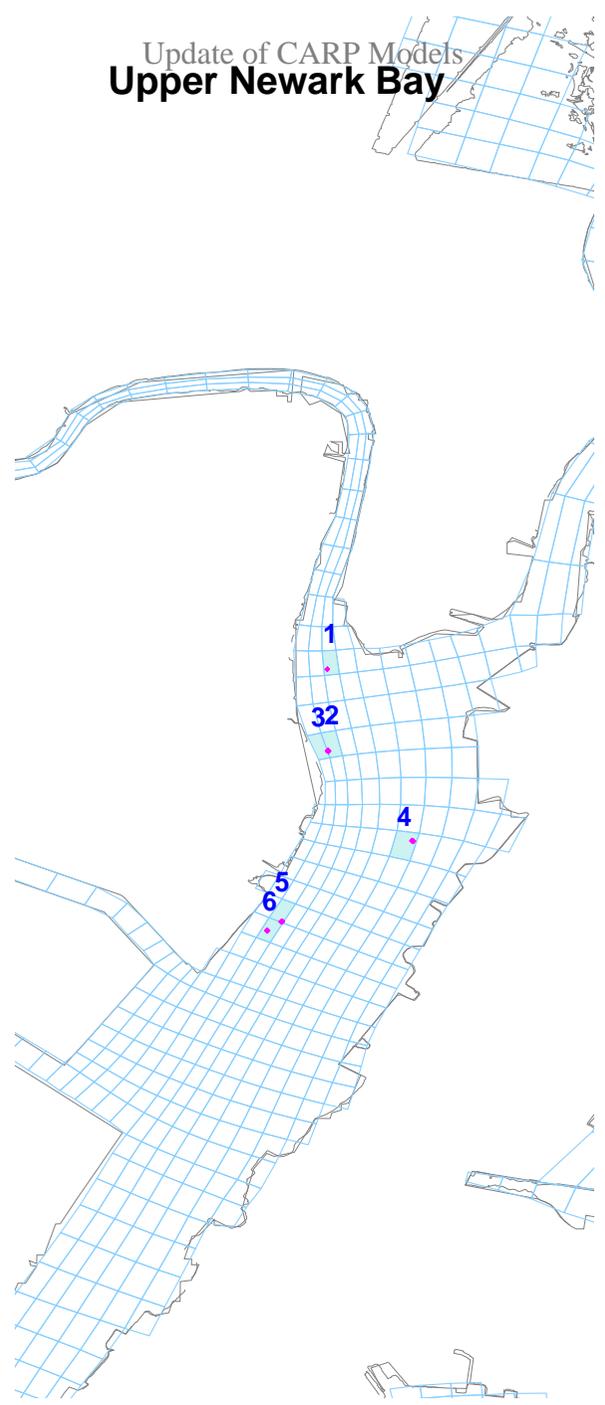

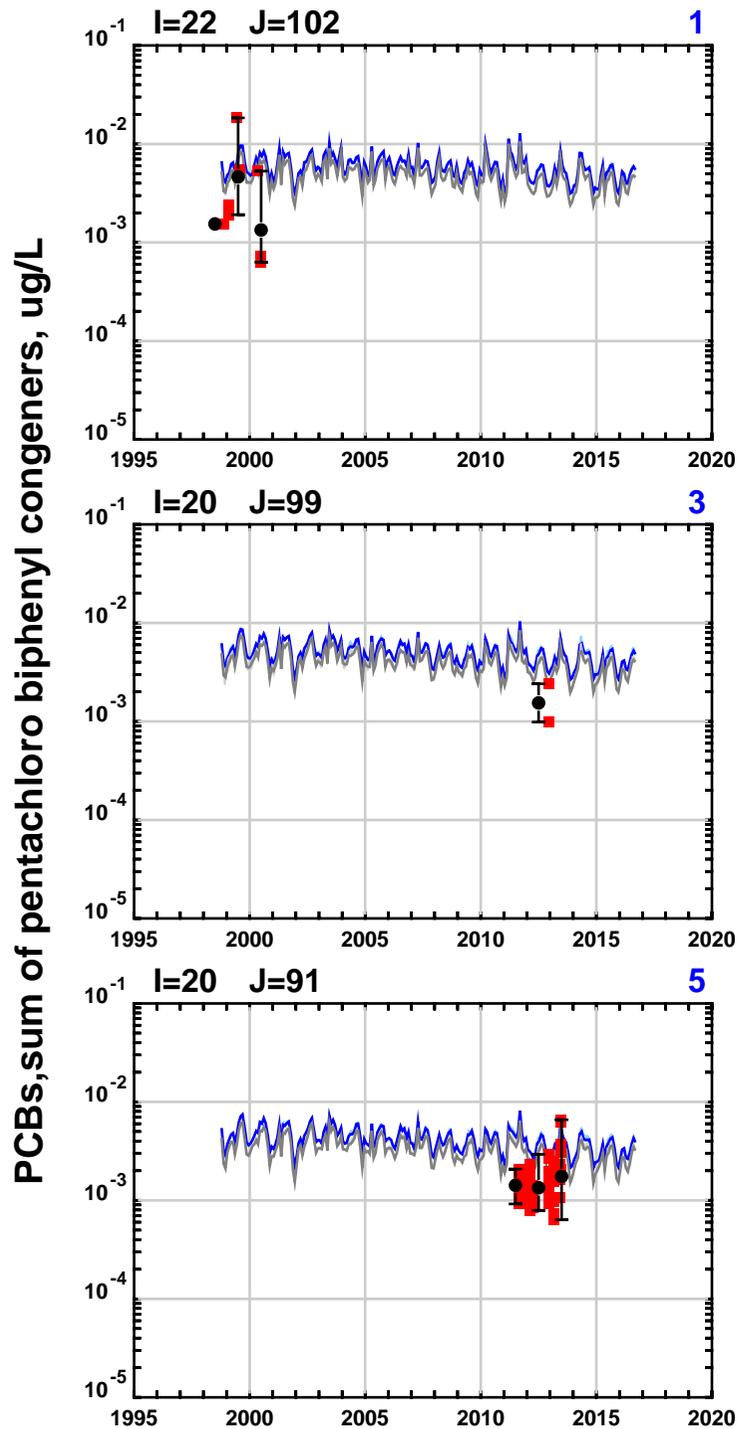

PCBs, sum of trichloro biphenyl congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models Lower Newark Bay and Kill van Kull

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ● Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models
Arthur Kill

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of pentachloro biphenyl congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ○ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of pentachloro biphenyl congeners, ug/L

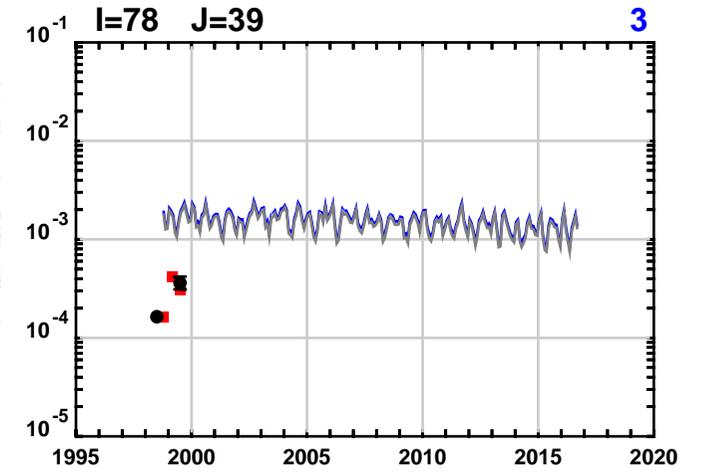

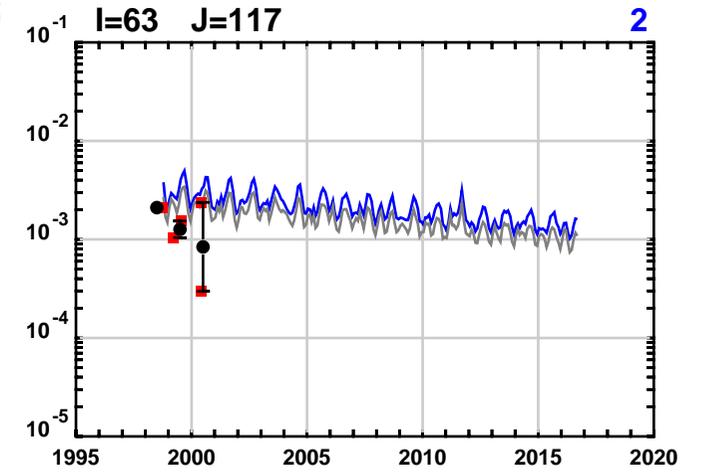

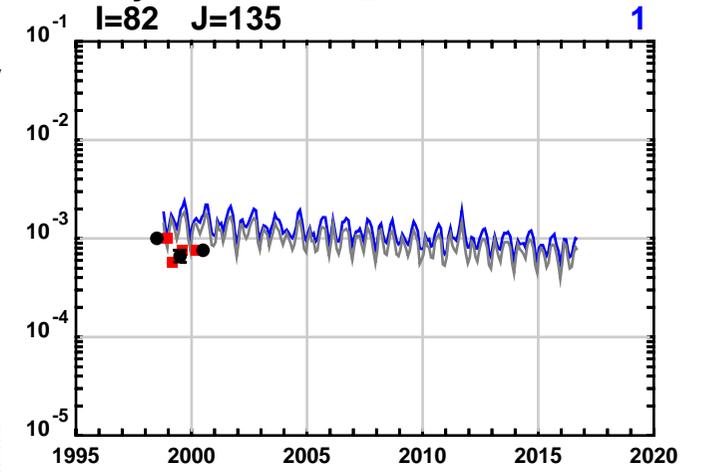

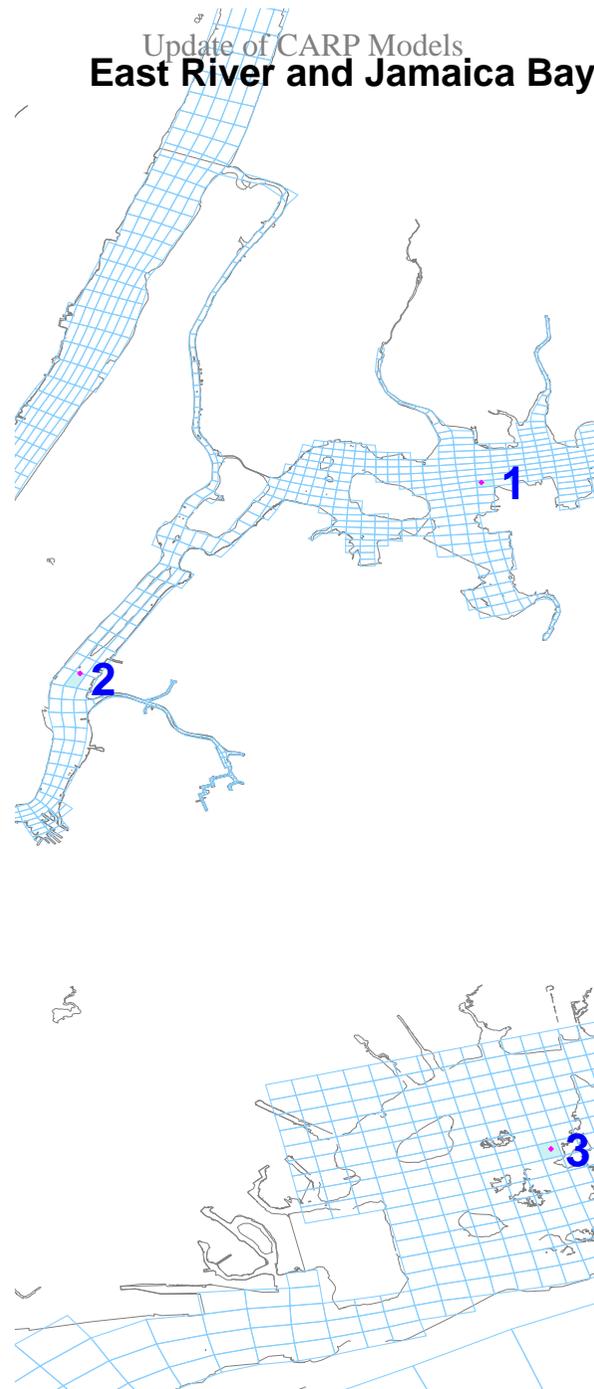

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of pentachloro biphenyl congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ● Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models Lower Newark Bay and Kill van Kull

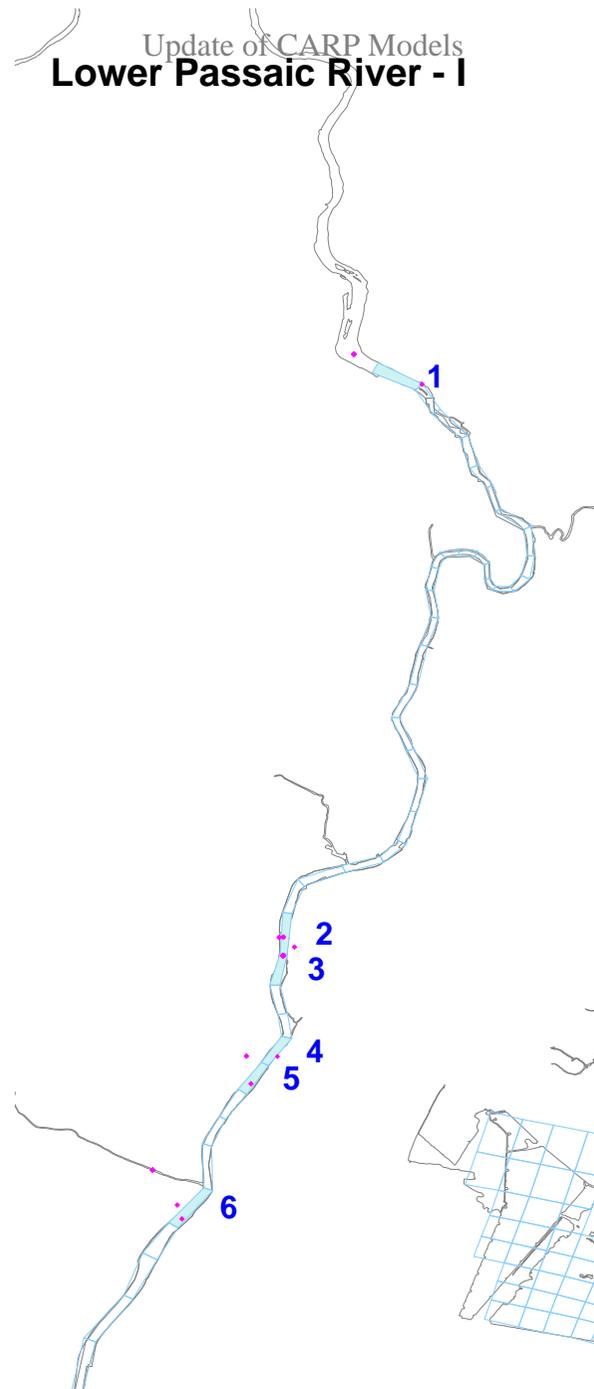

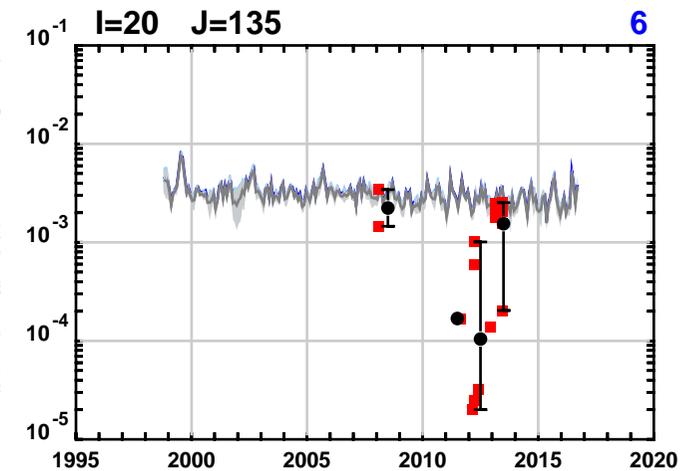

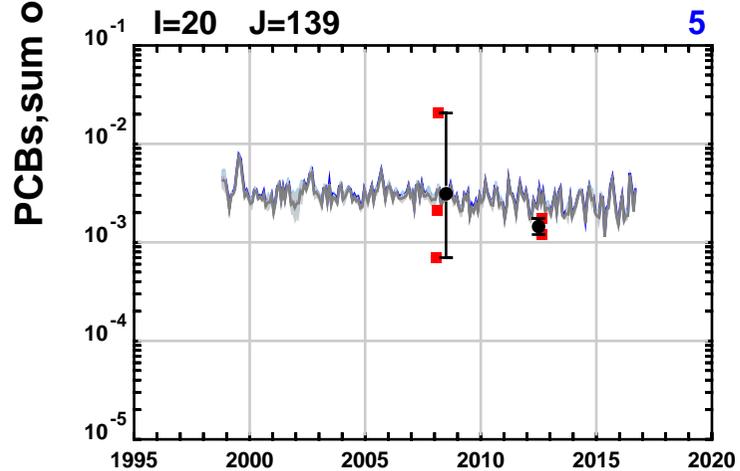

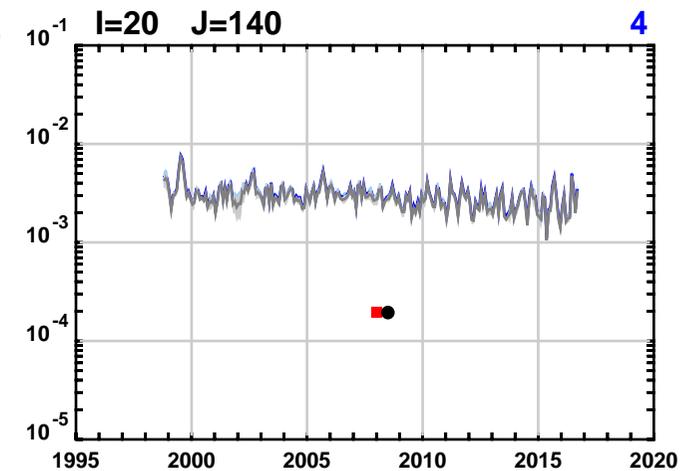

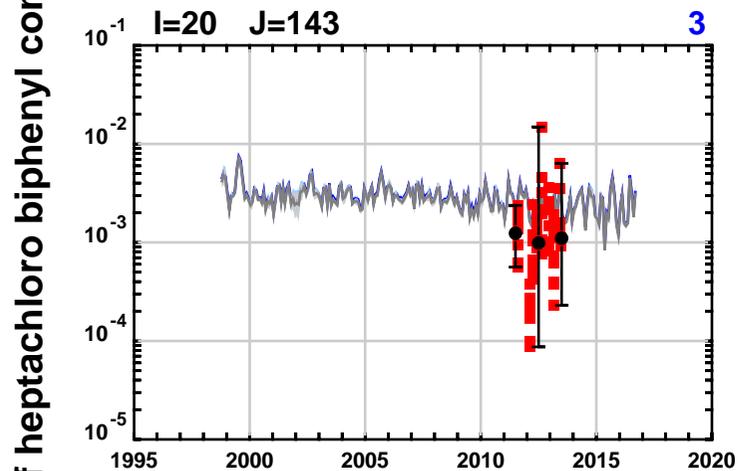

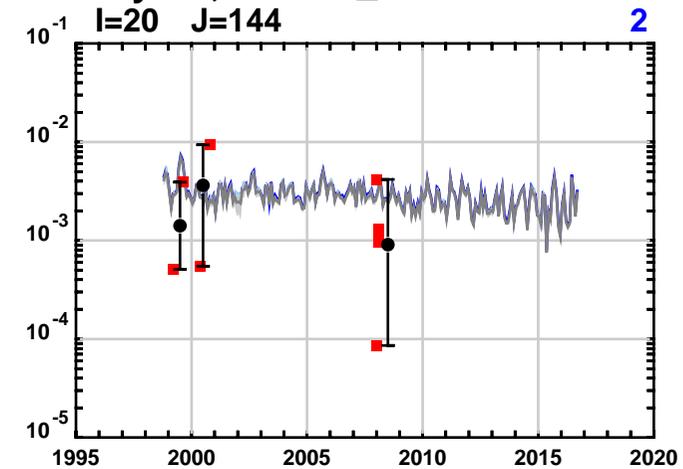

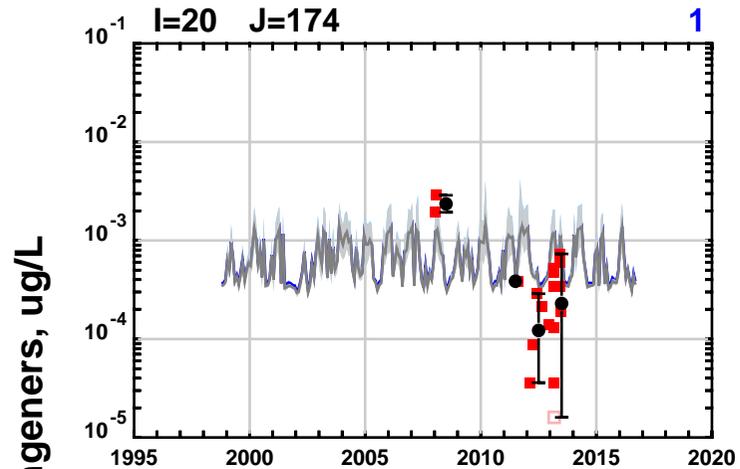

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models Lower Passaic River - I

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of heptachloro biphenyl congeners, ug/L

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models
Arthur Kill

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of heptachloro biphenyl congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ○ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of heptachloro biphenyl congeners, ug/L

Update of CARP Models
Upper NY Bay

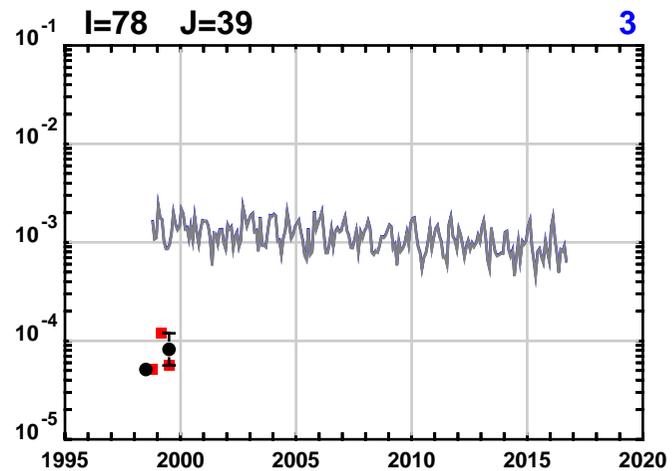

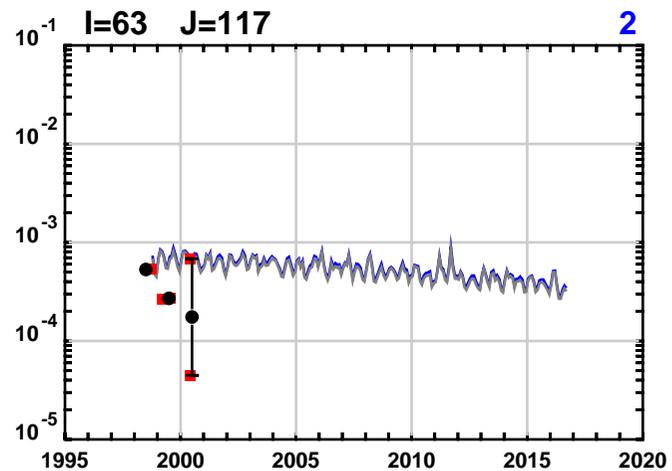

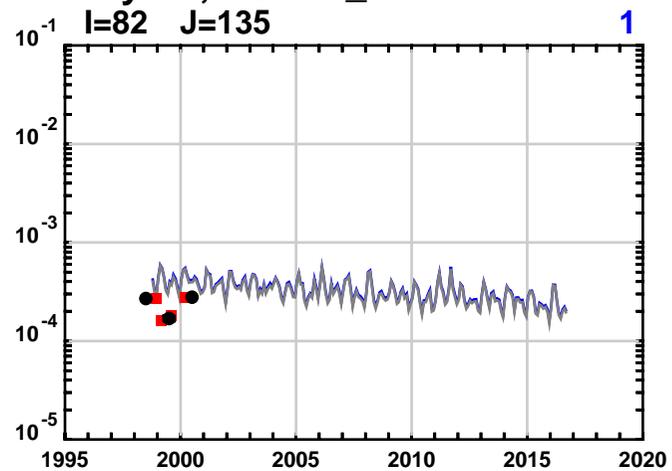

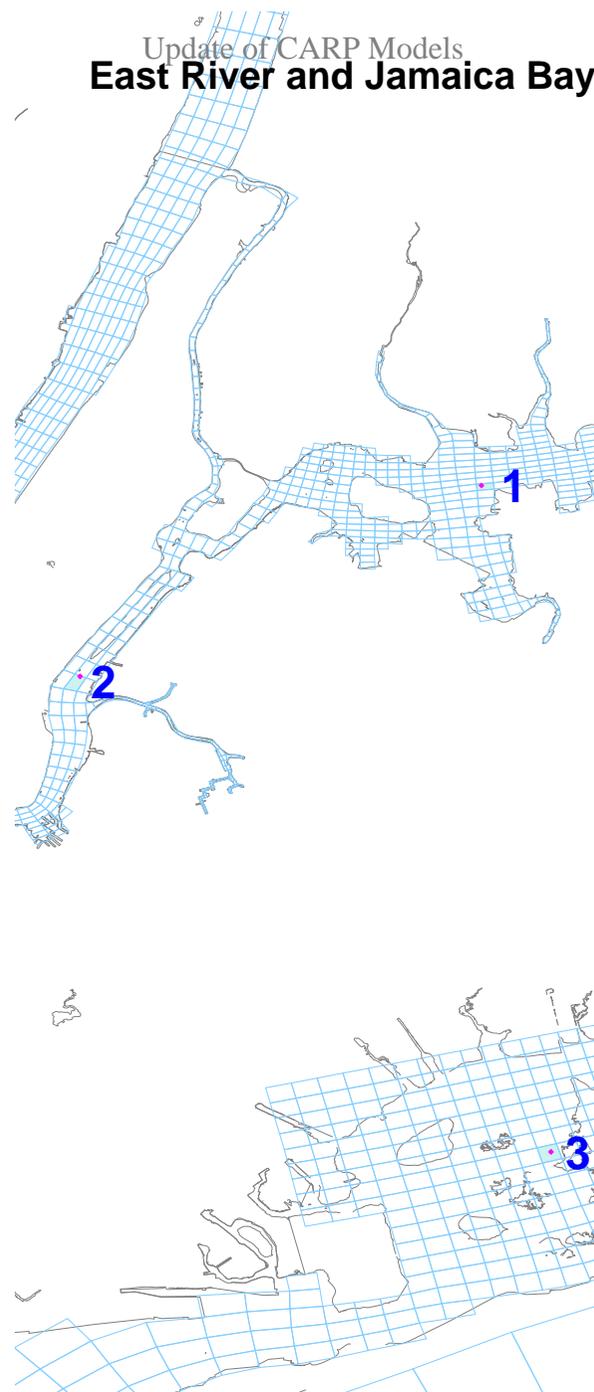

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

PCBs, sum of heptachloro biphenyl congeners, ug/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Update of CARP Models Lower Newark Bay and Kill van Kull

● Detect Data ■ Non-Detect Data
— Model: mean and range of values in Water Column
— Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data □ Non-Detect Data
— Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
■ Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

● Detect Data ■ Non-Detect Data
■ Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S2

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S5_R2

Update of CARP Models
Lower Passaic River - IV

Octachlorodibenzofuran, ng/L

● Detect Data ■ Non-Detect Data
■ Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column
● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S5_R2

Update of CARP Models
Hackensack River

Octachlorodibenzofuran, ng/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S5_R2

Update of CARP Models
Arthur Kill

● Detect Data □ Non-Detect Data
— Model: mean and range of values in Water Column
□ Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S5_R2

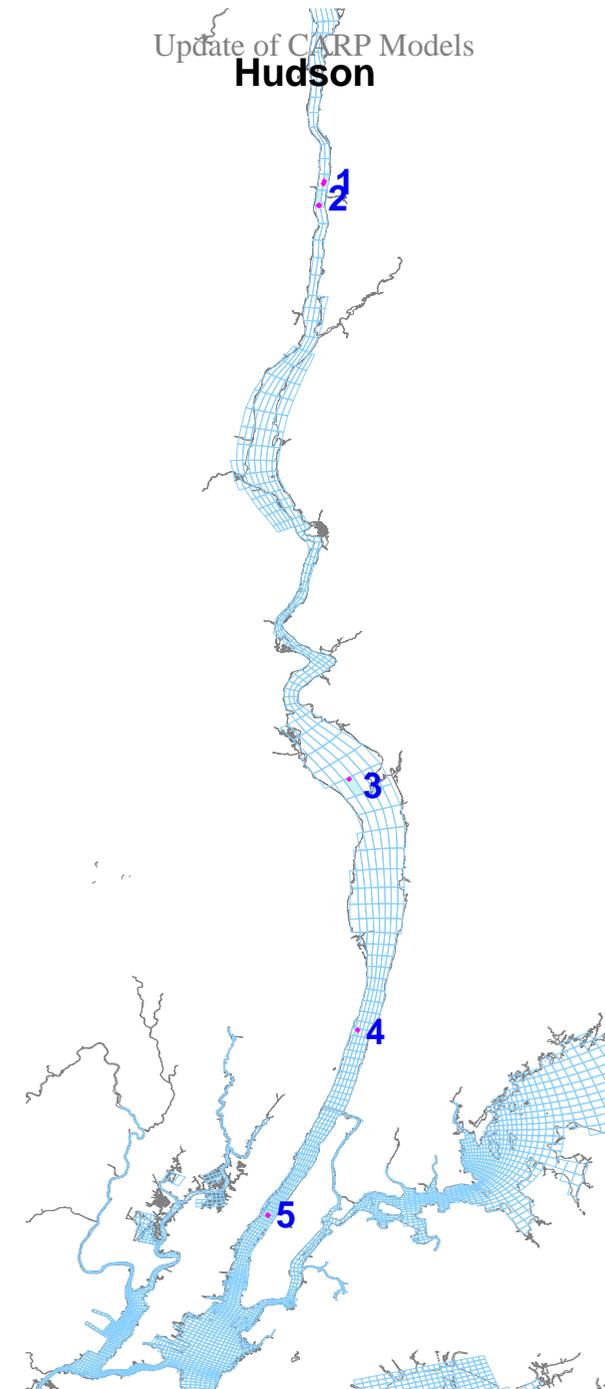

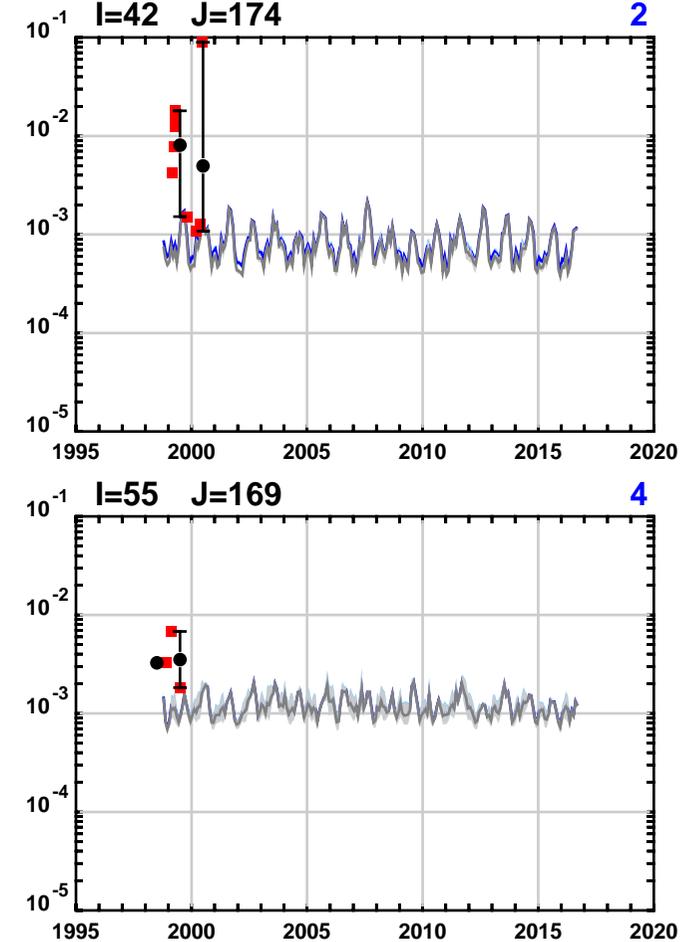

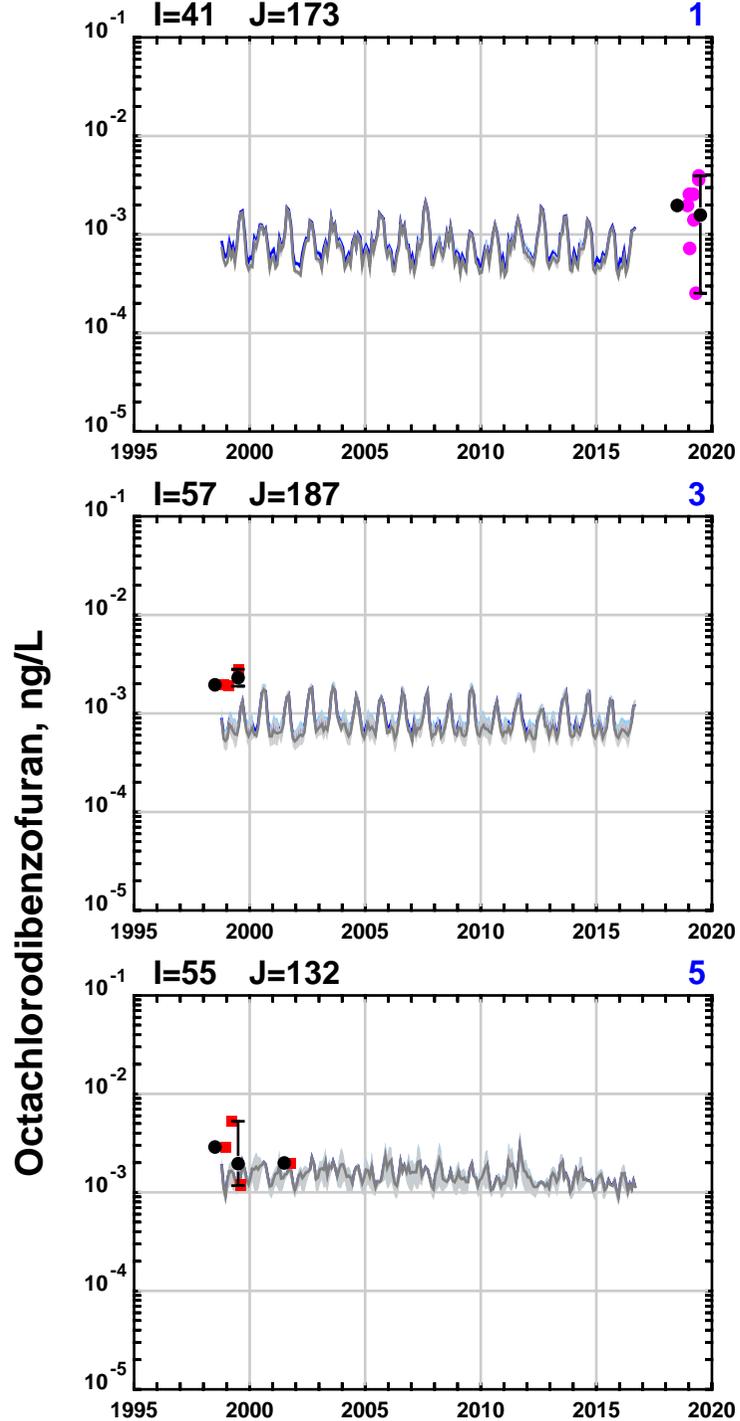

Octachlorodibenzofuran, ng/L

Detect Data Non-Detect Data
Model: mean and range of values in Water Column
Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S5_R2

Update of CARP Models
Hudson

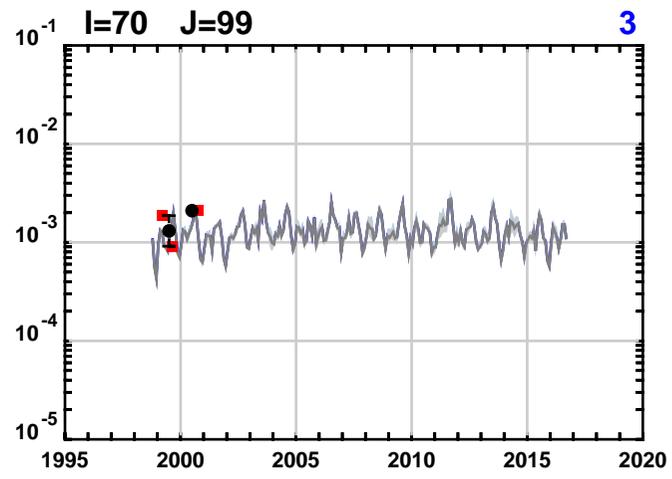

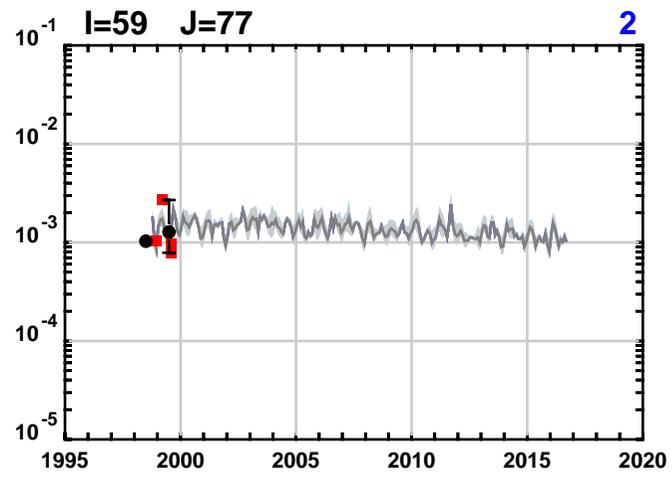

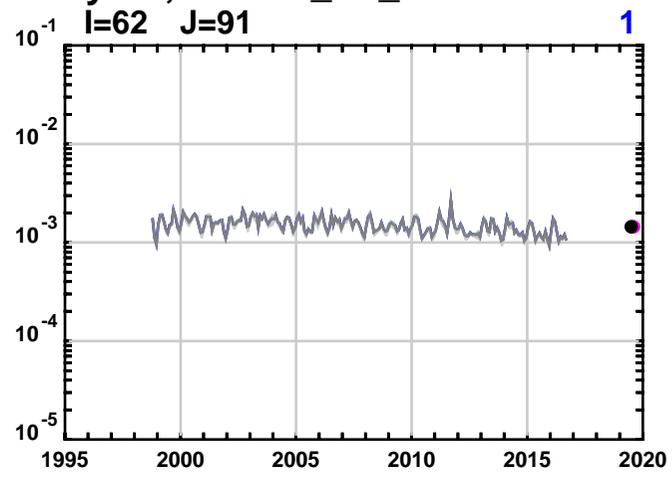

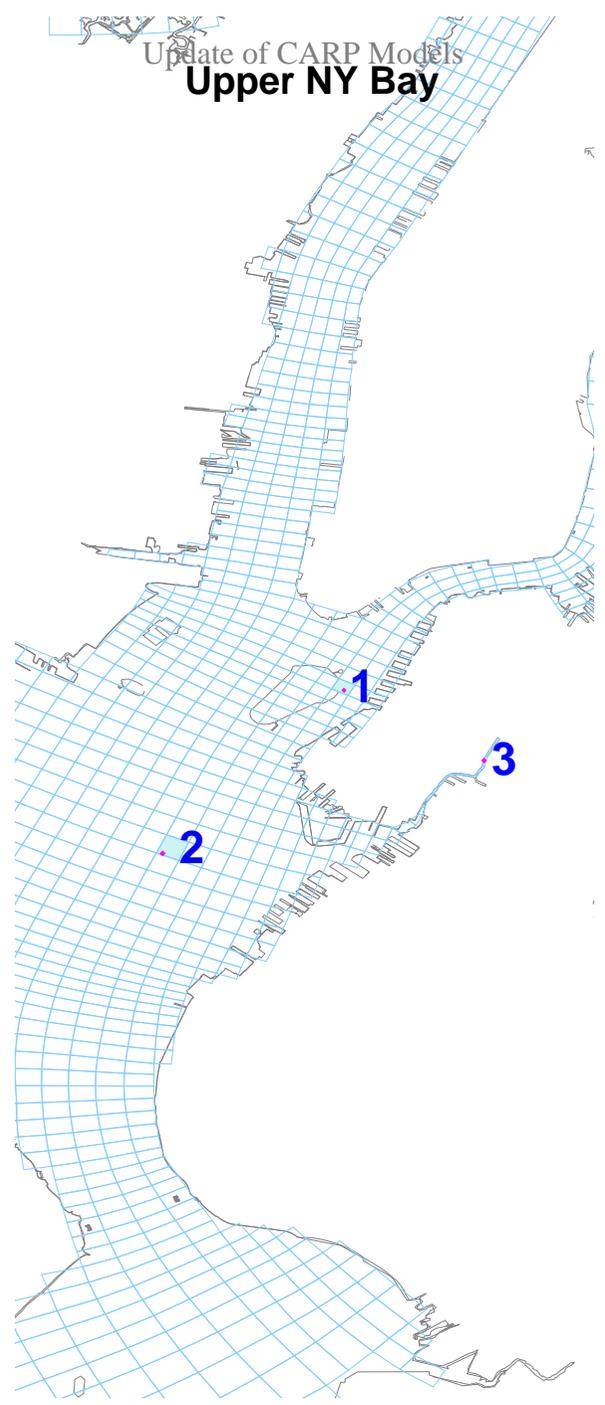

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S5_R2

Update of CARP Models
Upper NY Bay

Octachlorodibenzofuran, ng/L

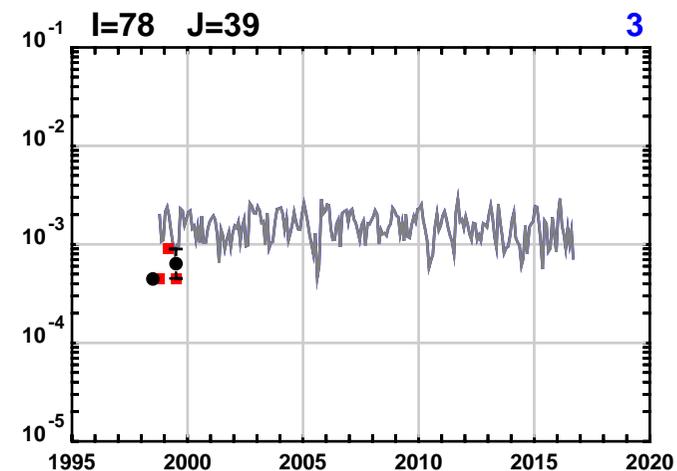

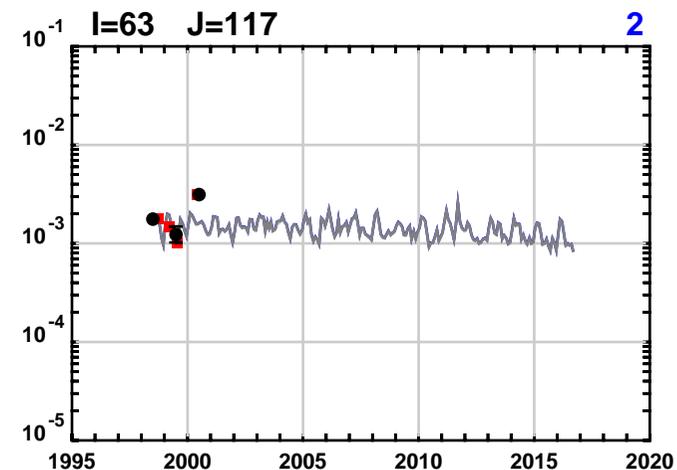

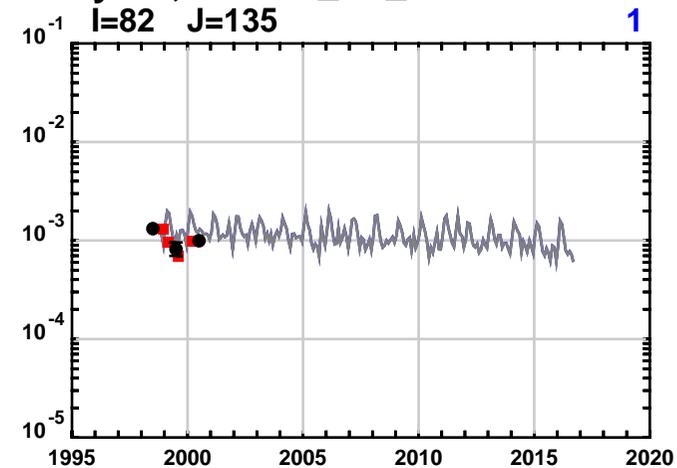

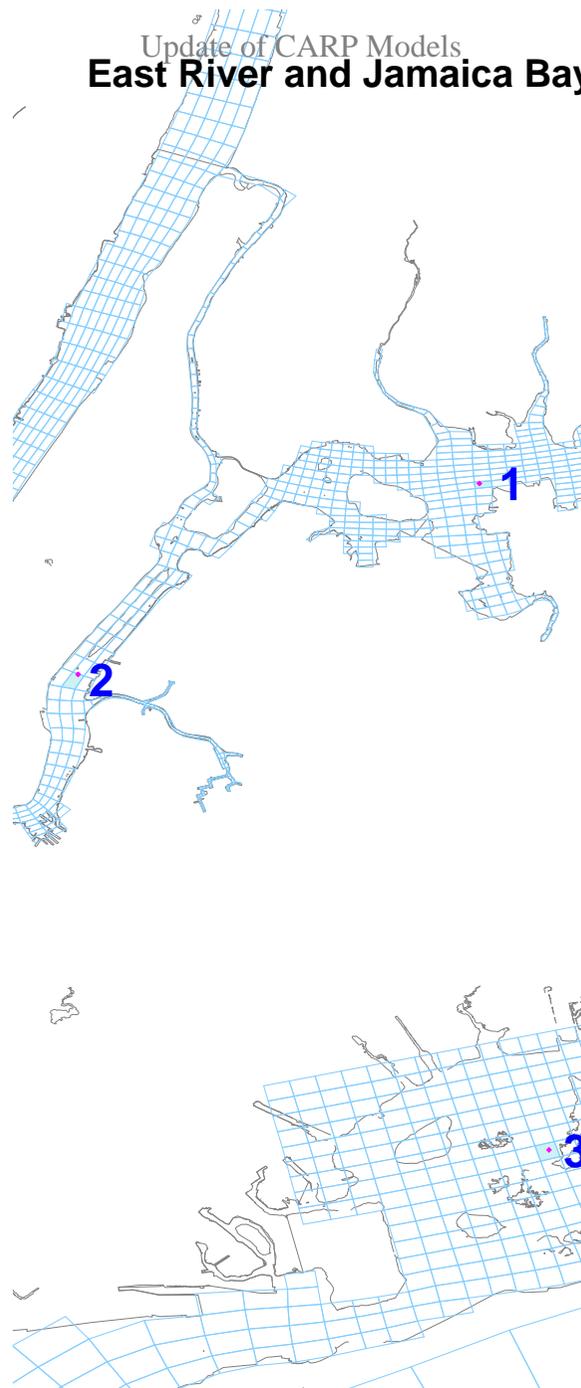

Detect Data Non-Detect Data
Model: mean and range of values in Water Column
Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
● CARP2 Data

Water Column Data Comparison With Model All Water Column Layers, RUN18_S5_R2

Update of CARP Models
East River and Jamaica Bay

Octachlorodibenzofuran, ng/L

Detect Data **Non-Detect Data**
Model: mean and range of values in Water Column
 Model: Particulate Phase mean and range of values in Water Column

● Water Column Data: yearly mean and range
 ● CARP2 Data
